MAD RIVER LOCAL SCHOOLS AI PLAYBOOK:
GUIDELINES FOR EMPOWERED & RESPONSIBLE AI USE

THE AI VISION STATEMENT

Focus on empowering students for their unique paths: **Enrollment, Enlistment, or Employment (the 3E's).** Commitment to intentional integration supporting career technical excellence and academic integrity.

THE SEVEN CORE VALUES

- **Human-Centered Learning**
  Prioritizing mentorship and human connections.
- **The 3E's & Pathways**
  Supporting individual student journeys.
- **Academic & Professional Integrity**
  Valuing original thought and authentic voice.
- **Critical Thinking & Literacy**
  Building "skeptical users" who understand AI limitations.
- **Safety & Parent Partnership**
  Protecting students and engaging families.
- **Teacher Support & Efficiency**
  Using AI to reduce administrative burdens.
- **Intentionality & Return on Investment**
  Purposeful purchasing. Avoid "shelfware" by piloting programs, identifying "super users," and ensuring any investment actually improves student outcomes.

ACADEMIC INTEGRITY & DISCLOSURE

Emphasis on **"Process vs. Product"**—valuing drafts.

Disclosure Requirements: naming the tool, describing the use, and reflecting on output.

THE "TRAFFIC LIGHT" GUARDRAIL SYSTEM

GREEN (AI-EMPOWERED)
Encouraged.
Brainstorming, scheduling, summaries of long docs.

YELLOW (AI-ASSISTED)
Permission & Disclosure Required.
Drafting specific paragraphs, acting as "peer reviewer."

RED (HUMAN-ONLY)
Prohibited.
Final essays, tests, assessments meant to measure independent skills.
