# *President's Letter*

Benefactors and Friends,

At Saint Xavier, our mission as a Catholic, Xaverian Brothers Sponsored School is to form young men of faith and purpose. Throughout the 2025-2026 school year, countless moments, some celebrated publicly and others experienced quietly each day, brought that mission to life.

While every moment contributes to the St. X experience, we wanted to highlight ten defining moments from the year that capture who we are and how our community continues to grow.

**1. Dr. Daniel J. McCue's First Year as Principal**
This year marked Dr. Daniel J. McCue's first year as principal. As someone who has dedicated much of his career to serving our students and advancing our academic mission, Dan stepped into this role with both experience and a deep passion for our school. I have seen firsthand the positive impact of his leadership, and it is evident throughout our hallways and classrooms each day.

**2. Classroom Renovations**
Thanks to the extraordinary generosity of our alumni and friends, we invested more than $2.5 million to transform science and social studies classrooms. These renewed learning spaces strengthen our ability to provide an exceptional educational experience while honoring the tradition of academic excellence that has defined St. X for generations.

**3. Endowment Surpasses $60 Million**
Our endowment surpassed $60 million, a testament to the confidence our benefactors place in us and our mission. Your generosity helps ensure that we can continue to form our young men and make a Saint Xavier education accessible for generations to come.

**4. St. X License Plate**
We became the first high school in Kentucky to have an official specialty license plate, giving alumni and community members a unique way to proudly display their Tiger spirit while highlighting the strength and visibility of St. X across the state.

**5. The Junior Ring & Pin Ceremony**
One of the traditions we were especially proud to introduce this year was the Junior Ring & Pin Ceremony. As our juniors received their class rings and a new class-specific Saint Xavier lapel pin, they were reminded that they are part of something much larger than themselves, a brotherhood rooted in faith and tradition.

**6. Young Alumni Networking Night**
One of our greatest responsibilities is ensuring that our graduates remain connected to the brotherhood long after Commencement. Our inaugural Young Alumni Networking Night welcomed recent graduates back to campus, strengthening relationships and reminding our youngest alumni that they will always have a home at Saint Xavier.

**7. Grand Reunion Weekend**
One of my favorite weekends of the year was welcoming more than 360 alumni back to campus for our inaugural Grand Reunion Weekend. Seeing generations of Tigers reconnect, share stories, and celebrate their Saint Xavier experience was a powerful reminder that the bonds formed here truly last a lifetime, and we look forward to building this event into a cherished tradition for years to come.

**8. Making a Saint Xavier Education Accessible**
At Saint Xavier, we believe every deserving young man should have access to the opportunities our school provides. More than $3.4 million in tuition assistance was awarded, helping make a Catholic, Xaverian education possible for students and families across our community.

**9. Athletic Upgrades Take Shape**
We continued to invest in facilities that support the growth and development of our students both on and off the field. From progress on the Will Wolford '82 Football Center to enhancements to our wrestling, track, and athletic facilities, these projects reflect our commitment to providing an exceptional experience for every Tiger and ensuring Saint Xavier remains strong for future generations.

**10. Bill Roby '65, Outstanding Alumnus**
We were proud to recognize Bill Roby '65 as this year's Outstanding Alumnus. A 2021 inductee into the Alumni Hall of Honors, Bill has exemplified a lifetime of servant leadership through his military service in Vietnam and dedication to organizations such as USA Cares, the Catholic Education Foundation, and numerous charities serving veterans and their families. His unwavering commitment to faith, family, community, and leading like Christ reflects the very best of what it means to be a St. X man.

As we reflect on these moments, we are reminded that none of them happen on their own. They are made possible by a community that believes deeply in St. X: parents, alumni, faculty, staff, and friends who generously invest their time in our young men.

Because of you, we continue to thrive as a place where faith is strengthened, brotherhood is formed, and young men are prepared to lead lives of purpose.

Thank you for being part of the St. X community and for helping us continue to form Men of Purpose.

With gratitude,

Paul D. Colistra

# ENDOWMENT PROGRAM

The Saint Xavier High School Endowment Program has grown significantly since its beginning in the early 1980s. Since then, with the completion of the Xaverian Legacy Capital Campaign, Project X, and the X Effect, more than 375 funds and individually named endowments have been established, growing the overall endowment's value to more than $64.35 million. The most significant benefit to St. X is the fulfillment of a long-term objective to provide need-based scholarships to all qualifying students, endow faculty positions, and enhance the educational experience for generations of Tigers.

**Endowment Management and Spending Policies**
Endowment gifts may take the form of cash, appreciated securities, or real or personal property and are guided by a written Endowment Agreement with each named endowment donor. Funding an endowment may be a one-time gift, or benefactors may take up to five years to fully fund their endowment pledge. The annual earnings on a donor's endowment, up to five percent of the endowment's value, established annually, will be allocated to the endowment's purpose each year. All Saint Xavier Endowment Funds share equally in investment gains or losses. In the case of excess earnings, they will be tracked along with the principal gifts, allowing for continued growth in the donor's endowment fund. Saint Xavier's investment policy is reviewed annually and adheres to the most up-to-date investment strategies, including social consciousness. An annual update on the endowment's performance will be provided to the donor or their designee.

To learn more about the Saint Xavier Endowment, including information on establishing an endowment, visit saintx.com/endowment or call the Office of Institutional Advancement at 502.637.8485.

# HONOR ROLL OF DONORS

Saint Xavier is proud to present the Honor Roll, recognizing benefactors who made gifts from July 1, 2025, to June 30, 2026. Gifts will be presented by constituency and level for all benefactors in the following order:

**Alumni**
Saint Xavier alumni are known for their amazing affinity and commitment to their alma mater. We are grateful to the thousands of alumni who show gratitude for their experience through a charitable gift to the school. Alumni are grouped by class and within each class by membership in the appropriate giving level.

**Current Parents**
The enthusiasm parents show about giving beyond tuition and fees provides a powerful testimony to their belief in the educational experience their sons are having; the school is extremely grateful to the parents listed in the Honor Roll for their generous gifts.

**Faculty and Staff**
The foundation of a Saint Xavier education is its faculty and staff. The school is fortunate to have a committed group of individuals dedicated to carrying on our Xaverian tradition. We thank them for making a gift to enhance the Saint Xavier experience for our students.

**Friends**
The school is grateful to parents of alumni, grandparents, and community members who share a belief in the mission and values of Saint Xavier. We are honored to recognize their investment in a Catholic Xaverian education.

**Corporations and Foundations**
Saint Xavier is grateful to the corporations who made matching gifts on behalf of their employees, donated an item for the auction, or made an in-kind donation. We are also honored to be selected by charitable and corporate foundations and other organizations that have included the school in their grant programs.

Donor names are carefully reviewed before publishing the Honor Roll. However, in a listing of this length, errors may occur. Please accept our sincere apology if your name has been misspelled, listed incorrectly, or omitted. Please contact the office of Institutional Advancement at 502.637.8485 and bring the error to our attention so the appropriate correction may be made.

# WAYS TO GIVE

**Gifts of Cash**
Gifts of cash of any size can be made by check payable to Saint Xavier High School and mailed to the Office of Institutional Advancement. You may also make online donations using a debit/credit card or ACH transfer at saintx.com/support.

**Securities**
Direct gifts of appreciated securities (stocks and bonds) can help with financial, tax, and estate planning.

**IRA Distribution**
People who are age 70 ½ or older can make a qualified charitable distribution of up to $100,000 from their IRA directly to a St. X.

**Recurring Gift**
Monthly, quarterly, or annual gifts support the school on an ongoing basis.

**Matching Gifts**
Many employers and companies will match gifts made by an employee or spouse.

**Property**
A gift of real or personal property has become a popular way to create an Endowment Fund.

**Bequest**
A bequest is a gift made by a provision in one's will naming Saint Xavier High School, Inc. as beneficiary. It can reduce estate taxes and grants you membership in the Ryken Society.

**Charitable Gift Annuity**
An annuity allows the donor to receive benefits for his/her lifetime and to qualify for a charitable tax deduction. This support is attractive when one has highly appreciated assets. Saint Xavier requires a minimum gift of $10,000 to establish this gift.

**Charitable Remainder Trust**
A trust transfers assets to a trustee, who manages the trust and pays income back to the donor for life or for a specific time. When the trust terminates, the remainder passes to Saint Xavier. A unitrust has a fixed percentage of actual trust value. An annuity trust pays a fixed percentage on the initial principal value. Benefits for either include an income tax deduction, the avoidance of capital gains tax (when appreciated securities are used), as well as an estate tax reduction. Saint Xavier requires a minimum gift of $50,000 to establish this gift.

**Life Insurance**
If Saint Xavier is named as the owner and beneficiary of a life insurance policy, the policy premiums become eligible as a tax-deductible gift.

**Acceptance**
On occasion, Saint Xavier is presented with a unique gift opportunity that requires the institution to formally accept a gift before it is actually made to the school. For that reason, Saint Xavier reserves the right to formally review any gift, regardless of its asset form, before it is receipted.

If you would like to speak to someone about making a gift to St. X, please contact the office of Institutional Advancement at 502.637.8485.
