Mansfield Families & Friends,

As we take a small break from our daily stressors, expectations, routines, and carpools, we want to take moment to reflect on how grateful, thankful, and blessed we all are to live, work, and serve this phenomenal community.

Both schools today had a Thanksgiving Parade, with student balloon creations, float designs, music, dancing, and celebrations. Our students and staff have been discussing, reading about, and telling stories of gratitude all month. We hope everyone can take a quiet moment with your children this weekend and ask them what they are most grateful for this past year. Support our children, and adults, to reflect on their good health, full plates, and warm homes.

On behalf of our Board of Education, administrative team, teachers, and staff, we extend our gratefulness for allowing us to serve this wonderful community and support the growth of our next generation. We wish everyone a restful, peaceful, and joyous Thanksgiving Holiday with your family and friends. Stay safe, Stay well, and again, Thank You!

Best,

James S. Knipper
Superintendent

Emily Hunter
