# School District of Borough of Morrisville

**Dr. Daniel A. Clara**
Superintendent of Schools
550 W Palmer St.
Morrisville PA 19067

November 25, 2026

Dear Morrisville Families, Students, Staff, and Community Members,

I am writing to let you know that tomorrow's Thanksgiving Day football game between Morrisville and Bristol Borough has been cancelled.

This decision was not made lightly. The superintendents of all the school districts in Bucks County with Thanksgiving games met late this afternoon to review the latest forecast together. BCIU arranged a consultation with a local meteorologist who advised that significant rain and, more concerning, wind gusts of up to 50 mph are expected in our area during the time of the game. Winds of that strength create serious risks for students, coaches, officials, and spectators, including falling branches, flying debris, and the potential for damage to bleachers, tents, lighting, and other equipment. After careful discussion this afternoon, the four Bucks country superintendents with football games agreed that the safest course of action was to postpone the games.

Following the superintendent call, we discussed several dates and times to reschedule with Bristol Borough and unfortunately, we were not able to find a time over the next few days that was amenable based on player availability. We are disappointed to cancel the game and did everything possible to reschedule. A shout out to Coach Keen and Crystal Hannay, our athletic director, who worked tirelessly this evening to try to reschedule the many elements necessary for a safe football game.

We know how much this tradition means to our students, athletes, families, alumni, and community. Our students have worked hard all season, and our seniors in particular have looked forward to this day. We share your disappointment. However, the safety of our students and everyone who would attend must come first.

Thank you for your understanding and for your continued support of our students. On behalf of everyone at the School District of the Borough of Morrisville, I wish you and your family a safe and happy Thanksgiving.

Sincerely,

Daniel A. Clara, Ed. D.
