Dear Parent/Carer,

We are very excited to be offering a select group of current Year 11 students a once in a lifetime experience and a chance visit the fascinating and beautiful country of Uganda.

As part of a Teams4U trip, students will spend 10 days in the country, meeting local schools and children, getting to know the local laws and customs and sample some of its traditional cuisine.

Southam College has run previous trips with Teams4U and they have all been excellent and memorable for the students, providing firsthand experience of a diverse and historic country, very different to our own.

The trip Itinerary will include flights to Kampala, and a night in a hotel before travelling in land to join in and work with local schools on their WASH and Dignity programmes. Students will experience, and get involved in delivering, activities for the local school children and become an important part of their educational experience. The final couple of days of the trip will be spent relaxing at The Haven, in Jinja on the banks of the White Nile and overlooking the stunning Busowooko Falls, and possible visits to the Ngoro Rock paintings or Entebbe Animal Sanctuary, before returning back to the UK.

The cost of the trip will be approx. £2750, made up mainly from student/parental contributions, but also helped by fundraising activities and some school and PTSA funding where possible.

The proposed dates for the tip are Wednesday 19th July – Saturday 29th July 2028.

If you are interested and would like to find out some more information about the trip, please attend a meeting on **Thursday 3rd December at 6.00pm in the Core.** If you have any further questions, contact Mr MacGibbon via Classcharts or email macgibbon.s@sco.svmat.uk.

Kind regards,

Mr S MacGibbon
Personal Development Co-ordinator
