Dear Parent/Carer,

As we move into the next half term, we would like to offer families of students in Year 7 the opportunity to meet with a member of the SEND team to discuss how their child has settled into secondary school, any emerging needs, and the support or adaptations that may help them continue to thrive.

To support this, we are offering online appointments via our **SchoolCloud** booking system. These meetings provide an opportunity to share information, discuss any concerns, review current support, and plan next steps together.

Appointments can be booked with:

- **Mrs Reeves** – Assistant SENCO
- **Mrs Belcher** – Neurodiversity Lead
- **Mrs Edwards** – Exams Access Arrangements Coordinator

During the meeting, we can discuss:

- Your child's transition into Year 7
- Any SEND-related concerns or questions
- Strategies and adaptations that are helping in school
- Support that may be needed moving forward
- Communication and partnership working between home and school

If you would like to book an appointment, please use the link below to access our SchoolCloud system:

https://southamcollege.schoolcloud.co.uk

We encourage families to take advantage of this opportunity so that we can continue working together to ensure a positive and successful experience for your child at Southam College.

If you have any difficulties accessing the booking system, please contact our SEND Administration Team for assistance.

Thank you for your ongoing support.

Yours sincerely

Miss Hawkes
Assistant Headteacher & SENCO
Southam College

On behalf of the SEND Team
Mrs Reeves – Assistant SENCO

Mrs Belcher – Neurodiversity Lead and

Mrs Edwards – Exams Access Arrangements Coordinator.
