Year 11 Information Evening 2: Thursday 14th January, 6pm-7pm

Monday 8th Febrauary - Friday 26th Febrauary: Year 11 PPE 2

81
DAYS TO THE PPES!

Achieving Excellence: Resilience

Receiving PPE results can bring a mixture of emotions. Some students will be pleased with their performance, while others may be disappointed. Whatever the outcome, these exams provide valuable information about what students are doing well and where they need to improve.

The most successful students are not always those who achieve the highest grades first time, but those who respond positively to feedback and take action. The February PPEs provide another opportunity to demonstrate progress and the small choices made over the coming weeks can make a significant difference.

Parent Challenge: Ask your child to identify one PPE result they are proud of and one area they would like to improve. Discuss the specific steps they will take over the 81 days. Contact the subject teacher via ClassCharts for guidance if needed.

After School Study Seminars / Reminders

Study seminars and registration intervention sessions are underway and will run until Christmas.

There will be further seminars after Christmas in the lead up to the Febrauary PPEs.
