V. LEGISLATIVE LIAISON REPORT

VI. PUBLIC PARTICIPATION RELATED TO ACTION ITEMS

VII. SUPERINTENDENT REPORT

Mr. Mengerink reported on the following:

- I am happy to report that we are most likely going to have our largest kindergarten class since the 2018 school year. Last year we ended the school year with 2,257 students attending. Currently, we are projected to have around 2,280 students. A lot will change between now and then, but that is how we are trending right now. We also will not know what our home education numbers look like until the first week of school.
- We continue to progress through the implementation of FinalForms. All of our secretaries have done an excellent job at learning and adapting to use this new enrollment program, but special thanks goes out to Karen Burgei, who has taken the lead in getting this off the ground and running.
- We have had some staff in the building already completing some professional development activities. We’ve had some safety training take place and all of our new teachers have been in the buildings a couple of days now.
- Work continues around the district – elementary parking lot is done and grass seed planted, the high school has been worked on over the summer and cleaned up – the HS FFA will maintain during the school year, the middle school office remodel is nearly complete with the new flooring, paint, ceiling tile, safety measures, nurses clinic relocated and restroom remodeled to be able to handle handicap students – it looks nice, the middle school media center has new carpet installed along with paint and ceiling tile, and work continues in another set of restrooms to remodel them completely and to remodel the locker rooms to provide actual changing rooms in them, striping of parking lots and athletic fields is in process now with our first home varsity tennis match Thursday and football game on Friday.
- Huge amount of kudos and thanks goes out to all of our grounds staff, our maintenance staff, and our custodial staffs. There has been a lot of work completed the last few summers and our staff does an excellent job preparing for the next school year.
- Open Houses are on Thursday, August 24th, with the 1st day of school on August 28th.
- We are excited and ready to get the 2023-24 school year underway!
