Master Planning Discussion

Jeff Wyszynski from Tecton Architects presented updated information that had been requested by the Board, including campus and site proposals, costs, and reimbursements. The discussion on renovating the high school versus a new building continued in order to gain more information. A comprehensive master plan timeline and considerations needed for each phase were discussed, as well as what feedback and information were still needed. Arcadis presented an example master plan timeline they recommend to be considered as part of the communications from the Board to the community.

Board Chair Sack adjourned the meeting at 9:15 PM.
