 Men's varsity soccer is 10-4-2
 - Coach Thomas celebrated his 200th win with the team against Defiance
 Football is 5-4, Losing this weekend at St. Mary's
 Congratulations to the cross country team who also competed at St. Mary's this weekend
 - Emily Durham got 1st on the team and 11th place overall
 - Kayla Dancs got 20th overall
- Congratulations to the 5th grade volleyball team for winning against Bath and Wapakoneta
 And the U8 boy's soccer team for winning at Soctoberfest
- Congratulations to Maddox Bell for being recognized as a National Merit Scholarship Semi-Finalist
- Make sure you're keeping up with the PawCast on Elida Local Schools Youtube Channel!
- At the middle school, Mrs. Schumaker's art students helped bring some color and creativity to the chalkboards of a study hall classroom. The project took a week to complete.
- The Homecoming Parade started the homecoming festivities on September 24th
- Homecoming weekend was on the 29th, and was kicked off by pep rallies at both the middle school and highschool featuring performances from the band and friendly competitions between students.
- The bulldawgs won a close homecoming game against Defiance
- This year's homecoming princess was kindergarten student Rylan McAdams, the homecoming prince was first grader Asher Haley.
 This year's homecoming king was Maddox Bell, and Miss Elida Rose was Jaleena Howard.
 Congratulations to those students!
- Elida High School students were dressed to the nines for their homecoming dance!

- Dawgs and Pups program is back for its second year. This student mentorship program pairs highschool students with elementary students to welcome them to school, develop relationships, and build that Elida Bulldawg pride!
- The 2022-23 Ohio School report cards have been released, and Elida Middle School was given the highest ranking possible – 5 out of 5 stars! Elida Local Schools overall was given 4 stars, meaning we exceed state standards.
- A couple of our sports teams are participating in tournaments this week!
Last night, the boy's soccer team won the Sectional Championship against Kenton! Congratulations!
Good luck to the girl's soccer team and volleyball team, whose games are tonight.
- Congratulations to Elida Senior Seth Sharp, who was named "Scholar Athlete of the Week" on Your Hometown Stations Lima. Seth plays three sports at school and maintains a 4.0 GPA. Great job Seth!
- Don't forget about Elida Highschool Theater's program "Birthday Candles", showing November 16-19, 2023.

V. LEGISLATIVE LIAISON

Mr. Christoff reported on the following:

Ohio General Assembly

- Update on HB33 provisions (a.k.a. the Budget Bill – passed in June, signed by Governor DeWine in July)
 - Reorganization of State Board of Education (SBOE) into Department of Education and Workforce (DEW) has been partially blocked by a temporary restraining order issued by a judge in Franklin County that the legislation authorizing these changes is unconstitutional. Seven members of the SBOE initiated the lawsuit. Governor DeWine disagrees with the Court ruling and claims that the ruling prohibits the Governor from appointing the (DEW) director or transfer SBOE's power to DEW. Interim Superintendent of Public Instruction, Dr. J. Christopher Woolard, will oversee responsibilities for the time being.
- Several bills propose to address local BOE and SBOE election parameters
- HB235 – redistricting for fully elected 15-member State Board of Education, moving from nonpartisan to partisan elections
- HB267 – proposes local school board elections move from nonpartisan as partisan election with primaries
- School bus safety – Governor DeWine formed the Ohio School Bus Safety Working Group comprised of 13 governor appointees with backgrounds in transportation, education, public policy, and medical research. The working group is tasked with examining topics such as:
 - School bus regulations
 - School bus design, maintenance, and inspections
 - Driver licensing, certification, and training
 - School bus safety technology
 - Crash risk factors
 - Lessons learned from other school bus accidents
 - Alternative transportation and associated risks
 - School Bus Seat Belts
 - Safety of Special Populations
 - Critical incident protocol

Recently introduced bills include:

HB279 requires occupant restraining devices to be installed on all school buses within five years.

HB 140 increase penalties for passing a school bus and allow the use of cameras on school buses

- HB 257 would authorize certain public bodies to meet virtually, but this currently excludes school boards.
- Several bills proposed to modify property tax parameters depending upon selected conditions (owner-occupied, long-term owners, farmland, veterans/surviving spouses, tax commissioner versus county auditor, use of sales/assessment ratios, etc.)
- Specifically, HB 187 passed the House by a 58-26 vote. The bill would modify the procedures used by the tax commissioner to conduct property tax sales-assessment ratio studies, but per Susan Manchester's aide, excludes any lowering of the 20 mil floor. The bill now heads to the Senate.

- Senate Bill 153 has received several hearings with suggested amendments by county auditors to adjust the 20-mill floor. Suggested changes include limiting growth for 20-mill floor districts to inflation, as well as moving the floor to a lower amount (such as 18 or 15 mills). OSBA and other education organizations are lobbying to wait for the Joint Property Tax Review Committee to study and fully understand the impact to our schools and our communities before making any changes to the 20-mill floor.
- Recently introduced HB 266 would require school districts and schools to update emergency management plans to include evacuation procedures for individuals with disabilities.
- SB49 - Religious Expression Days – committee amended bill to include definition of chronic absenteeism excluding excused absences, what defines a “legitimate excuse” for absences, and updates graduation rate formula to exclude penalties for IEP students that defer graduation.
- Committee hearings on SB 162 requires public schools to provide certain academic intervention services to each student who demonstrates a limited level in math and English language arts.
- Committee hearings on HB 183 regarding single-sex bathroom access in primary and secondary schools and institutions of higher education.
- Committee hearings on HB 139 to increase penalties for assault if the victim is acting as a sports official or the assault is committed in retaliation for the victim's actions as a sports official.
- Committee hearings on HB 206 regarding the expulsion of a student from a public school for actions that endanger the health and safety of other students or school employees.
- Passed a bipartisan continuing resolution on September 30th to fund government for 45 days ultimately led to the removal of Kevin McCarthy as Speaker of the House. Without a Speaker, no legislation can advance in the lower chamber. A government shutdown by Friday, November 17th is possible unless agreement for budget or another continuing resolution occurs before Thanksgiving recess. (Sat Nov 18 – Sun Nov 26)
- Educational advocates continue to lobby for educational appropriations for many federal programs (Title funding, and others). The Department of Education is proposing an extension of deadlines associated with pandemic funding (ESSER +/- ARP), but the status of the potential for success of the proposal is unknown.
- Senate appropriations committee passed their bipartisan appropriation bills including education funding, but the bill hasn't been enacted by the full Senate; the House Appropriations Committee did not pass any of several proposals that would “gut” Title I, Title II, and other programs to reduce government spending.
- Senate Judiciary Committee held a hearing on Book Bans. The usual partisan rhetoric ensued during the hearing. Committee consensus is that Congress does not have much of a role to play on deciding whether a school or district should censor certain books from classrooms and libraries.

VI. PUBLIC PARTICIPATION RELATED TO ACTION ITEMS

VII. SUPERINTENDENT REPORT

• Apollo Update

Mr. Denny Fricke reported on the following Apollo activities:

- Discussed the apprentice program
- CDL Building
- New Safety Building coming
- 2nd Year of HVAC
- Truck Driving
- Welding class is full
- Garden Café

Mr. Mengerink reported on the following:

- Mr. Denny Fricke gave an Apollo update
- A state budget update – 3 months in to the new fiscal year, and revenues have exceeded expenses by \$453 million.
- MakerFest – last Friday over 100 of our students participated in this new and revised event. As Board members may recall, our business advisory council has been a part of the reorganization of this event along with Allen Economic Development, Apollo, and a host of area companies for about a year. Students were able to participate in hands-on activities with lots of different companies, ranging from manufacturing, to the healthcare field, to area colleges, to other local business entities. Activities included such things as students learning to fly drones, participating in welding activities, running pipelines, completing teamwork activities, and observing medical procedures...which may have caused a few kids to rethink things after passing out. All in all, it was a great day for all students that got to attend this wonderful event.

- This week is School Bus Safety Week. A big thank you to all of our transportation department for making sure all of students get to and from school safely every day. It is not an easy task, but they do an excellent job.
- Within the next couple of weeks we will be introducing next year's proposed calendar. That will give us an opportunity to comments regarding the calendar at the November meeting, and then approve a calendar at the December meeting. I suspect it will look pretty similar to this year's calendar.
- Fall sports tournaments are underway. After tonight, the only sports that have not had a tournament yet will be football and cross country.
- School District App – coming soon!
- Employment -- discussed the vacant cafeteria monitor position, and adding some aide duties to this to make it full-time...only for the remainder of this year.
