Student Bio - [redacted]

I am [redacted], a senior at [redacted] High School in [redacted], North Carolina. In the fall of this year, I will be attending [redacted] as a student in the Honors College, where I plan to major in Exercise Physiology to pursue a career in physical therapy. I feel that I was selected for this scholarship in large part due to my community involvement specifically regarding my service at [redacted] and Rehabilitation Center in [redacted], North Carolina and [redacted] Church. I strive to stay as involved as possible in my school as well, where I am a member of the [redacted] Honor Society, the Spanish Honor Society, and Vice-President of the National Honor Society. In addition to being an active leader in these clubs that seek to promote community service and academic achievement, I am also highly committed to the band department at [redacted]. While I strive to continue making the highest grades I can in school as well as stay involved for the benefit of others, I also work part-time at [redacted]. I am proud to have held a job throughout my senior year and still have maintained excellent grades in school with time for extracurricular activities and volunteer work as well. My volunteer service at [redacted] has inspired my desire to be in a helping profession. In pursuing my Doctor of Physical Therapy (DPT) degree, I anticipate at least seven years of schooling in total. This scholarship will be an enormous asset to my future and will better enable me to pursue my dreams, providing me with the security of knowing that much of my tuition costs will be covered as I work toward my dream of helping others in a field I feel compelled to follow. I have the drive and ambition and with the assistance that this scholarship will provide, I can change lives for the better.
