Re: Tahanto High School Student Council MASC State Conference @ Hyannis

Name of Field Trip	Tahanto High School Student Council MASC State Conference @ Hyannis
Trip Arranged by	Emily McCarthy & Danielle Rinker (teacher coordinators)
Cost of Trip	This trip is funded by family and Student Council
Length of Trip/# of Students	March 6, 2024 – March 8, 2024 Having received the MASC Gold Council award last year, we have the privilege to bring 16 students to the conference with representation from all four grades.
Purpose of Trip/Additional Information	The purpose of this trip will be to support our Tahanto High School Student Council in attending the MASC State Conference in Hyannis. During their time at the conference, student representatives will engage in leadership skill development workshops and regional meetings, listen to motivational speakers, participate in the MASC student elections, and network with students from across the Commonwealth. With an increasingly active council, this trip has become an invaluable experience for our student leaders both in fostering their skills as well as giving them inspiration for what more we can do for our school community. Just an extra note, Tahanto has had representation at this conference for over 10 years running!
