Dear Ann and Jessica Fidrych,

10/23/2023

I hope this letter finds you both well. It is with immense gratitude and excitement that I write to express our heartfelt appreciation for the extraordinarily generous donation of \$3500 from the Mark Fidrych Foundation. Your support will play a pivotal role in advancing the initiatives of the Tahanto Regional Middle High School's Best Buddies program and Unified Sports.

Your commitment to raise funds and awareness that makes a difference in the lives of families and children with disabilities and/or special needs is truly remarkable and we are profoundly grateful for your investment in the development and continuation of these essential programs.

The Best Buddies program and Unified Sports are pillars of inclusion, fostering an environment where every child's unique abilities, talents, and contributions are celebrated. Your generous donation will help us provide the necessary resources, support and infrastructure to ensure that these programs not only continue but flourish.

We look forward to keeping you updated on the progress of our Best Buddies program and Unified Sports. We hope that the School Committee will have time to review the letter and accept your generous donation at the November 14th meeting.

Your letter states specifically Unified Sports but the conversation with Allie Lane additionally includes Best Buddies and we may need to get a written confirmation that the donation was indeed for both of these programs.

Your generosity has opened doors for our students and we are excited to share their success with you!

Warm Regards,
Lisa Sequeira

Principal, Tahanto Regional Middle High School
