RE: Bingo Night

The Boylston Education Foundation plans to hold our annual Bingo night on Saturday, May 11th from 3 – 6 PM at BES. The event will feature BINGO games, a silent auction and multiple donated baskets up for raffle. Last year we raised over $15K from the event and all of the proceeds were used to purchase educational items for the school.

The Boylston Education Foundation is requesting a one day liquor license to allow TIPS certified servers to sell beer, wine and seltzer to 21+ aged patrons of our BINGO event. The event will be held outdoors, on the blacktop behind the school, and a BEF member will be watching the entry to the school to ensure no alcohol is brought inside. As we did last year, we will sell bracelets at the event entry allowing purchasers up to 3 beverages. TIPS servers place an X on each bracelet upon serving. A BEF Board Member will be at the entry post checking IDs. Distribution/Pouring will be set up next to our main event table, staffed by both co-Presidents for continued oversight. Additionally, we will be selling pizza, chips, soda, and snacks at the event. Last year we were able to raise an additional $1,000 with alcohol sales. Lastly, we have scheduled with BPD to have an officer present as detail for the event.

We are scheduled to meet with the Boylston Selectboard on Monday April 22nd to seek approval for the event as well as request a one day liquor license.

Respectfully Submitted,

Boylston Education Foundation
Lisa Kelley & Cara Parr
Co-Presidents 2023 - 2024
