April 8, 2024

Today I am submitting for deposit one check for $625 and another for $25 for a total of $650 This amount represents the full amount raised from the class of 2031's Blue Jay fundraiser for Nature's Classroom. The fundraiser was advertised as primarily benefiting Nature's Classroom, but stated that any excess funds were to be used to benefit the class of 2031 and move with them.
