April 30, 2024

I am submitting for deposit a total of $3534.00, the proceeds from the class of 2031 Calendar Raffle. This event was a fundraiser for the class of 2031 to support their trip to Nature's Classroom. Any excess funds are to stay with the class of 2031.

I am also submitting for deposit $186.00. This amount represents 5% of the total sales from the class of 2031 calendar raffle and is due to the state as it was a state sanctioned and permitted raffle.

Beth will be sending a check for this amount to the state.
