Portrait of a Graduate

The Portrait of a Graduate is intended to develop a vibrant cross-district community in which we can collectively flourish.

Community

Students will develop a sense of empathy, build supportive relationships, and connections across differences.

Resilience

Students will demonstrate the ability to face challenges both collaboratively and independently with adaptability, perseverance, and grit.

Civic Engagement

Students will be active and informed participants who contribute to their communities and beyond.

Creativity

Students will be open to new ideas, willing to take risks, and demonstrate originality, innovation, and self-expression.

Critical Thinking

Students will be curious learners who are able to ask questions, form opinions, and develop sound solutions based on analytical thinking.
