Dear Lori,

Thank you for reaching out to us. We would be happy to provide more information about our services.

We sent a basic outline of our search services and corresponding price levels back in August, when the SC was preparing for an interim superintendent search – please see attached. I'm also including our brochure that describes these services in more detail. If you would like, we could schedule a meeting (zoom or phone) to discuss these services and pinpoint what type of search would serve your district best. We could then follow up with a formal proposal, which would include a detailed scope of work and a price quote.

Please let us know if we can help with anything else in the meantime.

Kind regards,

Christina McGonagle
