POS System in the Consolidated School District of New Britain is a Mosaic point of sale system. All students enrolled in the schools will be automatically set up with an account in the system.

Students may put money on their account to purchase snacks. They may also purchase items with cash right at the register, however cash transactions must still be rung up under the associated student profile. No “open” transactions are permitted. Each student pin is confidential, and code specific, information on students profiles is also kept confidential.

FSMC Supervisors (3-4) divide the district, verify daily deposits at all the schools, 1 supervisor picks up deposit bags and drops them at the bank daily.

A La Carte items are offered in addition to the reimbursable meals. Ala carte items may be purchased as long as a student has money in hand or in their account

The FSMC staff is responsible for sanitation, cleaning and sweeping all areas used for food prep, food service, and storage. Food Service employees are responsible for cleaning and sanitizing all dishes, pots, pans, utensils, equipment and any similar items. The FSMC will mop the kitchen floors and food prep areas. The district custodians will dispose of any garbage and also clean and sanitize the cafeteria where students are eating.

Vehicles- Food Service employees currently use SFA-owned vans to deliver food every day, two times per day, to all schools.
