Budget Transfer #2025-7

Finance and Operations

Budget Transfer Request

FY2025

2025-7

Background and Purpose: Board of Education Policy 3110 allows for budget administrators to request transfers between accounts throughout the year, as long as funds are transferred WITHIN the same **broad** budgetary category: Salaries, Employee Benefits, Purchased Services, Tuition-Public In-State, Tuition-All Other, Supplies, Property, Utilities, Grounds Maintenance, Other. Transfer of funds BETWEEN these categories requires BOE approval and is outside the scope of this form. This form enables budget administrators to transfer funds within a category for accounts under their control, as long as an acceptable rationale for the transfer is provided. This completed form must be sent via e-mail from a member of the Administrative Team to the Finance Department. Upon approval, Finance will make the transfer and inform the requestor of completion. Please fill in the fields shaded in green.

Requested By (Must be a member of the Administrative Team):

Donna Hayward

Date Submitted:
