Lisa Sequeira,

Jess and I understand that your Unified Sports programming continues to do well at Tahanto. Please accept this gift to help in appreciation of Tahanto Middle and High Schools' efforts to enrich the lives of children with disabilities.

The Mark Fidrych Foundation is a 501 (c) 3 public charity. Our mission is to enhance the lives of children and adults with disabilities and/or special needs through and with a focus on sports and sports education. Each year we raise funds and target local agencies that make a difference in the lives of area children and their families. Please direct these funds toward coaching for the Unified Sports Strength and Training program.

Thank you for making a difference in our community.

Warm regards,

Ann and Jessica Fidrych
