Hi All,
I wanted to express my disappointment in learning that Principal Sykes plans to leave Boylston Elementary School at the end of this school year. I know her decision may have been very personal but I would urge the school committee, if they have any sway at all, to urge Cindy to stay in Boylston. Since she entered the school I have seen a great positive change in the school community. Cindy has found ways to carry on old traditions and make them better while bringing forward new and creative solutions with a focus on academic excellence. She is everything an elementary school could ask for and it will be a very difficult task to find someone who will compare to what she has given our community, and I know that from experience. Since my daughter started at BES in Kindergarten there have been three principals. I know that kind of tumult is not good for the students or the parents but I can only imagine the stress it puts on the staff.

I hope the administration and the school committee does all they can to keep Cindy in Boylston and give our community the consistency and continuation of great leadership that it needs.

Thank you for your concern. I believe I can speak for the committee that we are also emotional how Mrs. Sykes is leaving, but respect her decision as it seems to be based on personal reasons for her. This is a personnel matter so we won't be able to comment much more on that.

The school committee chair did try as you ask, Mrs. Sykes has made her decision and we respect that.
