Hi Beth,

I'm so sorry. Out of habit, I sent an email to Julie Lee on April 2nd with the amount for the grants. I apologize for the error.

The amount available for 2025 grants from the Moses Reed Tyler Trust is **$20,971.61**. As you know, this amount is based on a total return calculation of 4.5% of the average market value of the trust over the last twelve calendar quarters. The average value over this time period was $466,035.76. This figure, multiplied by 4.5%, equals $20,971.61.

Once the committee has decided on the scholarship recipients, please send me a list of the students, their addresses, their chosen college/university, address of the institution where checks should be sent, and the grant amount awarded to each student. As in the past, I will draw checks from the trust account, notify the award recipients and mail checks directly to the school with a letter confirming the payment and award recipient.

Please be sure to let me know if there are new/additional folks to be included on my email distribution list.

Thank you,
