Memorandum

To: BBRSD School Committee
From: Joseph Sposato, Interim Director of Technology
Date: May 13, 2025
Re: Report to School Committee

Technology Update:

Summer projects are being planned out
- Firewall Upgrades
- New devices to ordered, inventoried and put in service
- Grades to Access Points and switches throughout the district (32 APs, 8 Switches)
- Improvement on the the content filter at 3 school buildings

Follow-up on screen time questions from School Committee

Safety, security and protocols and procedures plans for the future
- How can we take more ownership?
- Extension of safety on school devices
- Hapara (Go Guardian) Cost
- What do we already have
