

Buffalo March 9th 1864

President Lincoln

Please accept this
"Affair" from your little friends,
who desire to express their regard
for you in these terrible days of
war. The Affair was exhibited at
the "Central Fair" recently held here,
and now we are very happy in send-
ing it to our Dear President

Please remember that you have
little friends in Buffalo who pray
for you, that you may be cheerful,
strong and wise

With much love

Clara Julia Brown
