

Monument Assignment:

Task Sheet

You must use your knowledge of slavery to create an appropriate monument to remember the enslaved.

Step 1: Design your monument

- Use this stage to think about how the monument can appropriately remember the slaves
- You must plan your monument by creating a drawing of how you would like it to look
- Refer back to the success criteria for monuments which you created

Step 2: Make your monument

- You can make your monument out of any household items
- Your monument can be any size
- Complete the write-up form explaining how you created your monument. Remember to explain which documents you used to help you.

Step 3: Evaluate your monument

- Complete the evaluation form. Make sure you are honest!
- Refer back to your monument success criteria to help you evaluate your success
