Lisa Sequeira,

Jess and I understand that your Unified Sports programming is going well at Tahanto and expanding to include Bocce. Please accept this gift to help celebrate your success and with continued appreciation of Tahanto Middle and High Schools' efforts to enrich the lives of children with disabilities. \

The Mark Fidrych Foundation is a 501 (c) 3 public charity. Our mission is to enhance the lives of children and adults with disabilities and/or special needs through and with a focus on sports and sports education. Each year we raise funds and target local agencies that make a difference in the lives of area children and their families. Please direct these funds toward the Unified Sports Bocce programs.

Thank you for making a difference in our community.

Warm regards,

Ann and Jessica Fidrych
