Our belief is that the medical coverage in the Nature's Classroom contract is providing students with excellent care. Parents give permission to our staff to administer medical care, over-the-counter medications, and medications prescribed by their family physicians. Medications sent by parents will be made available to their children at the correct times and recorded in our logbooks. Nature's Classroom also works under our standing orders from our cooperating physicians. There are emergency medical centers and services in close proximity to our Nature's Classroom facility.

During the course of a day at Nature's Classroom, all adults on site (NC staff and school chaperones) will maintain supervision of the students. They will call the medical person on staff, should any medical issues arise. We will continue to offer employment to Registered Nurses, Emergency Medical Technicians, and individuals certified in Wilderness First Aid and CPR.

If you feel the need to specifically request additional services beyond what is provided in the contract (specifically, if you require the medical supervision of a Registered Nurse or of an EMT), the fee schedule is as follows:

- The cost for a 24-Hour RN request is $2,000.00 per week
- The cost for 24-Hour EMT request is $450.00 per week

The medical person cannot be assigned to a specific child or only to your school but will provide coverage for all students onsite that week. Medical staff cannot accompany field groups or classes.

If you have questions or concerns regarding this policy, please contact Phil Arnold at 800-433-8375.
