

Proposal to Modify Grading Scale

It is my recommendation to add a D- grade to the grading scale at Elida High School.

Current Grading Scale

A+	100 - 97	C+	79 - 77
A	96 - 93	C	76 - 73
A-	92 - 90	C-	72 - 70
B+	89 - 87	D+	69 - 67
B	86 - 83	D	66 - 63
B-	82 - 80	F+	62 - 50
		F	49 - 0

NEW Grading Scale

A+	100 - 97	C+	79 - 77
A	96 - 93	C	76 - 73
A-	92 - 90	C-	72 - 70
B+	89 - 87	D+	69 - 67
B	86 - 83	D	66 - 63
B-	82 - 80	D-	62 - 60
		F	59 - 0

Rationale

1. Similar to Other Districts

A passing score of 60% is aligned to the practice of many other local schools, including Apollo Career Center. Currently an Elida student at Apollo that earns a 60% would earn credit for the course, while a student at Elida High School would not.

2. Consistent Range of Letter Grades

As you observe the current grading scale, you will notice that all other letter grades are divided according to the same pattern within a 10% increment.

3. Analysis of Final Grades (2024-2025)

In the 2024-2025 school year, there were 33 final grades between 60-62%. This represents 28 students that either needed summer school or will be retaking a course that many other schools would have issued credit towards graduation requirements for the same percentage grade.
