The strategies will (mark all that apply)

- ☐ Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

- ☒ Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

The Academic Instructional Coach provides supports and coaching to teachers in the following areas:

Reading/ELA:

To strengthen reading instruction, Long International Middle School will implement the SLPS Instructional Vision for Academic Excellence using myPerspectives (grades 6-8) in alignment with the district's instructional framework. Teachers will utilize the Gradual Release of Responsibility Model with a focus on academic conversations and student engagement with complex texts and tasks.

ELA instruction will be guided by the ELA Instructional Design Framework and the Lesson Plan Internalization Protocol, ensuring standards alignment and text complexity. Professional Learning Communities (PLCs) will use the ELA Collaborative Lesson Planning Protocol to plan and refine instruction collaboratively.

Direct and explicit instruction in the Five Pillars of Literacy-including phonemic awareness, phonics, fluency, vocabulary, and comprehension-will be supported by the 95% Group resources for Tier 2 intervention. Instructional Leadership Teams (ILTs) will facilitate data-driven planning meetings to analyze student progress and ensure instructional rigor. Structured classroom dialogue and discussion will be embedded in instruction through academic discourse protocols and aligned to the SLPS Writing Framework to strengthen literacy outcomes across content areas.

Mathematics:

In mathematics, Long will implement the SLPS Instructional Vision for Academic Excellence using Savvas enVision Math for grades 6-8. The Gradual Release Model will guide lesson delivery, with intentional opportunities for students to engage in structured dialogue and academic discussions about complex math concepts.

Teachers will plan lessons using the Math Instructional Design Framework and the Math Lesson Plan Internalization Protocol to ensure coherence, conceptual understanding, and alignment to Missouri Learning Standards. Freckle will be used to provide individualized practice for students and support Tier 2 and Tier 3 math intervention through adaptive, data-driven tasks.

A dedicated Math Intervention class will provide targeted instruction for students who are significantly below grade level, with small-group instruction informed by ongoing formative assessments and benchmark data. Instructional teams will use PLC structures to review progress, reteach content, and adjust strategies to support student learning and achievement.

The Family Support Specialist assists parents to support their child with their attendance and academic goals.

☐ Increase the amount of learning time

☐ Extended school year

☐ Before-and/or after-school programs

☐ Summer program

☐ Other

☐ Help provide an enriched and accelerated curriculum

Description of how strategy will provide

Activities that address the needs of those at risk of not meeting the Missouri Learning Standards will include (mark all that apply)

☐ Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the Missouri Learning Standards

Description of how strategy/strategies will address

Activities will (mark all that apply)
