

Washoe County School District

Earl Wooster High School

2025-2026 School Improvement Plan

Classification: 2 Star School

Mission Statement

Our Mission - We develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. Our students are active, compassionate, life-long learners who understand that other people, with their differences, can also be right. (Adopted from the International Baccalaureate Mission Statement).

Vision

Our Vision - To change societal beliefs on what is possible in every single child. To help our children build a better tomorrow for themselves and for generations to come.

Demographics & Performance Information

Nevada Report Card

In compliance with federal and state law, Nevada's K-12 Accountability Portal provides detailed information about each school's student and staff demographics and school performance rating, a star-rating system based on the Nevada School Performance Framework (NSPF). You can find our School Rating Report at: https://nevadareportcard.nv.gov/DI/nv/washoe/earl_wooster_high_school/2025

Comprehensive Needs Assessment

Student Success

Student Success Areas of Strength

- 56% Algebra 1 credit attainment for school – up from 50% in 2021
- 53% Geometry credit attainment for school – up from 52% in 2021
- 51% Core credit attainment for grade 9 – up from 44% in 2021 (51% in 2023)
- 53% Core credit attainment for grade 10 – up from 52% in 2021 (50% in 2023)
- 64% Core credit attainment for grade 11 – up from 51% in 2021 (57% in 2023)
- 52% Core credit attainment for grade 11 – up from 47% in 2021 (43% in 2023)
- ACT 15.6 composite score average – 3 year high
- As of June 2025, grade 10 combined core credit attainment has improved to 49% (up from 46% the previous school year)

Student Success Areas for Growth

- 66% Biology credit attainment for school - down from 69% in 2024
- 58% credit attainment for English 1 for school – down from 67% in 2021
- Increase Core Credit attainment for all grade levels and all populations
- Improve student performance on ACT
- Increase Graduate AP or IB credit
- Core credit attainment for grade 10 combined – 47%, 42%, 45%, 46%, and 49% (change over 5 years)
- Freshman earning 5 or more credits by the end of the school year went down from- 69%, 75%, 78%, 77%, 79% (change over 5 years)

Student Success Equity Resource Supports

Student Group	Challenge	Solution
English Learners	Language Barrier for access to Tier 1 instruction	Bilingual classes, translation devices, co-taught classes, language acquisition support strategies (world wall, bridging activities, ELLevation strategies), Mainstream Support Classes

Student Group	Challenge	Solution
Foster/Homeless	Attendance / Transiency	Social Worker, MTSS Teams, Home Visits, Truancy/ Reengagement Team
Free and Reduced Lunch	Attendance / Transiency	Social Worker, MTSS Teams, Home Visits, Truancy/ Reengagement Team
Migrant/Title1-C Eligible	N/A	
Racial/Ethnic Minorities	N/A	
Students with IEPs	Need for specific supports to access Tier 1 instruction	Individualized Education Plans, co-taught classes, SSTs (directed Studies Classes)

Problem Statements Identifying Student Success Needs

Problem Statement 1 (Prioritized): Attainment in all areas is still below district average. End of year 2024 data shows 51% of students completed at least one credit in Math, English and Science by the end of 9th grade in school year 2023-2024, and 46% of students completed at least one credit in Math, English, Science, and Social Studies by the end of 10th grade in school year 2023-2024. This improved to 55% and 49% respectively as of June 2025, but improvement is still needed in this area.

Critical Root Cause: Loss of instruction (seat time) in the classroom due to COVID has continued to result in learning gaps and increased failure rates. This results in less students entering grade 11 on track to graduate than pre-COVID. Additionally, many students who need interventions do not attend after school opportunities.

Adult Learning Culture

Adult Learning Culture Areas of Strength

Weekly MTSS Meeting

Scheduled PLC Meeting times

Tier 1 strategies in all courses

Pacing Guides

Tier 2 Supplemental programs

Adult Learning Culture Areas for Growth

School Goal: All teachers 100% will work within professional learning communities centered around adult learning and continuous growth as an educator. Teachers will commit to writing clear learning intentions and student success criteria, contribute to identifying essential standards, planning/pacing/course guide, creation of common assessments with scoring rubrics, data analysis and sharing of various teaching strategies, and the implementation of multi-tiered systems of support.

Formative Measures:

- PLCs working together to identify the following:
 1. What do we want students to learn? Learning Intentions.
 2. How will we know if each student has learned it? Success Criteria.
 3. How will we respond when some students do not learn it?
 4. How will we extend/enrich the learning for students who demonstrate proficiency?
- Rigorous bell to bell instructional activities (Observations)
- Logs of at-risk students referred to after school tutoring (parent communication/attendance form)
- Schoolwide gradebook alignment (Infinite Campus)
- Tier 1 instructional supports offered daily (data collected via walk through forms)
- Use common assessment data to drive instruction (evidence via PLC work)
- Provide professional development opportunities (as dictated by school data)

Adult Learning Culture Equity Resource Supports

Student Group	Challenge	Solution
English Learners	Language barrier when delivering Tier 1 Instruction	ELF: ELLevation strategies.
Foster/Homeless	Connection with families	Seminar Outreach, Social Worker, FGA
Free and Reduced Lunch	Connection with families	Seminar Outreach, Social Worker, FGA
Migrant/Title1-C Eligible	N/A	
Racial/Ethnic Minorities	N/A	
Students with IEPs	Connection with families	Seminar Outreach, Case Manager, IEP Meetings

Problem Statements Identifying Adult Learning Culture Needs

Problem Statement 1 (Prioritized): Investigate instructional strategies, interventions/supports systems, equitable grading practices, and data analysis in order to improve overall instruction, reduce failure rates, increase credit attainment, and promote student success.

Critical Root Cause: Time continues to impede PLC structures and priorities, which leads to lost time to address our four critical questions: 1. What do we want students to learn? (Clear Learning Intentions) 2. How will we know if each student has learned it? (Success Criteria) 3. How will we respond when some students do not learn it? 4. How will we extend/enrich the learning for students who demonstrate proficiency?

Connectedness

Connectedness Areas of Strength

From sy 24 data:

- Of parents who responded to climate survey, 87% have a favorable view of relationships between families and staff, with 88% believing staff really care about their child, and 88% believing their student is treated fairly by all.
- We saw a 1% decrease on chronic absenteeism

We saw a 5% decrease on chronic absenteeism for grade 9

As of June 2025:

- Combined chronic and severely chronic absenteeism is continuing to trend down (52%, down from 55% from sy 24)

Connectedness Areas for Growth

Post Covid, chronic absenteeism has continued to rise at our school, especially in grades 11 and 12. For us to better gauge what our families know about Wooster, and how we can do a better job in supporting their students, we need to continue to engage more families. The following will be our focus points:

- Increase family participation on climate survey and school events
- Overall chronic absenteeism of 52% is still significantly below district average
- Teachers identify attendance as the most significant behavior problem for our school community

Connectedness Equity Resource Supports

Student Group	Challenge	Solution
English Learners	Parent Engagement/Access to Family resources	School Communications provided in English/Spanish, translation services for parent events., Bilingual office staff.
Foster/Homeless	Access to guardians	FGA, Social Worker, and Truancy Officer outreach/support.
Free and Reduced Lunch	Parent Involvement on Family Events	Provide evening community events to accommodate work hours, FGA/Social Worker outreach/support.

Student Group	Challenge	Solution
Migrant/Title1-C Eligible	N/A	
Racial/Ethnic Minorities	N/A	
Students with IEPs	N/A	

Problem Statements Identifying Connectedness Needs

Problem Statement 1 (Prioritized): Post COVID, chronic absenteeism has continued to rise at our school, especially in grades 11 and 12. For us to better gauge what our families know about Wooster, and how we can do a better job in supporting their students, we need to continue to engage more families.

Critical Root Cause: Factors that contribute to chronic absenteeism and low family engagement include: * Low SES community * Transiency * Students w/jobs who help support families * Parents not knowing the data for their children and not understanding attendance policy * High % of off track or at-risk students leads to lack of self-efficacy * Lack of systems for targeting teacher and family connection

Priority Problem Statements

Problem Statement 1: Attainment in all areas is still below district average. End of year 2024 data shows 51% of students completed at least one credit in Math, English and Science by the end of 9th grade in school year 2023-2024, and 46% of students completed at least one credit in Math, English, Science, and Social Studies by the end of 10th grade in school year 2023-2024. This improved to 55% and 49% respectively as of June 2025, but improvement is still needed in this area.

Critical Root Cause 1: Loss of instruction (seat time) in the classroom due to COVID has continued to result in learning gaps and increased failure rates. This results in less students entering grade 11 on track to graduate than pre-COVID. Additionally, many students who need interventions do not attend after school opportunities.

Problem Statement 1 Areas: Student Success

Problem Statement 2: Investigate instructional strategies, interventions/supports systems, equitable grading practices, and data analysis in order to improve overall instruction, reduce failure rates, increase credit attainment, and promote student success.

Critical Root Cause 2: Time continues to impede PLC structures and priorities, which leads to lost time to address our four critical questions: 1. What do we want students to learn? (Clear Learning Intentions) 2. How will we know if each student has learned it? (Success Criteria) 3. How will we respond when some students do not learn it? 4. How will we extend/enrich the learning for students who demonstrate proficiency?

Problem Statement 2 Areas: Adult Learning Culture

Problem Statement 3: Post COVID, chronic absenteeism has continued to rise at our school, especially in grades 11 and 12. For us to better gauge what our families know about Wooster, and how we can do a better job in supporting their students, we need to continue to engage more families.

Critical Root Cause 3: Factors that contribute to chronic absenteeism and low family engagement include: * Low SES community * Transiency * Students w/jobs who help support families * Parents not knowing the data for their children and not understanding attendance policy * High % of off track or at-risk students leads to lack of self-efficacy * Lack of systems for targeting teacher and family connection

Problem Statement 3 Areas: Connectedness

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Student Success

- Accelerated/Advanced Coursework Enrollment
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- AP Completion
- ASVAB
- College and career readiness data
- Course Offerings
- Credit Sufficiency/Deficiency/Retrieval data
- CTE
- Grades
- Graduation rates/GED/HiSET data
- Local benchmark, common assessments, diagnostic assessments, or interim assessments data
- Multi-Tiered System of Supports (MTSS)
- Nevada Alternate Assessment (NAA)
- Nevada State Performance Framework (NSPF)
- Student Climate Survey, Student Voice
- Student failure and/or retention rates
- Tier I Instructional Materials Assessments
- WIDA ACCESS for ELLs
- WIDA Screener

Adult Learning Culture

- Administrator evaluation
- Budgets/entitlements and expenditures data
- Evaluation(s) of professional development implementation and impact
- Lesson Plans
- Master schedule
- Processes and procedures for teaching and learning, including program implementation
- Professional Development Agendas
- Professional development needs assessment data
- Professional learning communities (PLC) data/agenda/notes
- School department and/or faculty meeting discussions and data
- School leadership data
- Staff surveys and/or other feedback
- Student Climate Survey
- Teacher evaluation
- Teacher retention
- Teacher/Student Ratio
- Walk-through data

Connectedness

- Annual dropout rate data
- Attendance
- Behavior
- Community surveys and/or other feedback
- Completion rates and/or graduation rates data
- Demographic data
- Enrollment
- Home Visits
- PBIS/MTSS data
- Tobacco, alcohol, and other drug-use data
- Violence and/or violence prevention records
- Volunteer opportunities, attendance, and participation

Inquiry Areas

Inquiry Area 1: Student Success

SMART Goal 1: Increase overall academic achievement success rates by increasing the percentage of 9th and 10th grade students earning core credit to ensure more students enter junior year on track to graduate. At the end of the 25-26 school year, 52% of the sophomore class of 2028 will have earned all core credits from grade 9 and 10 (defined as math, English, science, and social studies).

Aligns with District Goal
