8.01/Updates

Executive Director's Report

Dr. Goodney and Mr. Trego highlighted the upcoming meetings the Board will need to hold to fulfill statutory requirements for employees that are retiring and then will be rehired.

Dr. Goodney pointed out the increase in substitute rates on the agenda. Mr. Brownson asked what the typical pay range is for substitutes. Dr. Goodney and Mr. Trego responded that it ranges from \$83 to \$105 daily. Dr. Goodney noted that the amount of hours a sub works per day also varies by district.

Dr. Goodney informed the board that a substitute employee had passed away over the weekend and that this would be communicated to staff.

Mr. Brownson asked for clarification on the Ohio Coalition for the Education of Students with Disabilities. Dr. Goodney gave an overview of the agency and its work.

Treasurer's Report

Mr. Hutchinson noted that the January, 2015 financial report listed a \$1.50 negative balance in the Center for Achievement Fund that had not yet been billed. Mr. Hutchinson also noted that in the Grants and Granting Agencies funding line there was a special pay that has not been reimbursed. There are still active programs running through the Ed Council fund, but \$637,518.51 of their \$1,229,318.11 cash balance is in an investment account.

Mr. Brownson asked if the COG had a threshold for an appropriate reserve balance in the general fund. Mr. Hutchinson responded that an exact amount was still undetermined given the nature of the COG, but potentially a few months' worth of operating funds would be a good target.

Mr. Hutchinson also pointed out that the fund list for the COG would likely grow with potential new clients. One of which may be the Ohio ESC Association (OESCA). It is considering using the COG as its fiscal agent and may potentially relocate due to the need for available conference facilities.

Discussion:

At Mr. Brownson's request, Dr. Goodney gave a brief summary of recently proposed budget legislation pertaining to ESCs. This included the opportunity for districts designated as high achieving to opt out of their alignment with an ESC. Dr. Goodney also reviewed the proposed statewide ESC budget allocation over the biennium and how it would impact the ESC and the COG.
