Subject: Application for Open Seat on the Berlin-Boylston School Committee

Dear Members of the School Committee,

I am writing to express my interest in the open seat on the Berlin-Boylston School Committee. I am eager to continue serving our school community in a meaningful way and to contribute my time, experience, and dedication to supporting the students, families, and educators of the district.

For the past seven years, I have served as Co-Chair of the Boylston Elementary PTO. In this role, I have worked closely with school administrators, teachers, and families to support educational initiatives, strengthen communication between stakeholders, and help foster a positive school culture. This experience has provided me with a strong understanding of the needs and priorities of our schools, as well as the importance of collaboration, transparency, and thoughtful decision-making.

Through my PTO leadership, I have gained valuable insight into budgeting, program planning, engagement, and advocacy for students and staff. I am passionate about public education and committed to ensuring that our district continues to provide a high-quality, inclusive, and supportive learning environment for all students.

I would be honored to bring my experience, perspective, and commitment to service to the School Committee. Thank you for your time and consideration. I have enclosed my resume for your review and would welcome the opportunity to discuss my interest further.

Sincerely,
Jackelyn Hoffses
