Hi Lynn,

I am not sure what this is for- 2020/2021- I do not recall this company.

However- its made out to the school- I will not be able to cash this.

I think you may have to put this before SC to be accepted as a donation and then keep it at BES- maybe put it towards Natures Classroom buses ;)

I will defer that decision to you and Mr. P but the BEC won't be able to accept this check.

Hi, I got this check in the mail today. I checked with Mrs. Hatem and she thinks it's for BEC. Let me know if this looks familiar to you.
