Re: Adult Meal Prices

Due to continued increases in food and supply costs, we are proposing an adjustment to the price of adult meals provided through our food services program for FY27. We are proposing an increase from $5.25 per meal to $6.00 per meal, or an increase of 14.3%. While this may seem a large increase on a percentage basis, the district has not raised adult meal prices in more than 3 years and this is substantially below our input cost increases in that time period.

This price still presents a tremendous value and convenience to our adult customers who also have a wider range of other options available to them.

Recommendations:
That the Berlin-Boylston Regional School Committee vote to adjust the district's adult meal price from $5.25 to $6.00 per meal, effective July 1, 2026.
