21	Students will be given a five-minute, whole-class, restroom break in the middle of each class period, in addition to passing period opportunities. It is expected that students make use of the restroom facilities during these times. In addition to the six-minute restroom break each class period, students will be allowed three additional passes per class per nine-week grading period. Unless there is a documented medical issue, students will be expected to take no more than six minutes to use the restroom and return to class. Any passes given beyond three will result in twenty minutes of detention/makeup time before or after school with their teacher. Students who are absent from class more than five minutes will be required to make up the additional time with their teacher. Students with documented medical issues will be exempted from these restrictions.	~~Students will be given a five-minute, whole-class, restroom break in the middle of each class period, in addition to passing period opportunities. 24	If a student accumulates fifty points in any one session he, or she, may be dismissed from Haysville High School. A dismissal would constitute a ten-day suspension and requirements to complete a minimum of ten hours of community service at an approved community service organization (or 20 hours of log time on Acellus with steps completed) and one PASS correspondence course, which costs $70.00, before the student would be eligible to return. A deadline would be set for completion of the community service/Acellus log time and academic requirement which would coincide with the culmination of the ten-day suspension. Failure to meet the requirements to return to school and/or failure to return to school would result in a Truancy Report, if the student is under 18 or listing the student as a high school dropout if the student is 18 or older. Students dismissed three times are not allowed to return to HHS but are referred back to their base school. The suspension from school may be shortened by the early completion of community service and academic requirements. 29	Cell Phones/Personal Devices: Cell phones/personal devices are not to be used during class time, assemblies, or detention. Students violating this policy will be required to turn in their cell phone to staff but will get it back at the end of the school day (after detention if required to serve detention that day). Repeated offenses will result in increasing consequences. Students using phones/devices to harass or bully other students will be disciplined accordingly (cyber bullying may result in a police report). Failure to surrender a cell phone/device will result in loss of all cell phone/device privileges, 25 points, 3-day suspension and a behavior contract. **Students must NEVER use their cell phones during crisis/emergency situations because of two dangers: the spread of panic in our community and the possible triggering of electrically detonated explosive devices.**	Cell Phones/Personal Devices: Cell phones/personal devices are not to be used during class time, assemblies, or detention.
