

# EDUCATIONAL VISIONING KEY TAKEAWAYS

# Session Overview

- Held on Monday, January 23 from 8am–2:30pm.
- 60+ attendees including district administration, teachers, students, city officials and Canfield community residents.
- Session focused on examining current facilities, developing a vision for the district and brainstorming master plans that address the aging facilities in the district.
- Activities centered around establishing "Guiding Principles" to inform the master planning process; brainstorming ways that the district and facility committee could most effectively reach the Canfield community during the planning process; and developing preferred master plan options for Canfield Local Schools.

# Guiding Principles

The basis of reasoning and action, your vision and expectations of the schools that help direct the goals and objectives in facility planning.

## OUR DISTRICT'S EDUCATIONAL ENVIRONMENT WILL:

- **Be Safe, Secure & Welcoming** – not only for the physical buildings but also for the health and wellbeing of all its users
- **Provide Flexibility, Adaptability & Collaboration** – in teaching, learning, technology and spaces to serve future educational needs and support the whole child
- **Create Spaces to Support a Variety of Learning Styles and Programming** – to maintain academic excellence, provide opportunities and inspire lifelong learning
- **Foster Community Engagement** – to provide accessibility and functional use spaces that can serve as a community hub
- **Be Fiscally Responsible** – to attract and retain families and be sustainable

# Connecting with the Community

How can we best connect with the Canfield community to inform and seek feedback?

- Provide transparency of the planning process and financial components of the project
- Educate when decisions are made
- Engage staff and alumni groups to get the word out
- Communicate how this project benefits all audiences including the senior population and residents without children in the district
- Ensure there is factual representation on Facebook
- Emphasize the tradition of the district
- Encourage everyone to be 'for the cause'
