Making Progress: A school identified as making progress is one that was previously in either School Improvement or Corrective Action but has made AYP for one year. If the school fulfills its AYP for a second year, it will exit the improvement system and will be counted among schools meeting AYP targets.

Note: Pgh CAPA High School and Rogers CAPA Middle School, which were separate schools in 2008-09, were combined into one school in 2009-10. Pgh Frick, which was a middle school in 2008-09, was reconfigured as Obama IB 6-12 in 2009-10. These schools each made AYP in 2008-09.
