The Plan to Redeem the Promise: Homewood Children' Village (HCV)

- Comprehensive Community Initiative
- Removing Academic and Non-Academic Barriers
- Revitalizing Community
- Strategy—Adapt Harlem Children's Zone Model

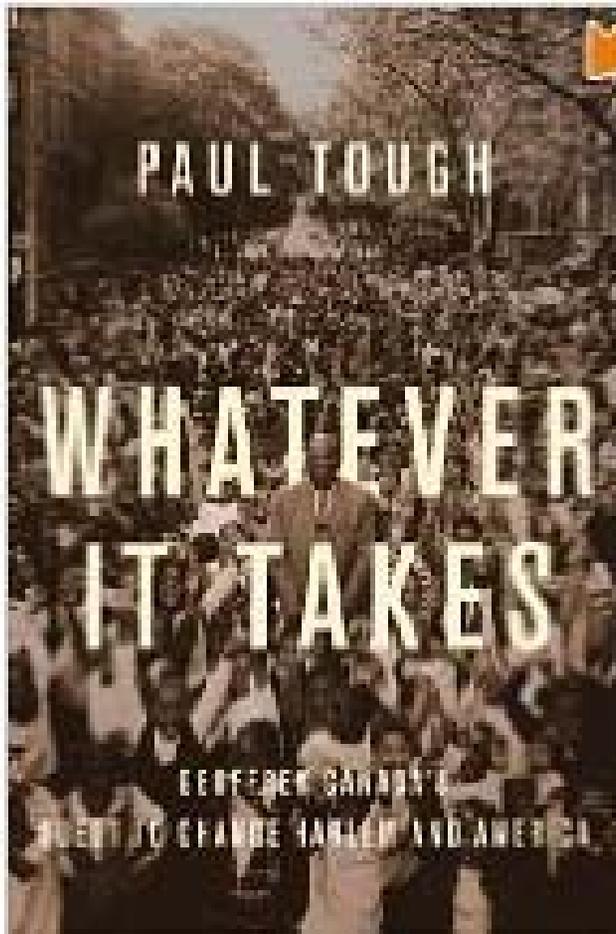

Harlem Children's Zone, Inc.

4 Pillars

- Community Building
- Evidence-Based Programs
- Scale
- Evaluation

The Plan: HCZ Results

- 10,000 kids, 97 Blocks
- 81% of Parent's more likely to read to their children
- 100% of preschoolers kindergarten ready
- 97% of 8th graders math proficient
- 100s of kids in college
- National chess champions

The Plan: Replicate the Harlem Children's Zone

"[I]nstead of helping some kids beat the odds, the Harlem Children's Zone is actually changing the odds altogether.

[T]he first part of my plan to combat urban poverty will be to replicate the Harlem Children's Zone in twenty cities across the country."
