

EDGENUITY

AT WEST CAMPUS

What is Edgenuity

Video Base Learning

Flexible Pacing

Integrated supports for
diverse learners

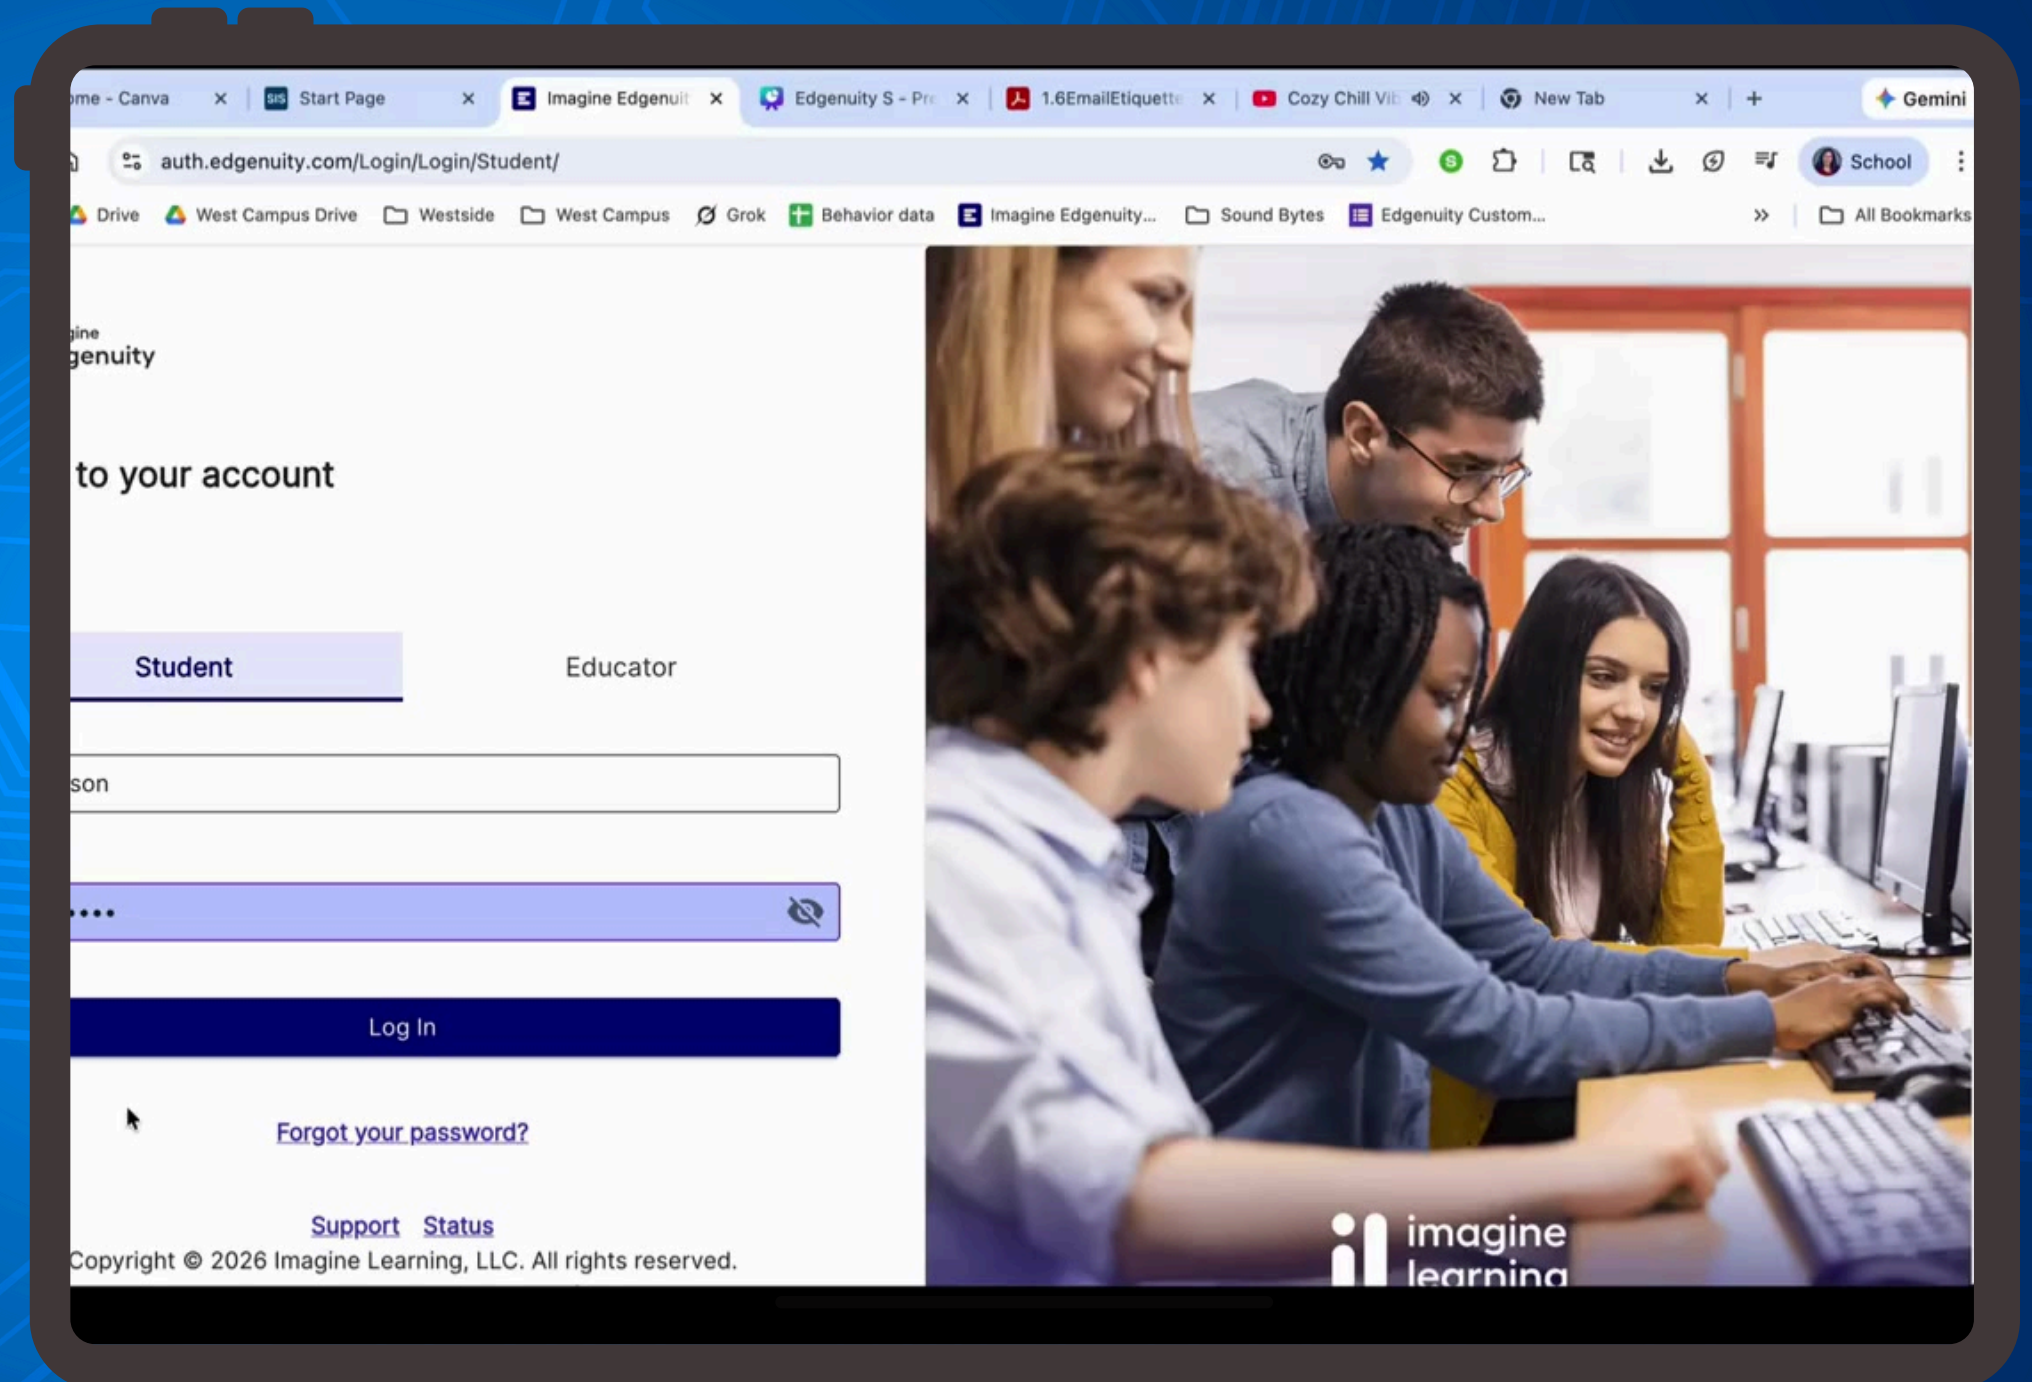

Interactive Activities

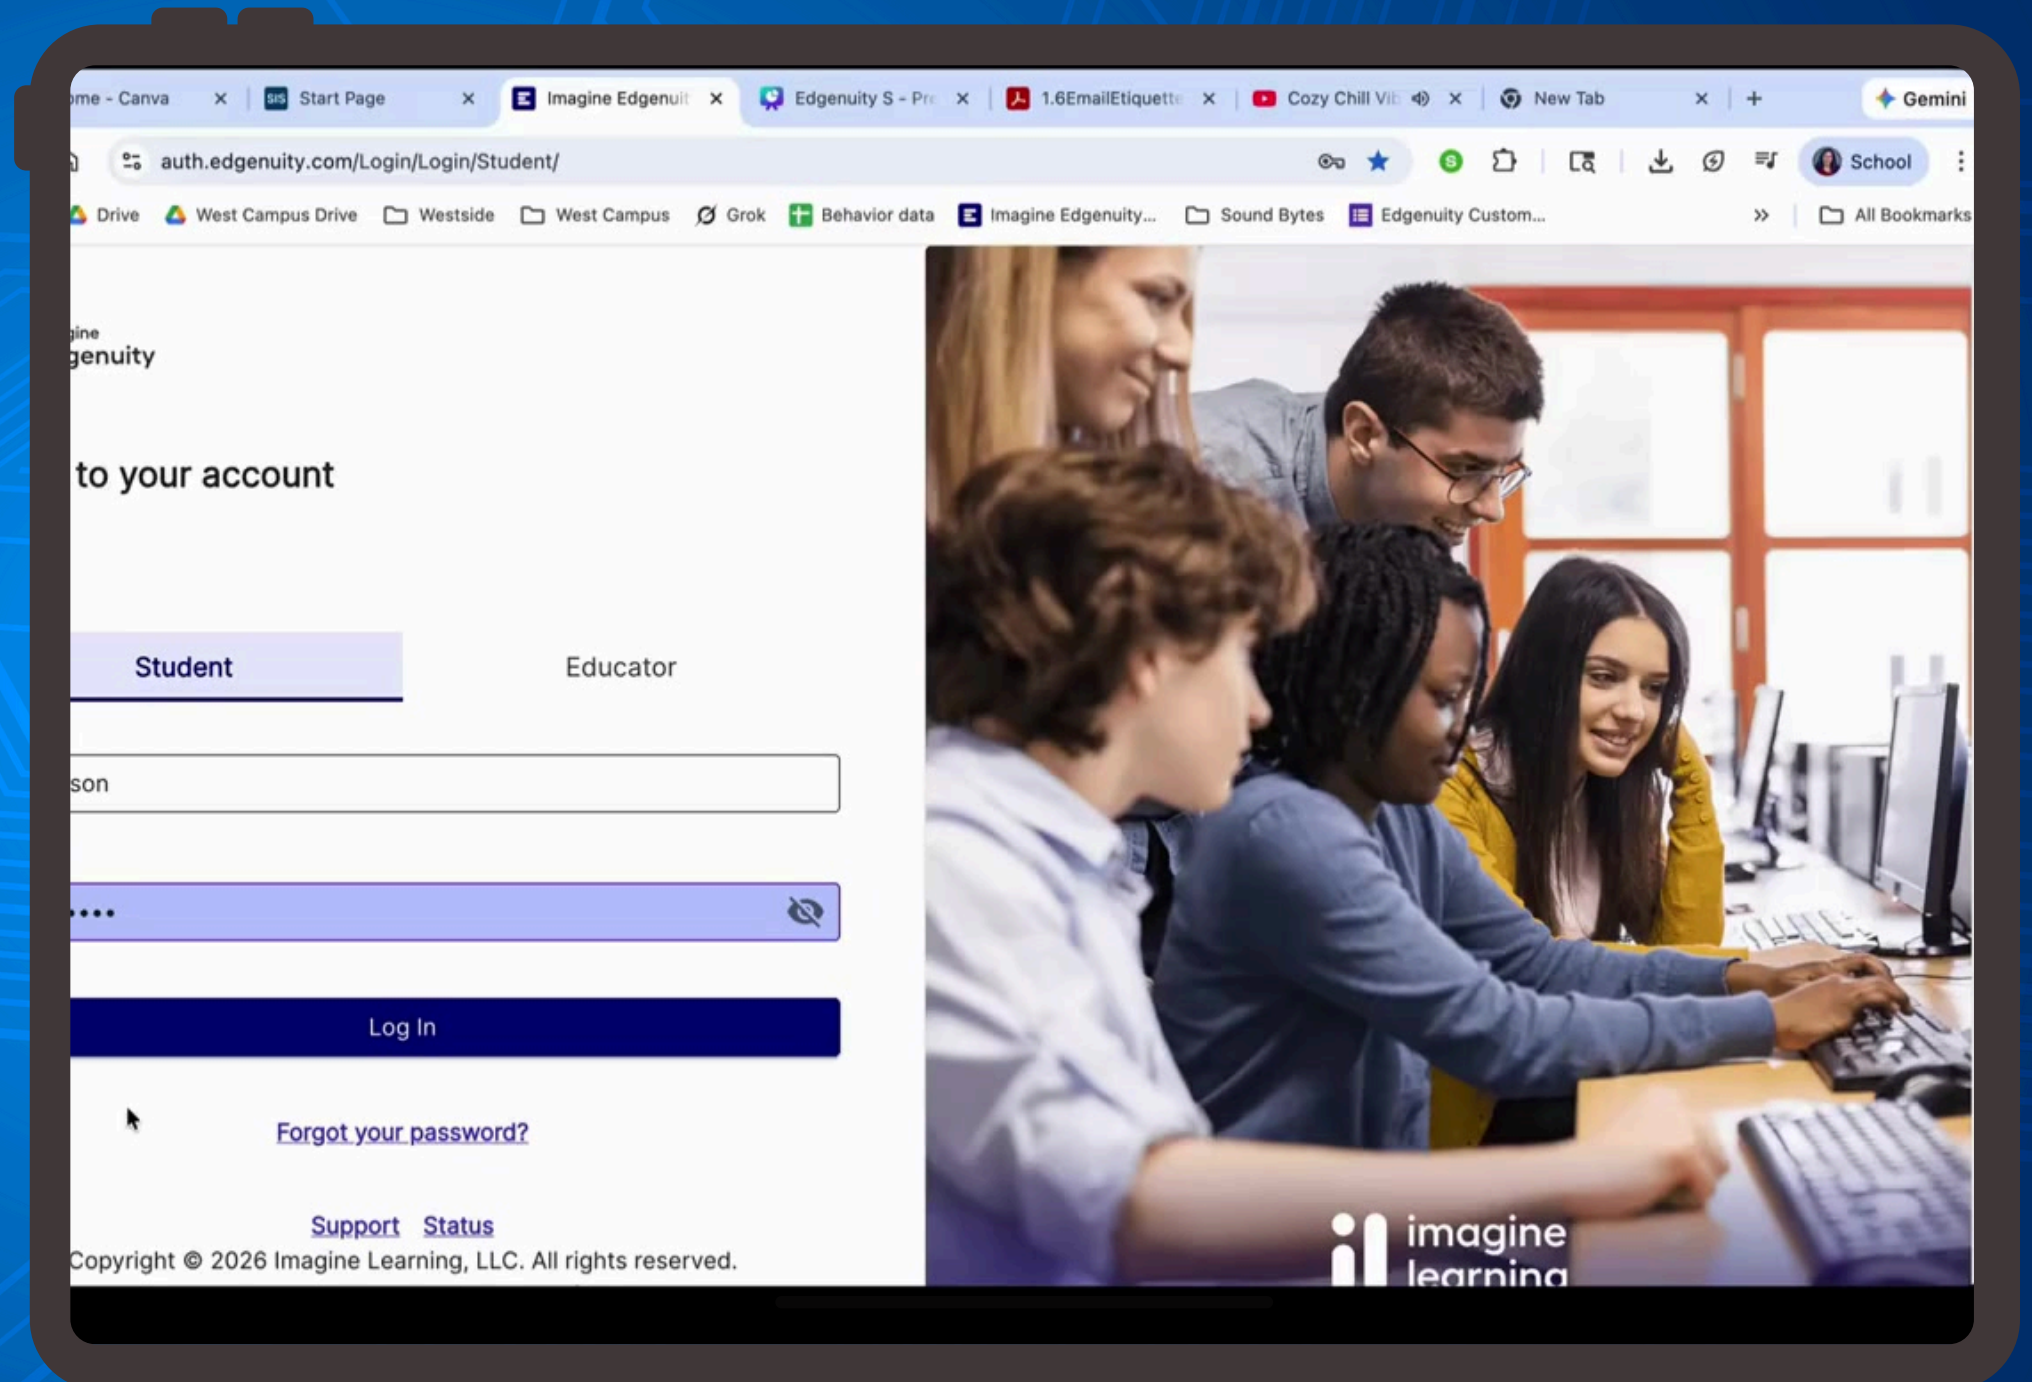

Imagine Edgenuity is a comprehensive online learning platform for grades 6–12, providing standards-aligned courses in core subjects, and electives. Students can utilize this platform to complete classes not provided in person or as a means for credit recovery.

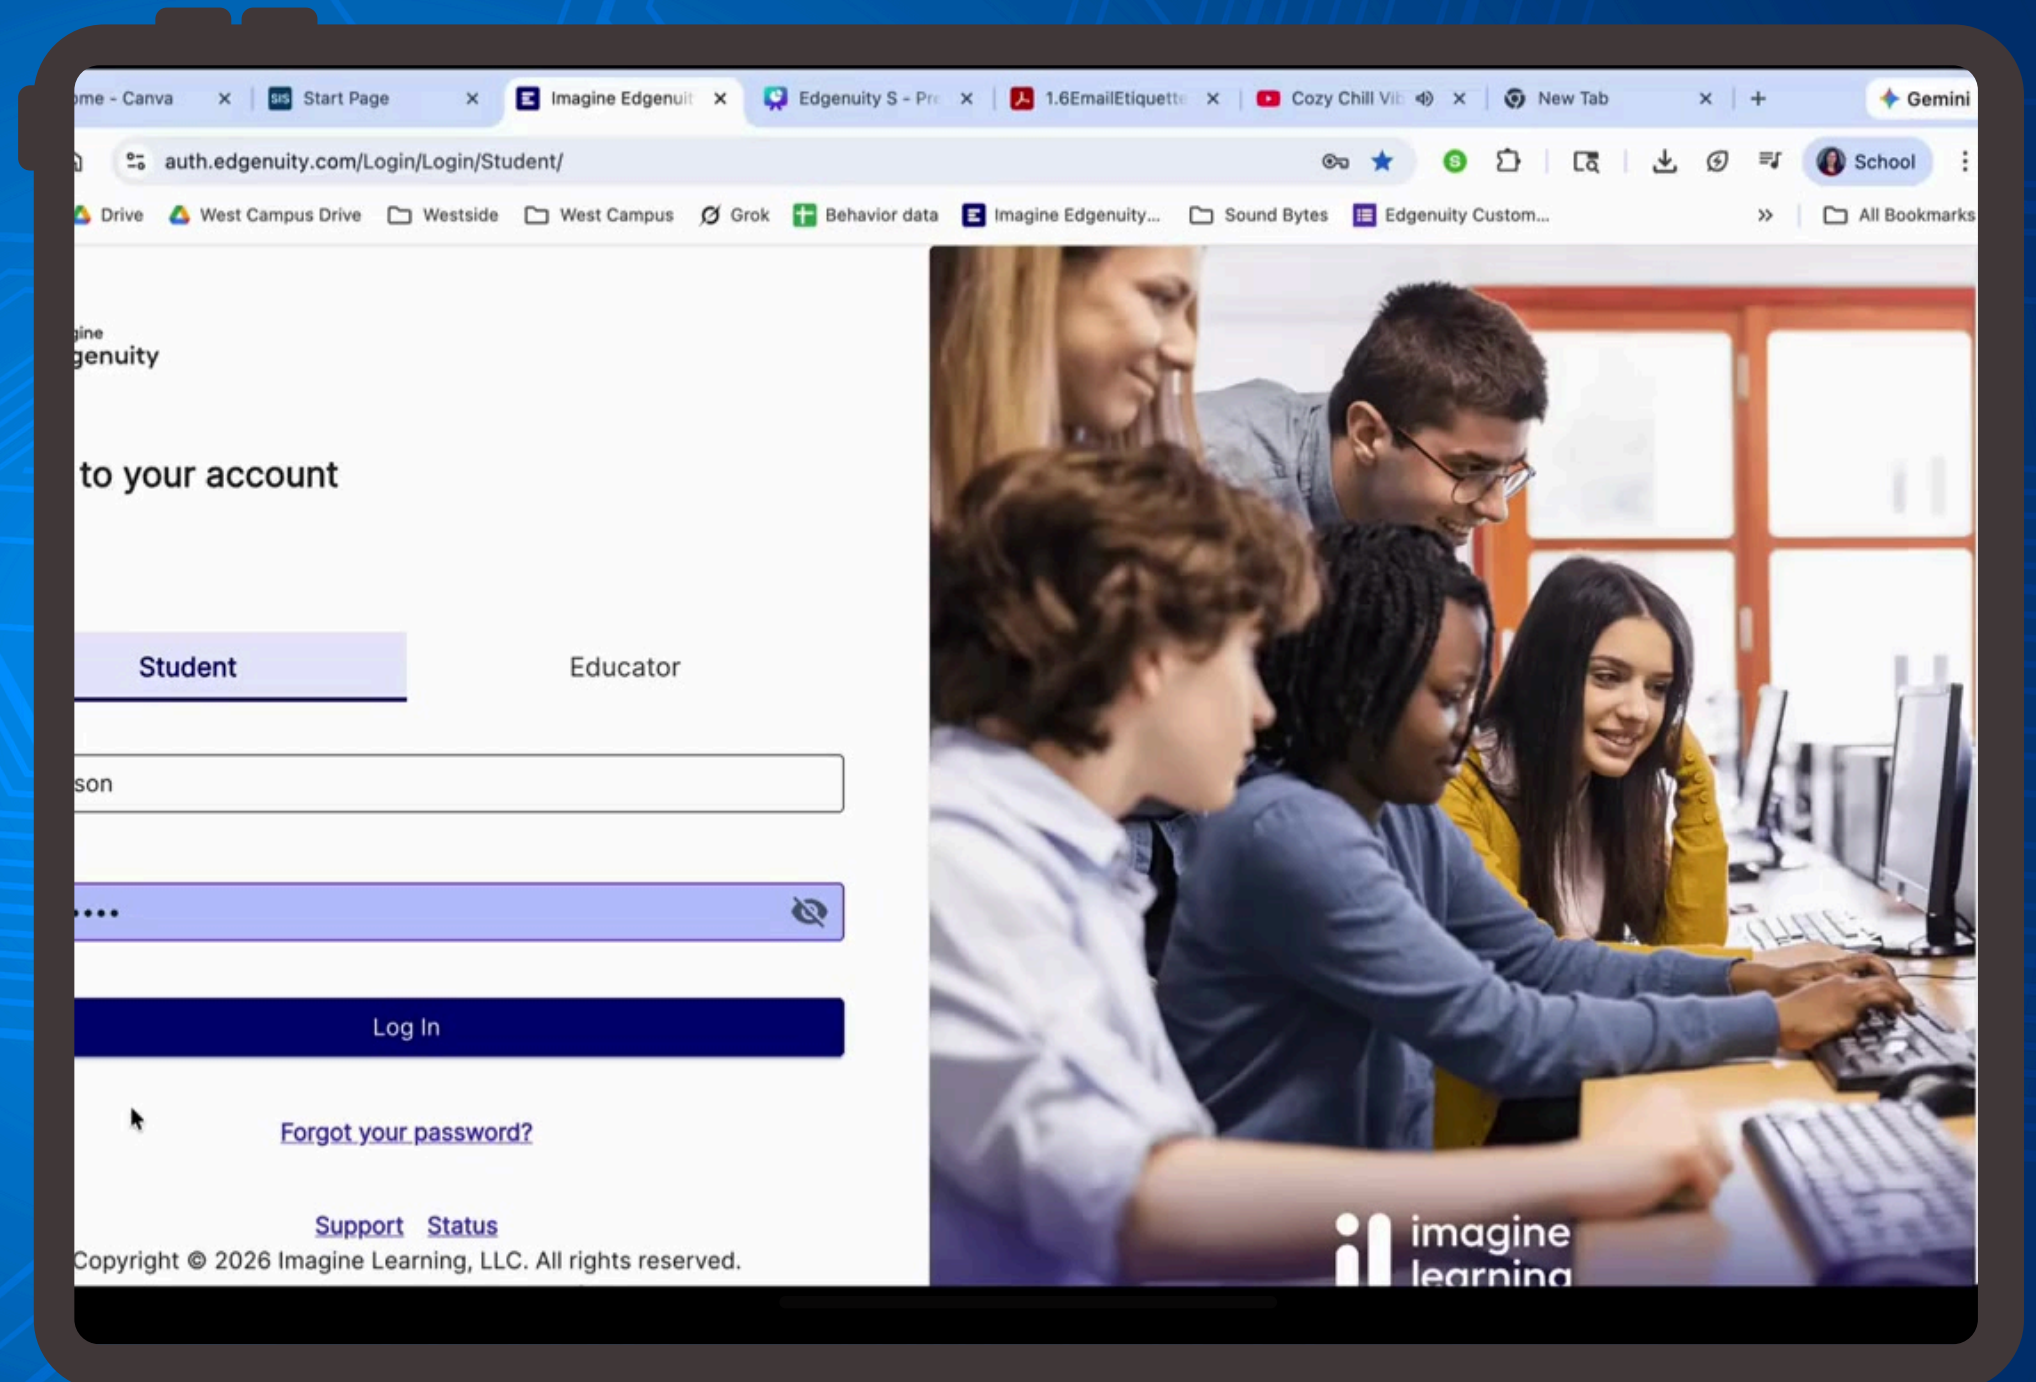

Students can log into
Edgenuity through their
iPad to access their online
classes

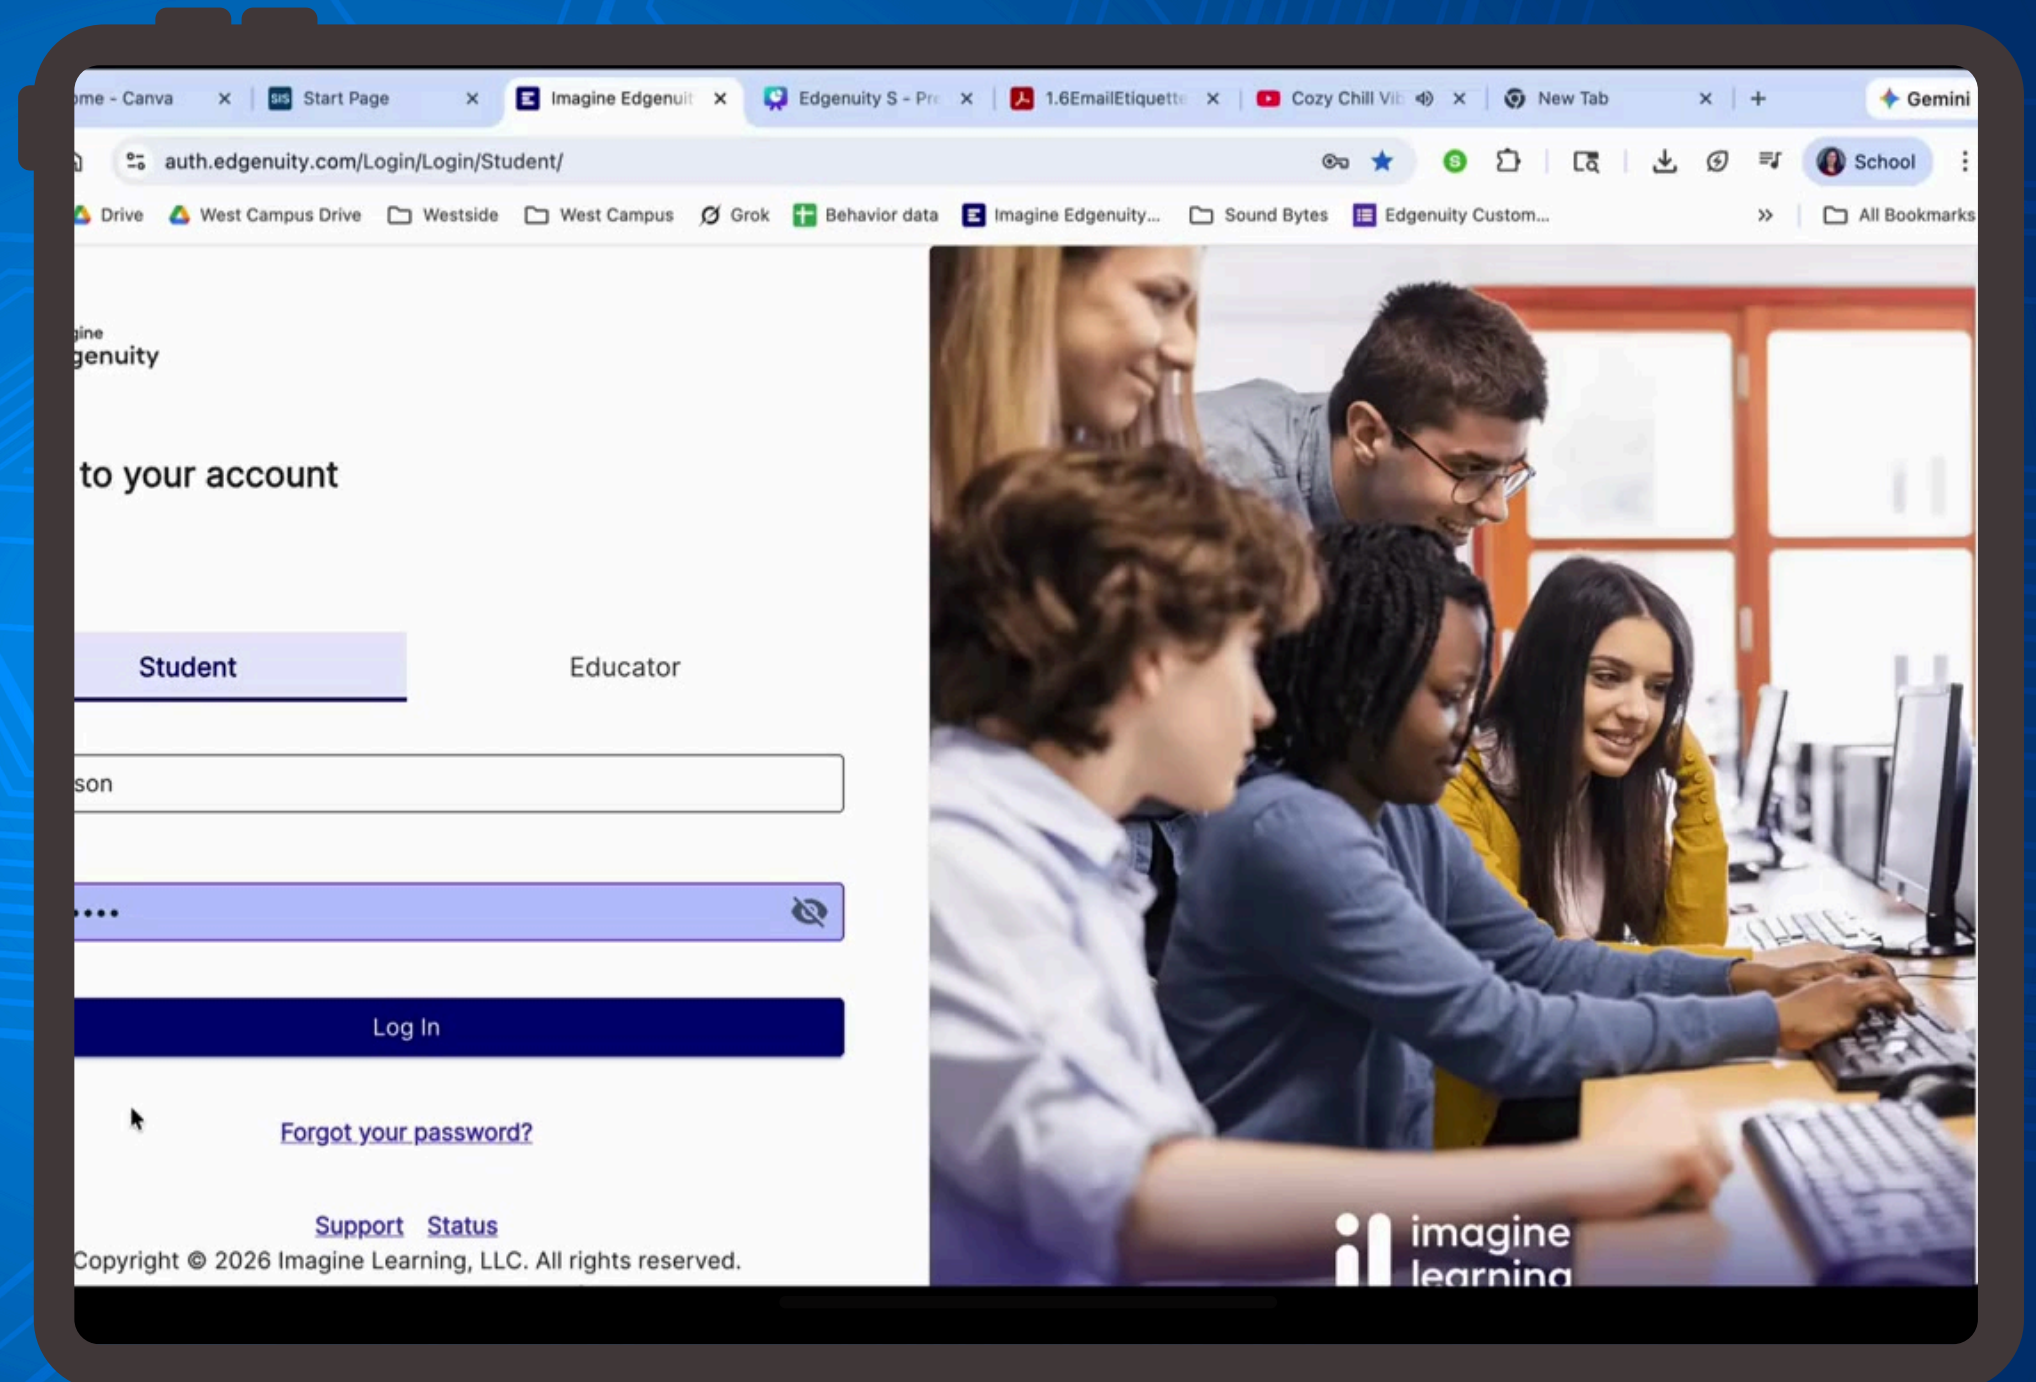

Video lessons are
delivered in the same
style as an in person class

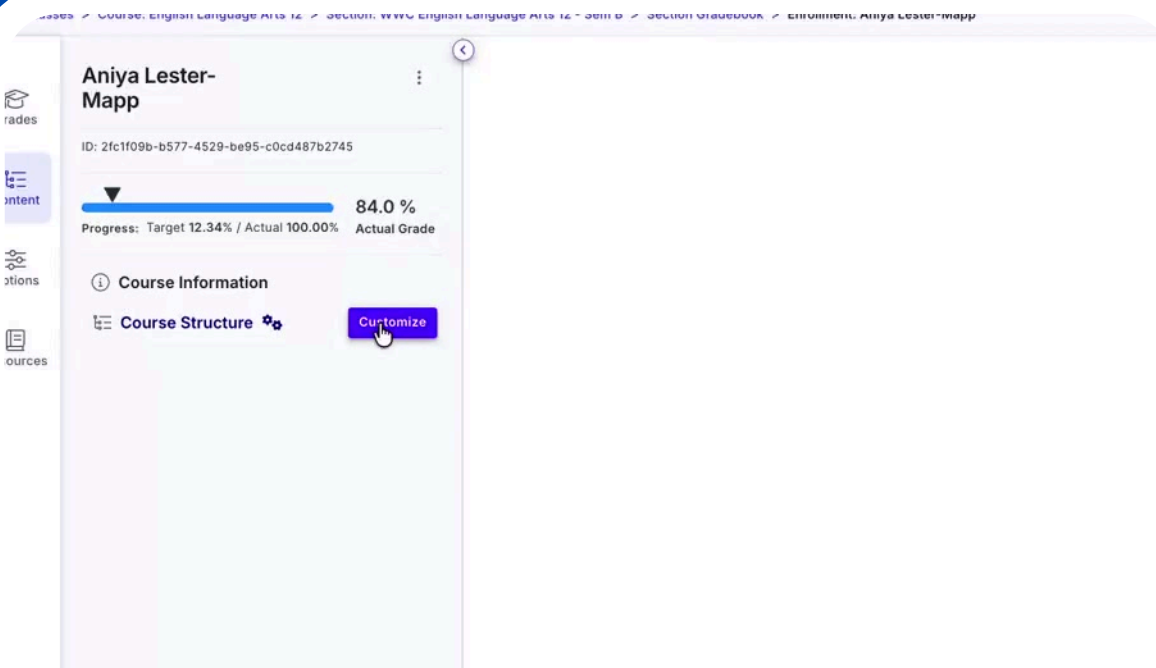

A variety of interactive
activities are utilized in
each lesson

Assessments and assignments are used to determine student understanding

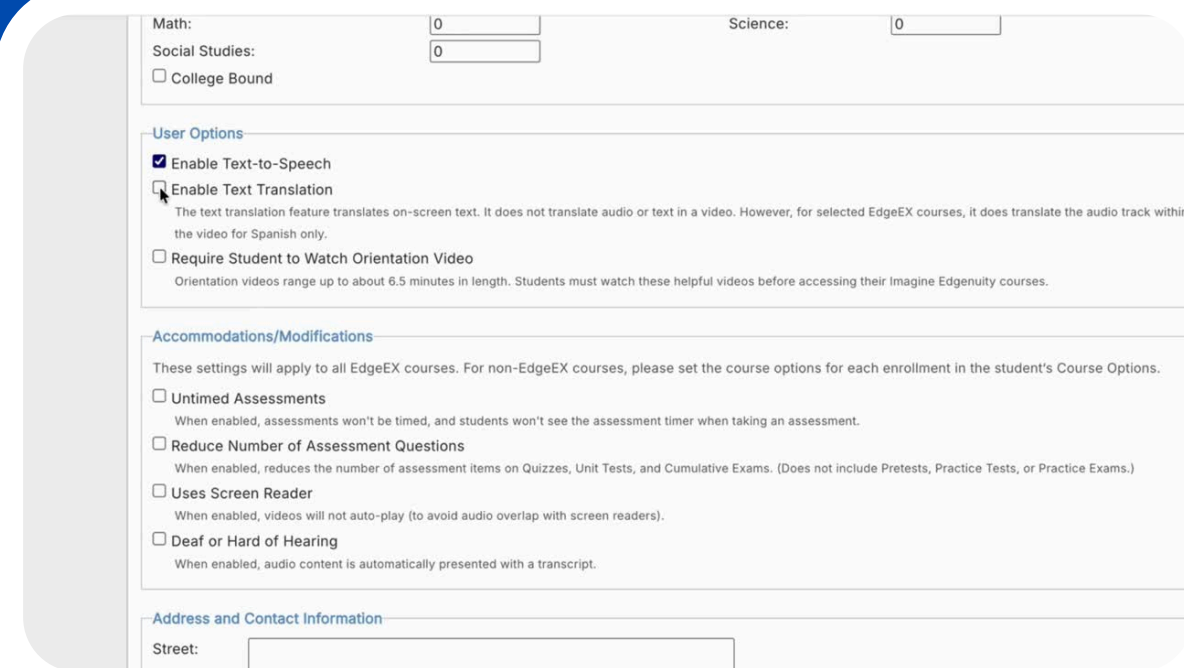

Accommodation Integration

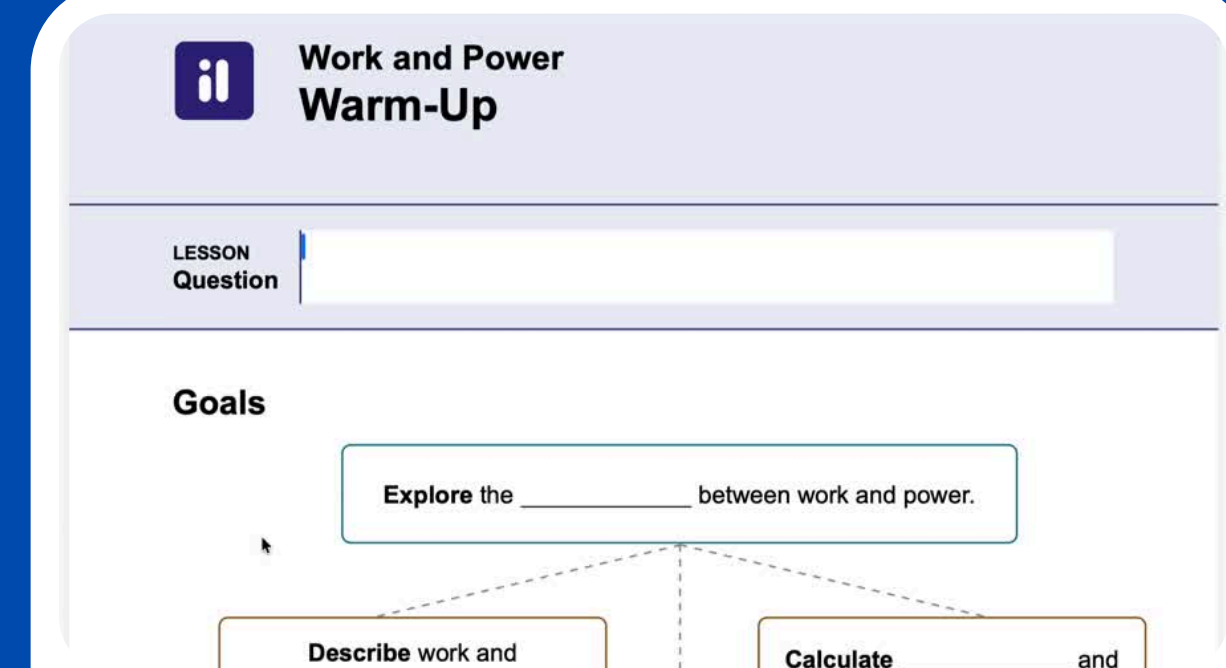

Course Customization

Courses can be customized to provide focused instruction of individual needs as part of an IEP or for credit recovery.

Test Modifications

Students identified by Special Services can have the number of questions or answer choices reduced.

Guided Notes

Guided notes can be provided digitally or in print form for student to use to follow along and further engage in lessons.

During the Fall 2025 Semester
West Campus students earned

490
credits

through Edgenuity

Thank You
