Communications

In Ms. Power's absence, Dr. Lucas shared a brief Communications update to recognize WHS student Ryan Kelly, who was named runner-up as the NE State Journalist of the Year! Ryan spent countless hours completing his journalism portfolio and will receive a \$750 scholarship and recognition at the NE State

Journalism Conference. Outstanding work, Ryan! The staff at Hillside Elementary recently held a "Pink Out" to celebrate five of their team members who are all expecting a baby girl this year! The District has run some targeted advertising for enrollment opportunities to families within a six mile radius of the district office.

Update on Professional Learning

Ms. Laura Mann, Director of Learning and Development, provided an overview on professional learning programming in Westside and introduced the recently developed "*Professional Learning Pillars*" that support the principles of the WCS Instructional Model and help guide the continued professional development and growth of all district staff. All professional learning opportunities (required and choice) reinforce the district's commitment to educator excellence. The three Professional Learning Pillars are:

Educator Orientation & Induction - "Westside Way" is the district's three-year onboarding and development program designed for all educators joining Westside, aimed at fostering collaboration, reflection, and professional growth.

Continuous Learning & Development - A wide offering of learning opportunities are available for teachers and staff to enhance their skills, drive student success, collaborate with peers, and implement innovative practices in their classrooms, and are offered during pre-opening week, PLC time, Wednesday early dismissal, before and after school, and on scheduled PL days.

Self-directed Growth & Engagement - Certified staff are provided the opportunity to select from a variety of offerings to earn PL 'credits'. This incentivized and optional approach to professional growth is designed to ensure that learning is meaningful, relevant, and directly applicable to staff priorities and daily practice.

A copy of Ms. Mann's slide presentation and Executive Summary are included in the board documents folder.

Board Policies for Approval - #7115; #7140; #7180

Mr. Nick Lesiak, In-House Legal Counsel, was absent for this evening's board meeting. In his absence, Dr. Andrea Haynes, Assistant Superintendent of Human Resources and District Operations, presented three policies for approval that Mr. Lesiak previously presented on February 23, 2026, for board discussion and consideration.

#7115 - Denial of Access to School Premises or Activities - This proposed new policy is from KSB's policy book. The District already issues "ban-and-bar" notices as we are allowed to do by law. This policy would: 1) provide notice to the public that we can and will ban people from our property under appropriate circumstances; and 2) provide a policy basis for us to do so. Ms. Rider asked for discussion for revision of some terms and language, specifically regarding item #3. Mr. Yale recommended tabling any action on this policy until Mr. Lesiak returns and is able to convene the Board Policy Committee. Ms. Blakely moved to table board action on policy 7115; Ms. Rider seconded. Motion carried by unanimous roll call vote.

#7140 - Request to Contact Students - Propose elimination of this policy; subject matter is covered in policy #5315 (Access to Students by Law Enforcement and other Agencies). Dr. Van Gelder moved for approval; Ms. Morrisette seconded. Motion carried by unanimous roll call vote.

Copies of each policy and the Executive Summary are included in the board documents folder.

Personnel Report: Employment Actions Related to the Contracts of Certified Staff Members

Dr. Andrea Haynes, Assistant Superintendent of Human Resources and District Operations, presented the personnel report (five certified staff probationary contracts; five certified staff resignations; and one administrator contract) for board approval. Ms. Rider moved for approval; Ms. Blakely seconded. Motion carried by unanimous roll call vote. A copy of the personnel report is included in the board documents folder.

Public Comment: There were three requests for Public Comment. Paul Vonderfecht - Ed. Tech; Jane Kugler MD - Technology in Education; Justin Dorsey.
