**Recommendation:** Approval of new policy #7115, initially presented for board consideration and discussion at the Board of Education Meeting on February 23, 2026.

**Background:** The Board of Education and the District adhere to a regular policy review process to ensure: timely and appropriate updates to existing policies; the implementation of new policies as warranted; the elimination of outdated / conflicting policies; and grammatical / language revisions as needed.

#7115 - Denial of Access to School Premises or Activities (Community Relations) - This proposed new policy is from KSB's policy book. The District already issues "ban-and-bar" notices as we are allowed to do by law. This policy will: 1) provide notice to the public that we can and will ban people from our property under appropriate circumstances; and 2) provide a policy basis for us to do so.
