

Westside Middle School Performing Arts

Westside Community Schools

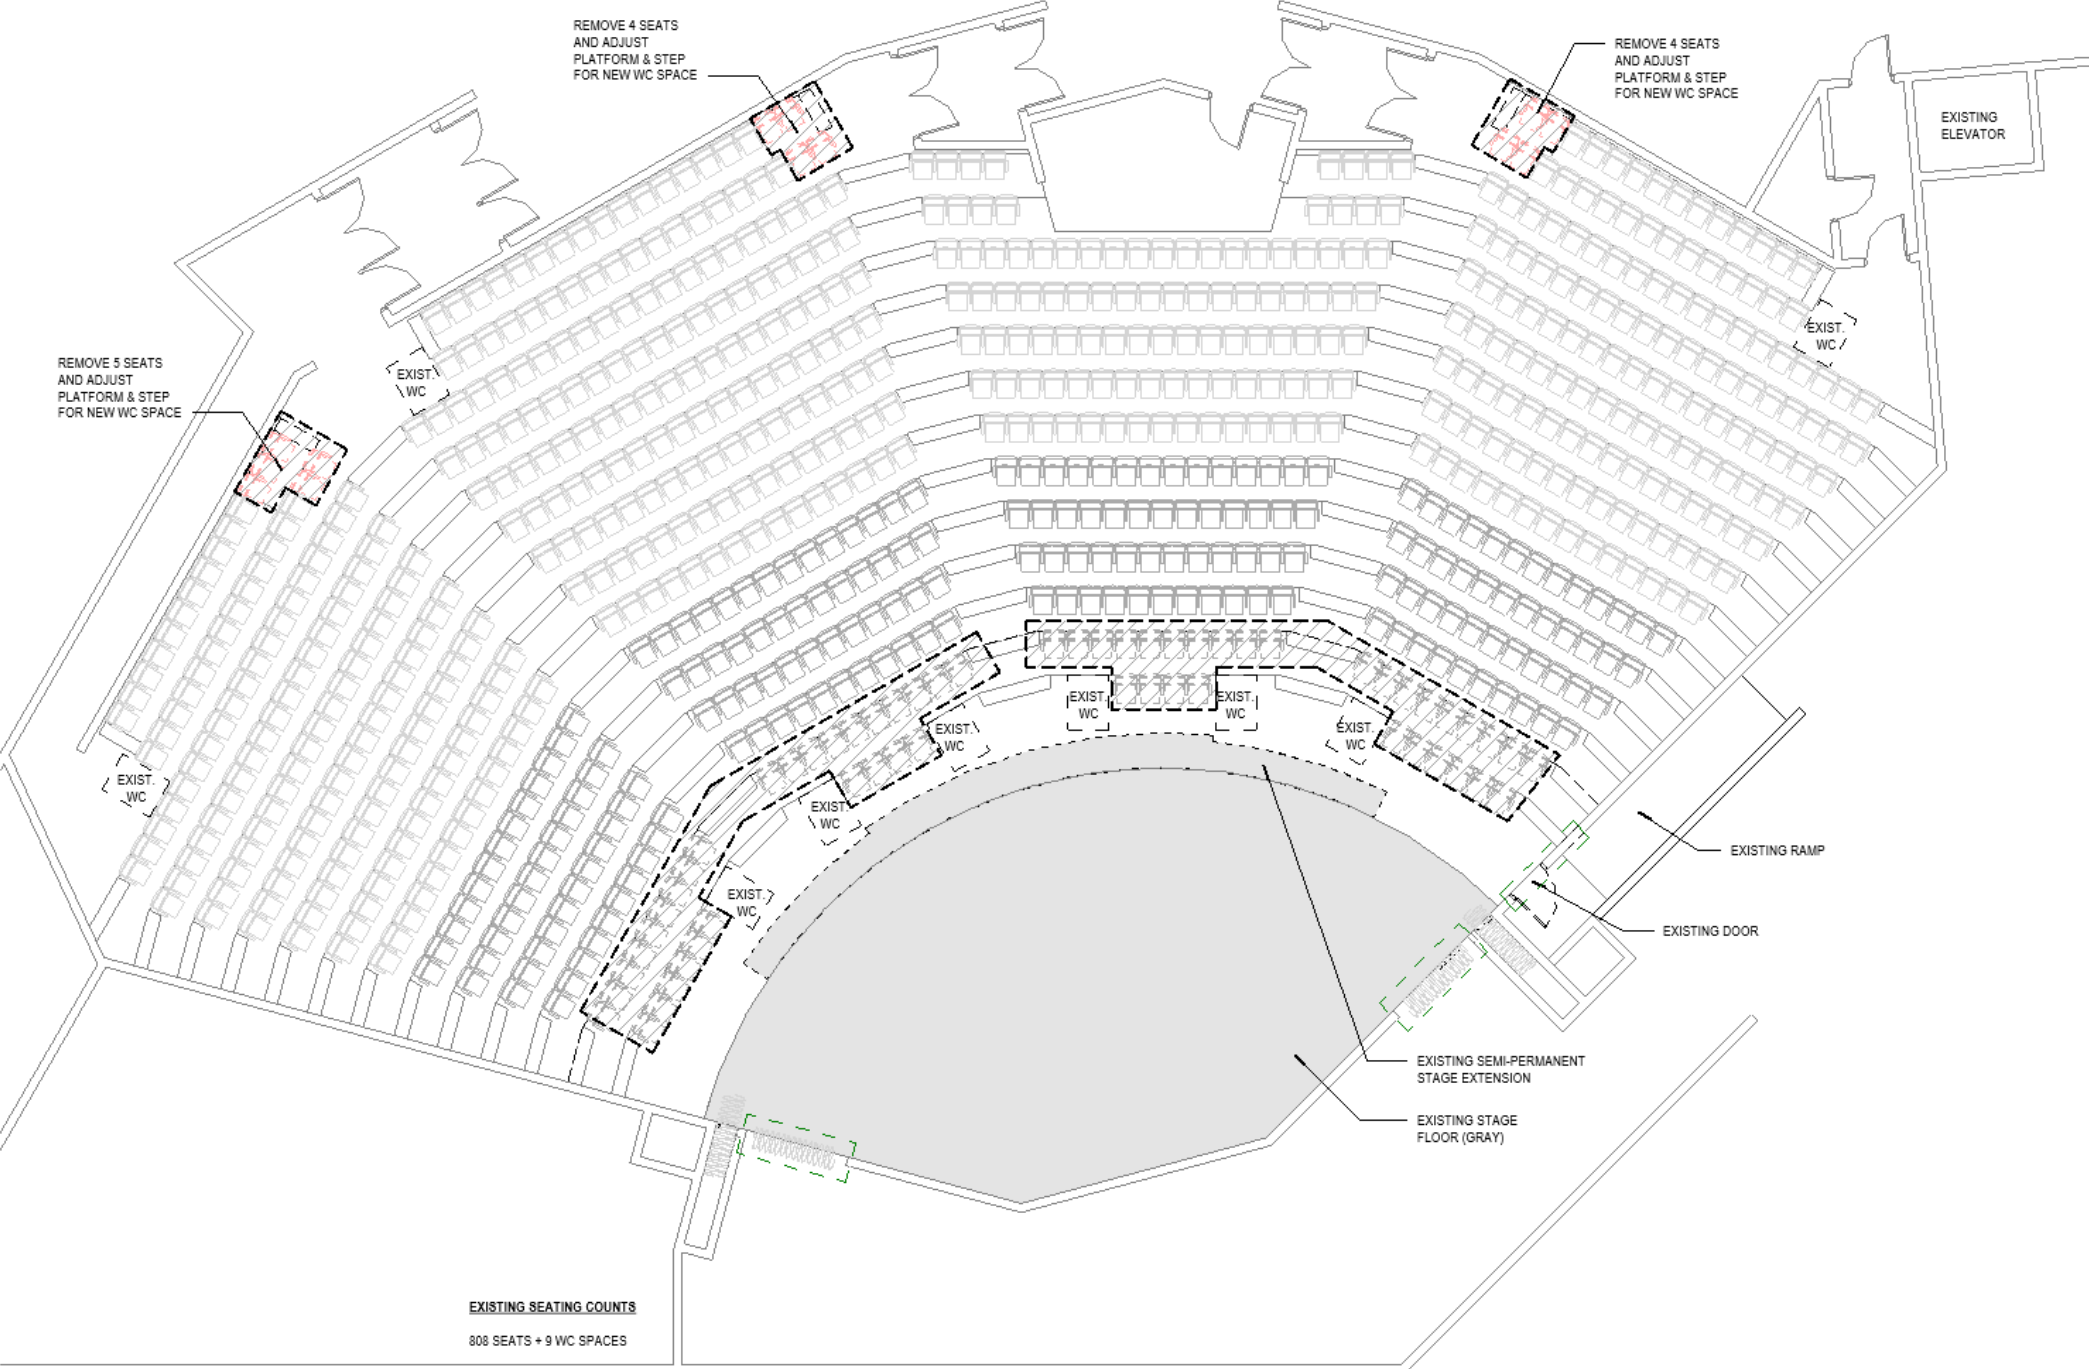

July 2, 2026

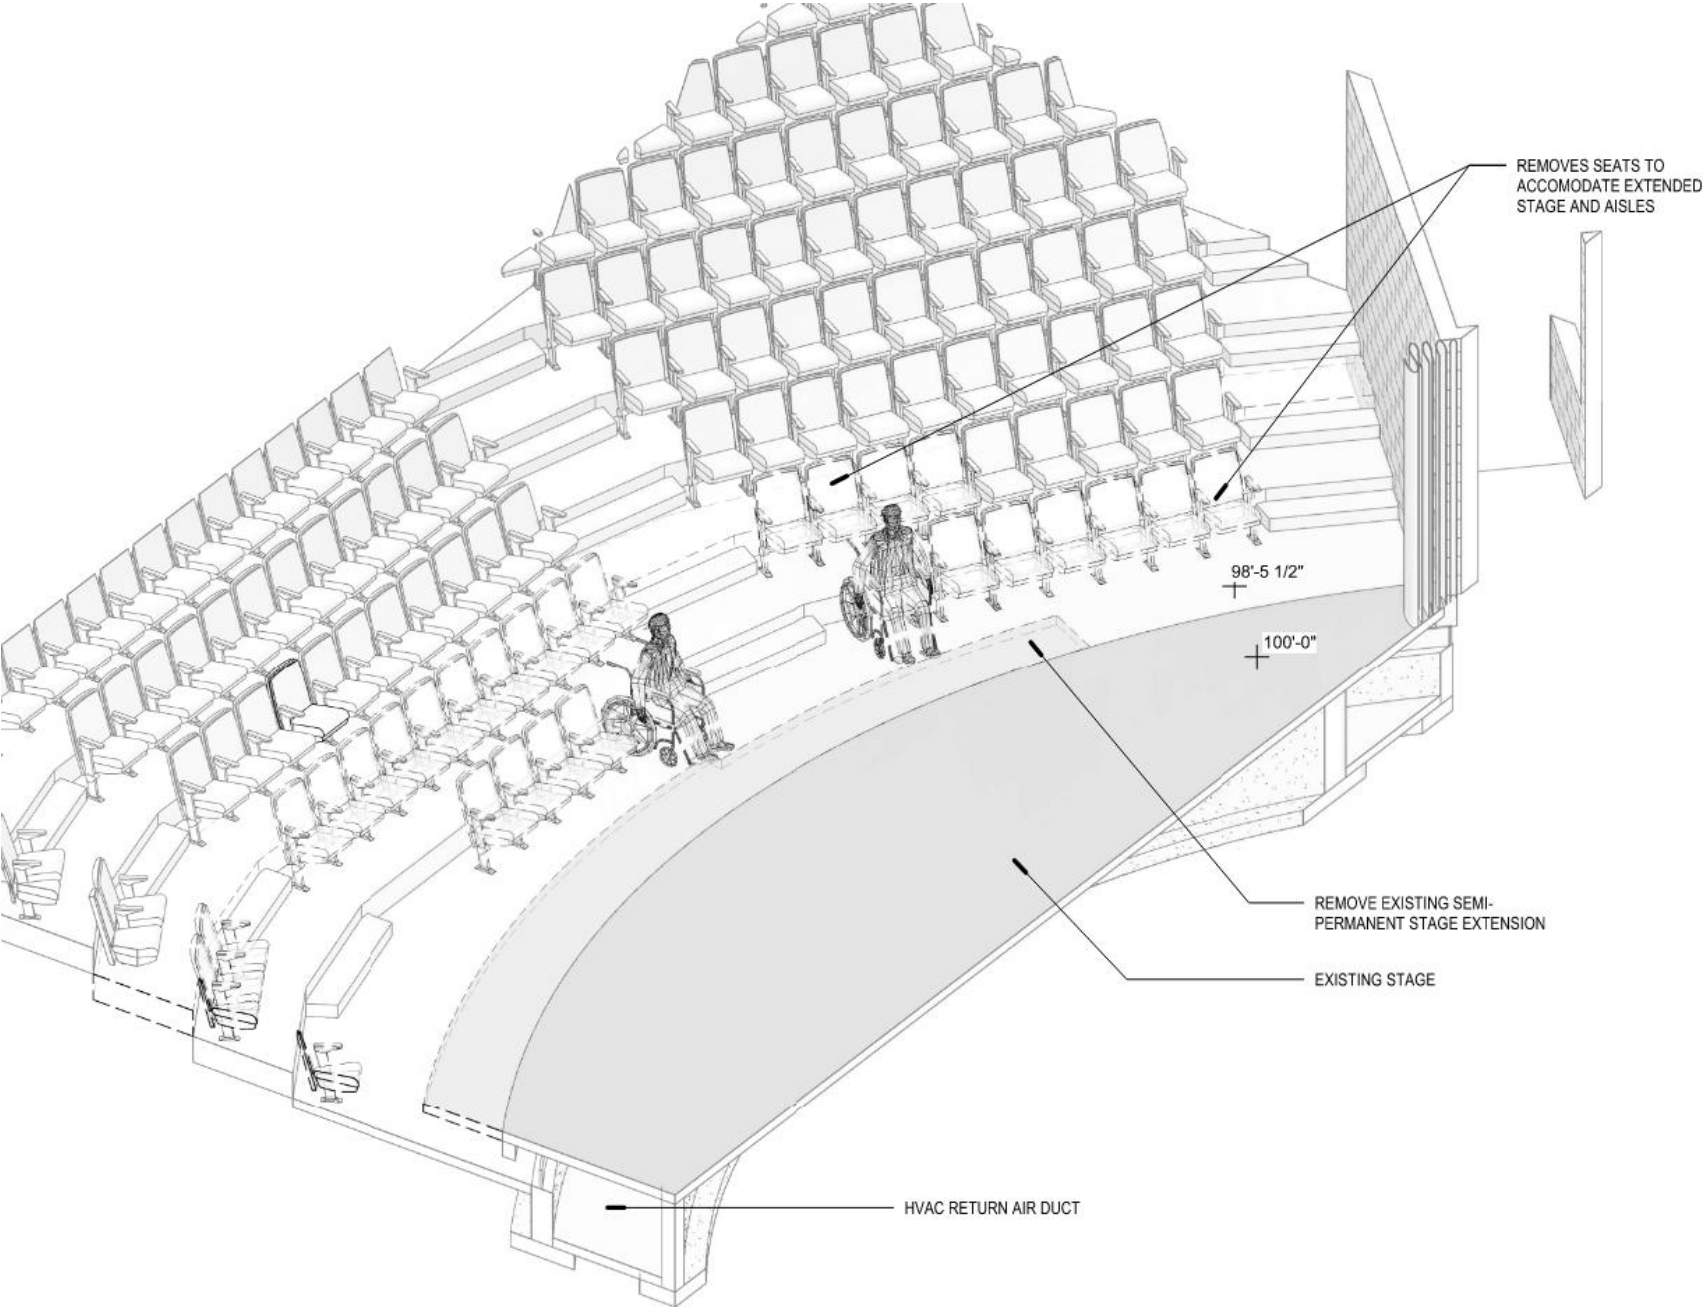

Goals

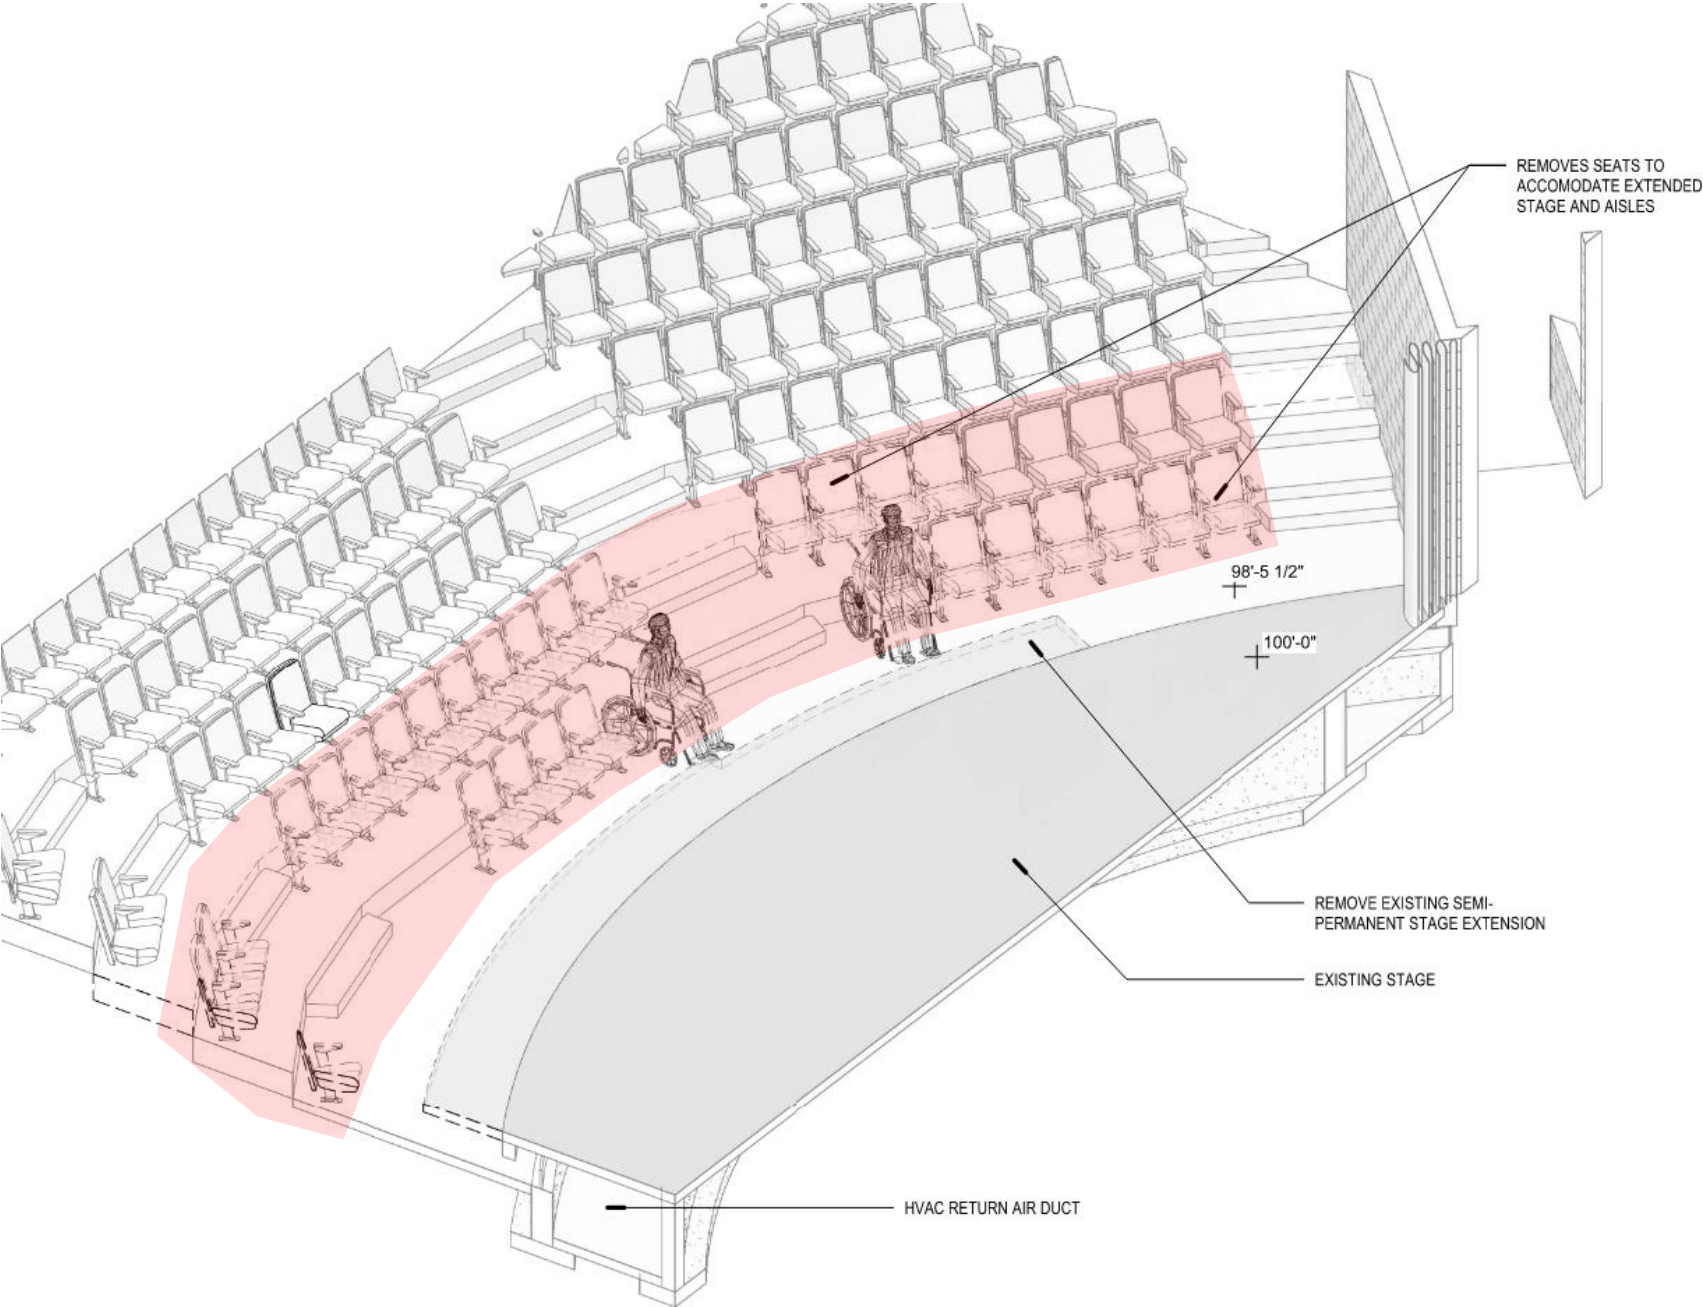

- Update House Lighting
- Update Theatrical Lighting
- Update Audio/Video System
- Extend the stage
- Replace auditorium seats
- Add card access to the elevator
- Repainting

OPTION C STUDY

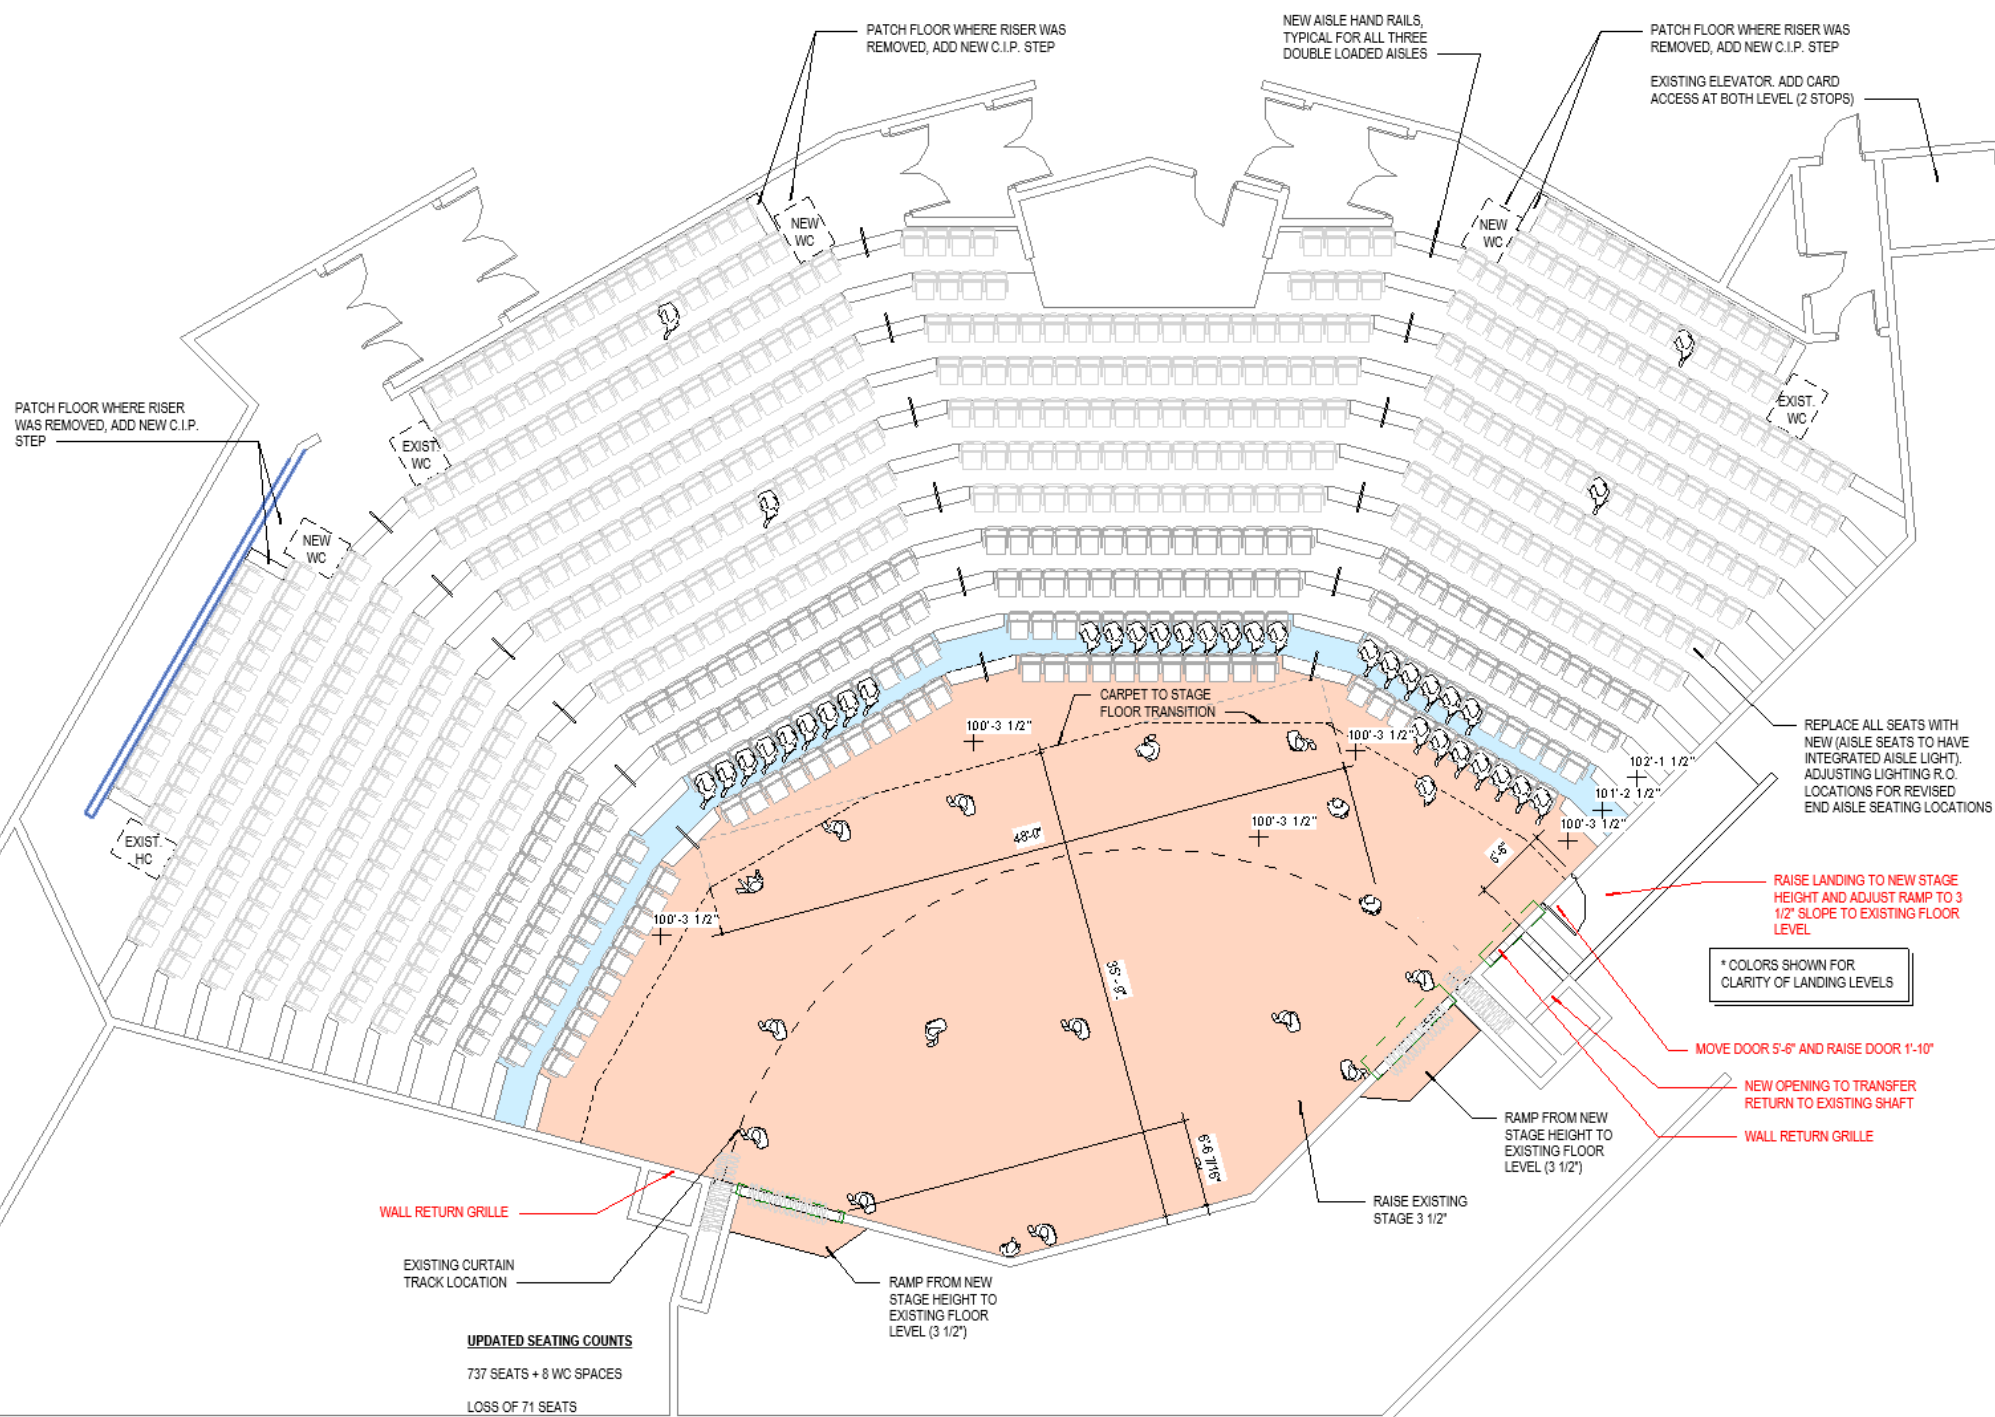

- Raise existing stage 3 ½" with small ramps to back of stage
- Retains 15 more seats than Option A (Retains 737 seats, Removed 71 seats)
- Bottom row seats are at stage height
- No railings except existing handrails on the existing stairs
- Size of stage is 60% larger than existing stage
- Recommend defining "edge of stage" with a floor transition between carpet at the first row seats and the painted plywood stage flooring

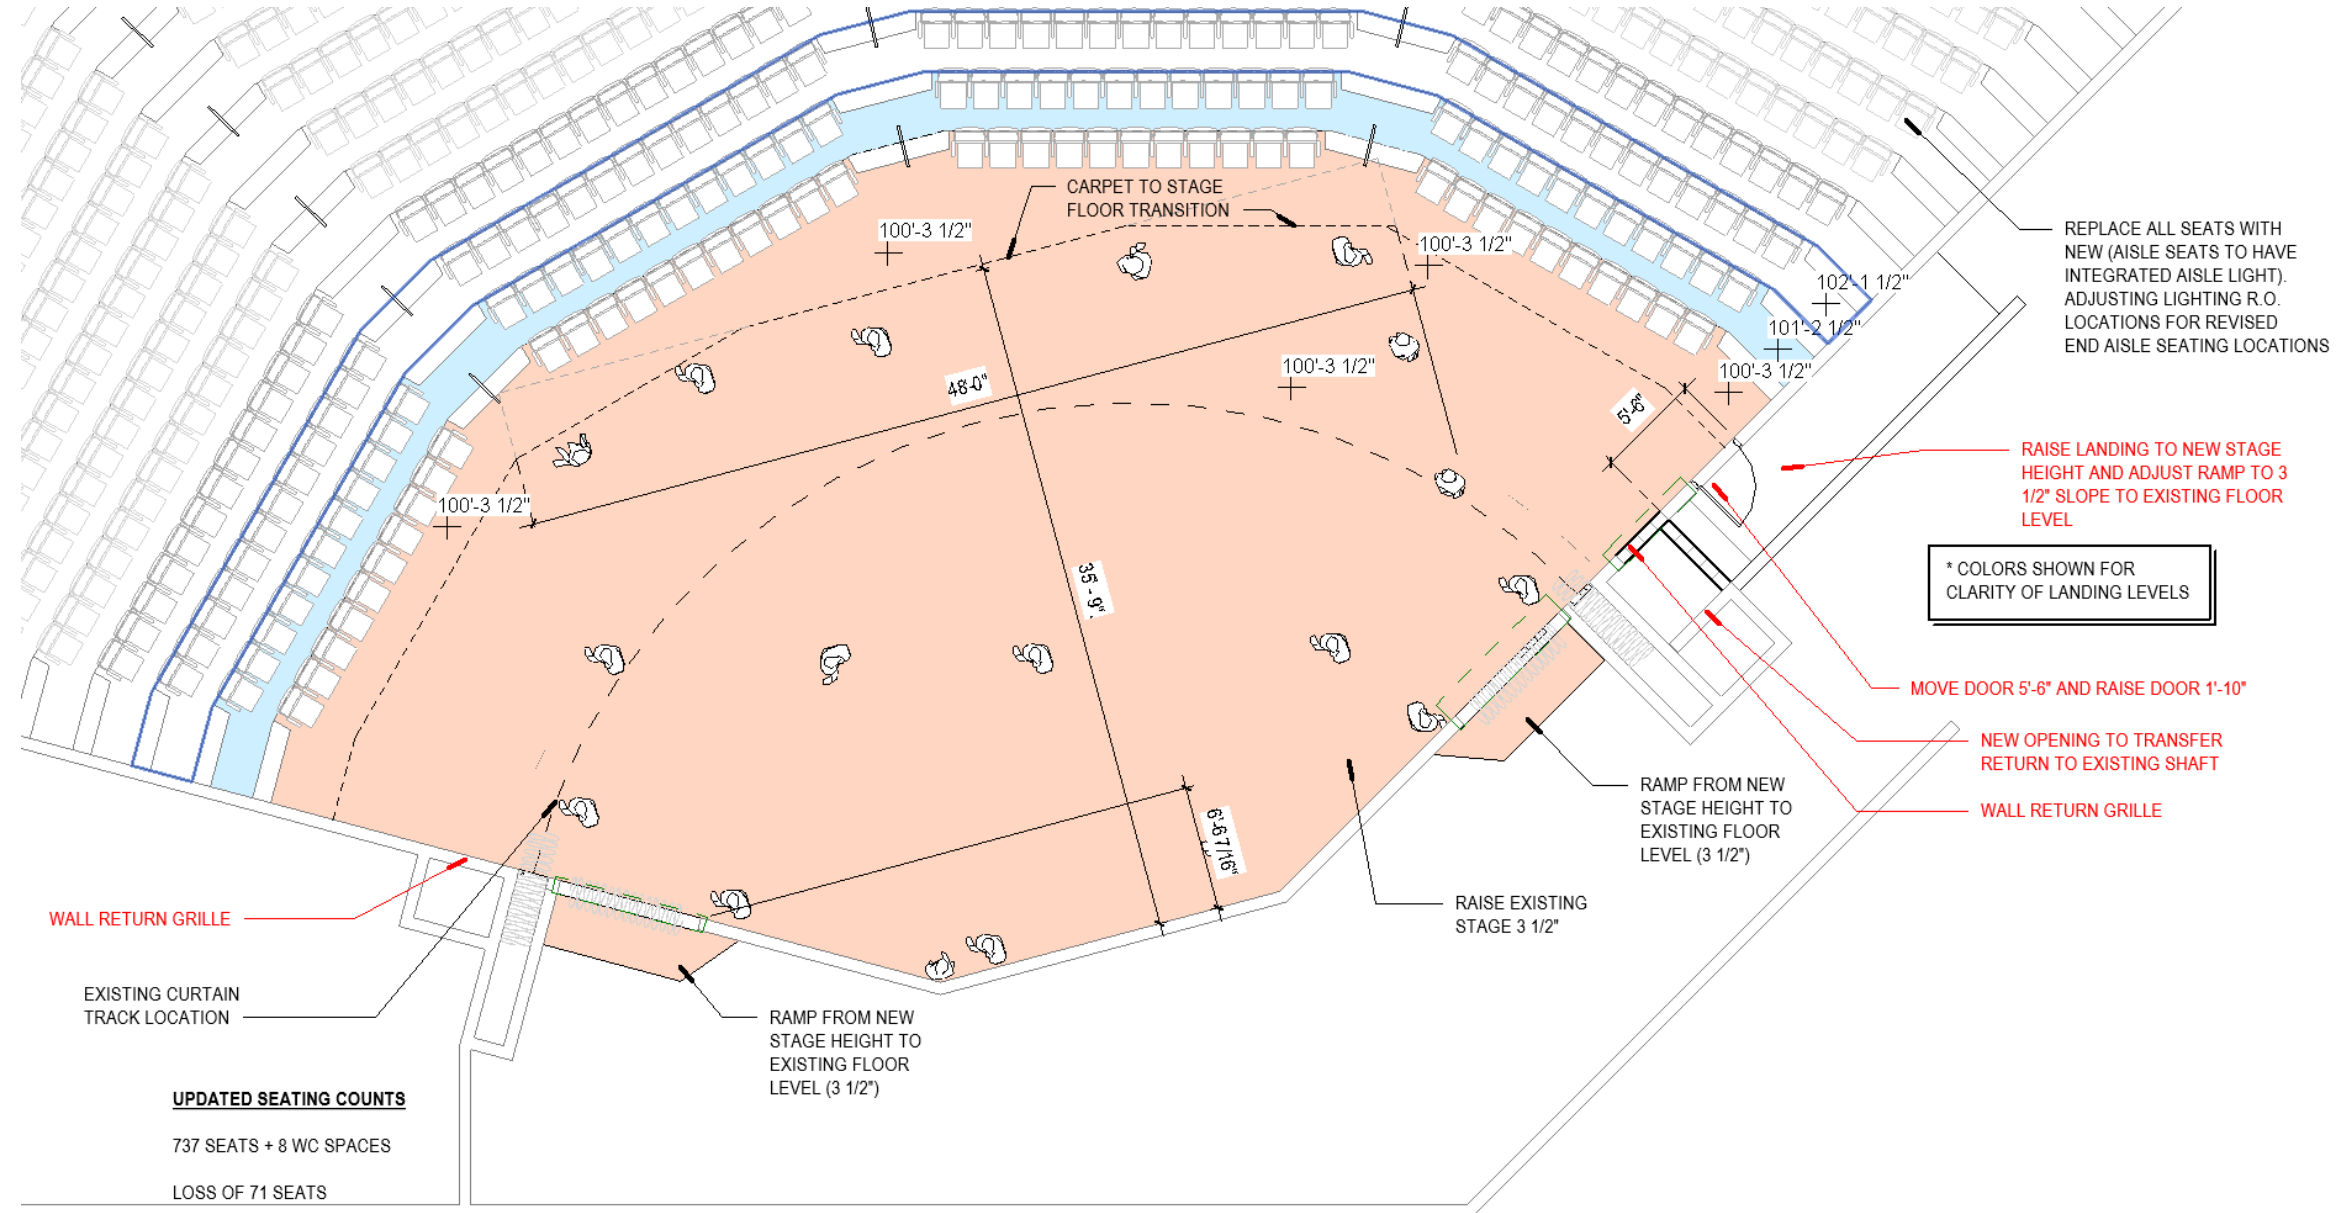

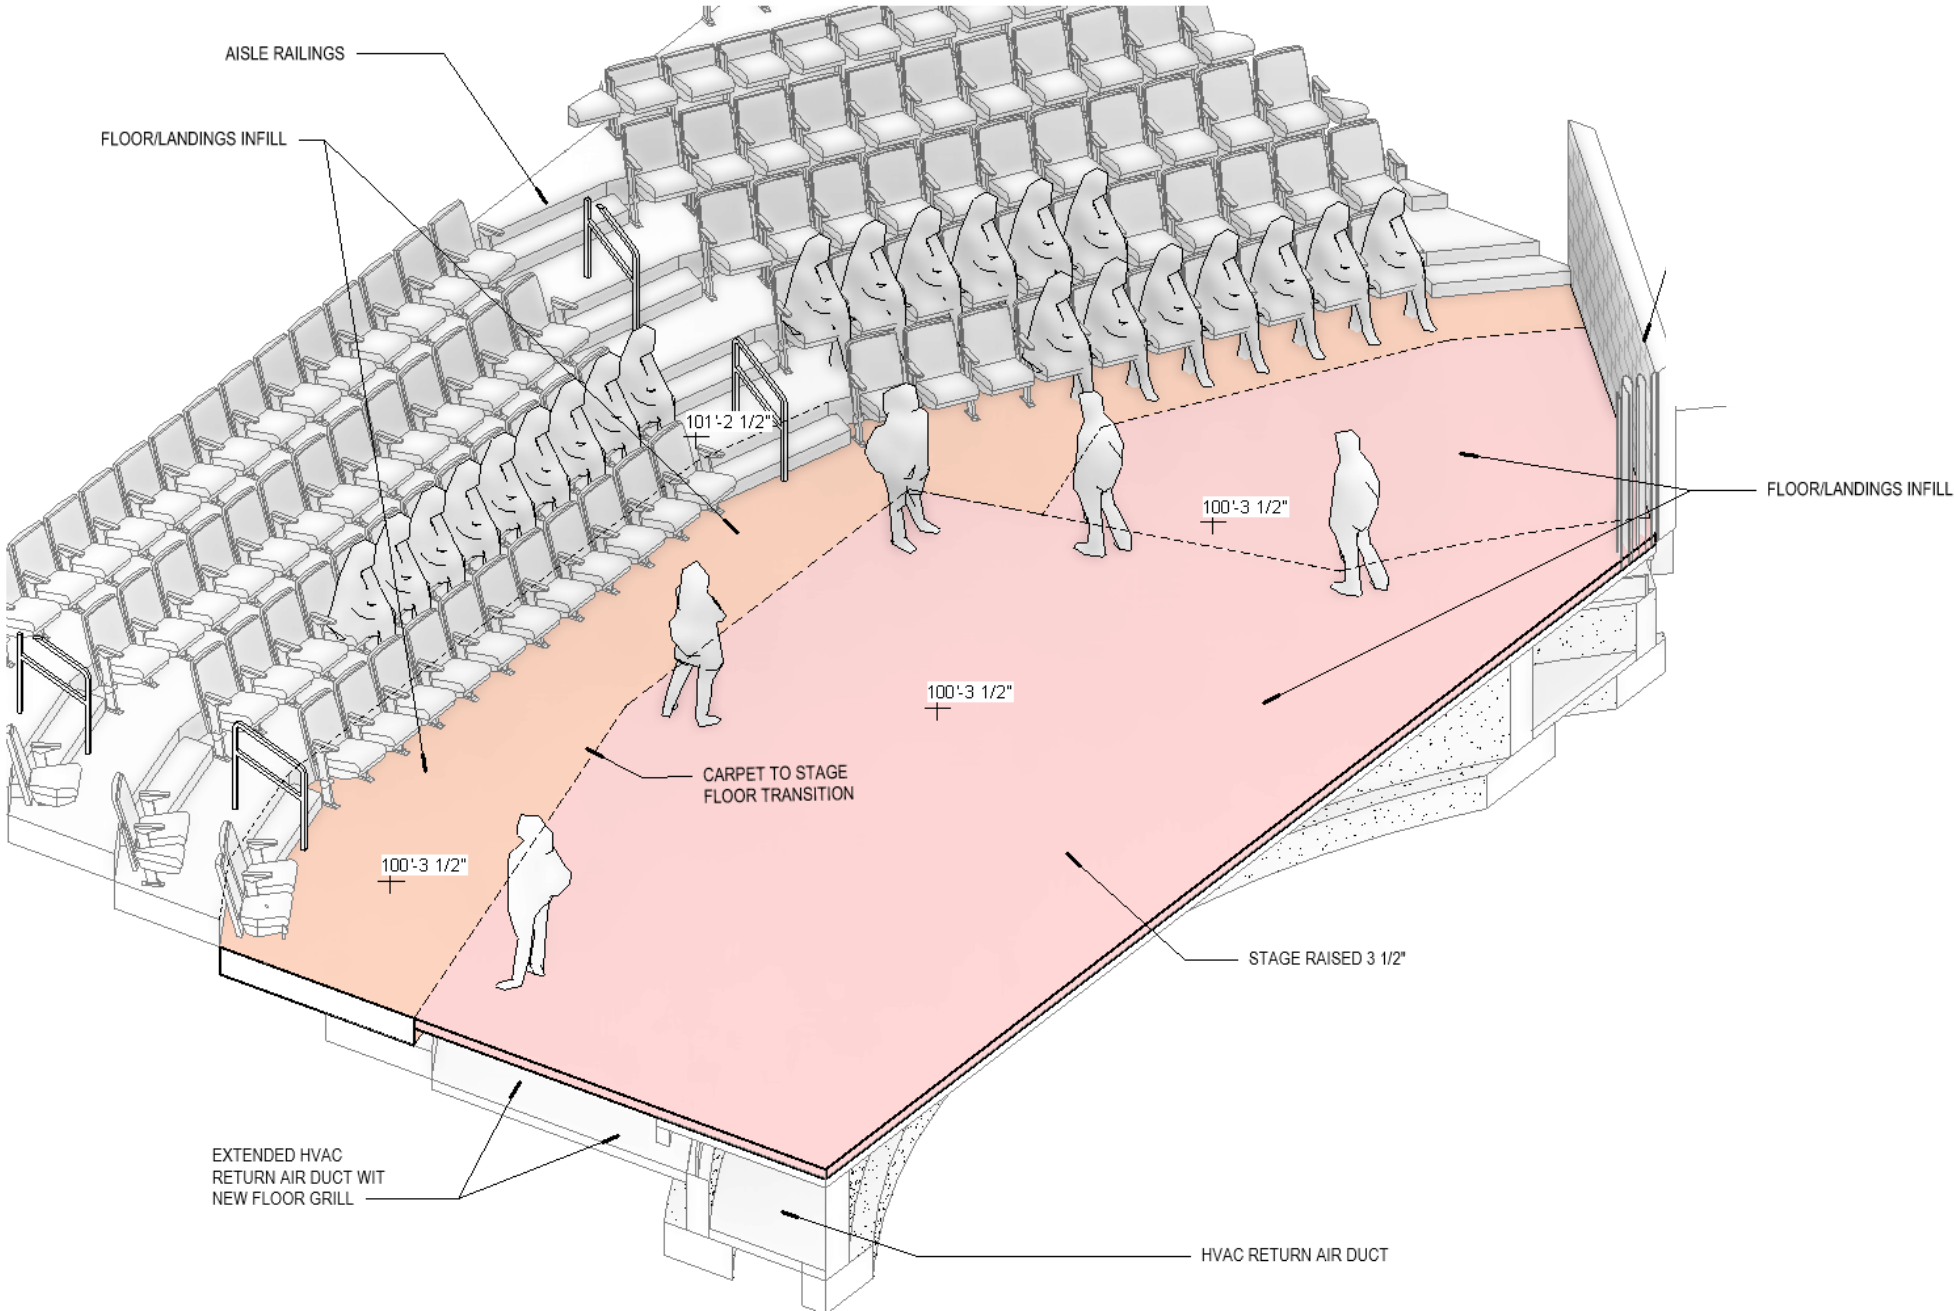

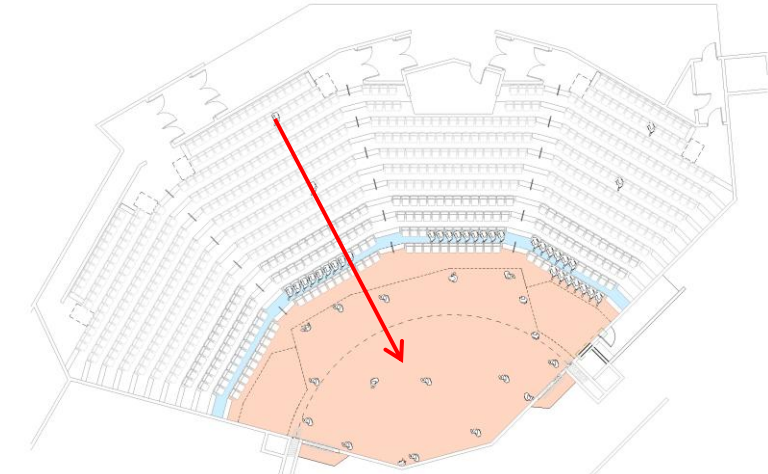

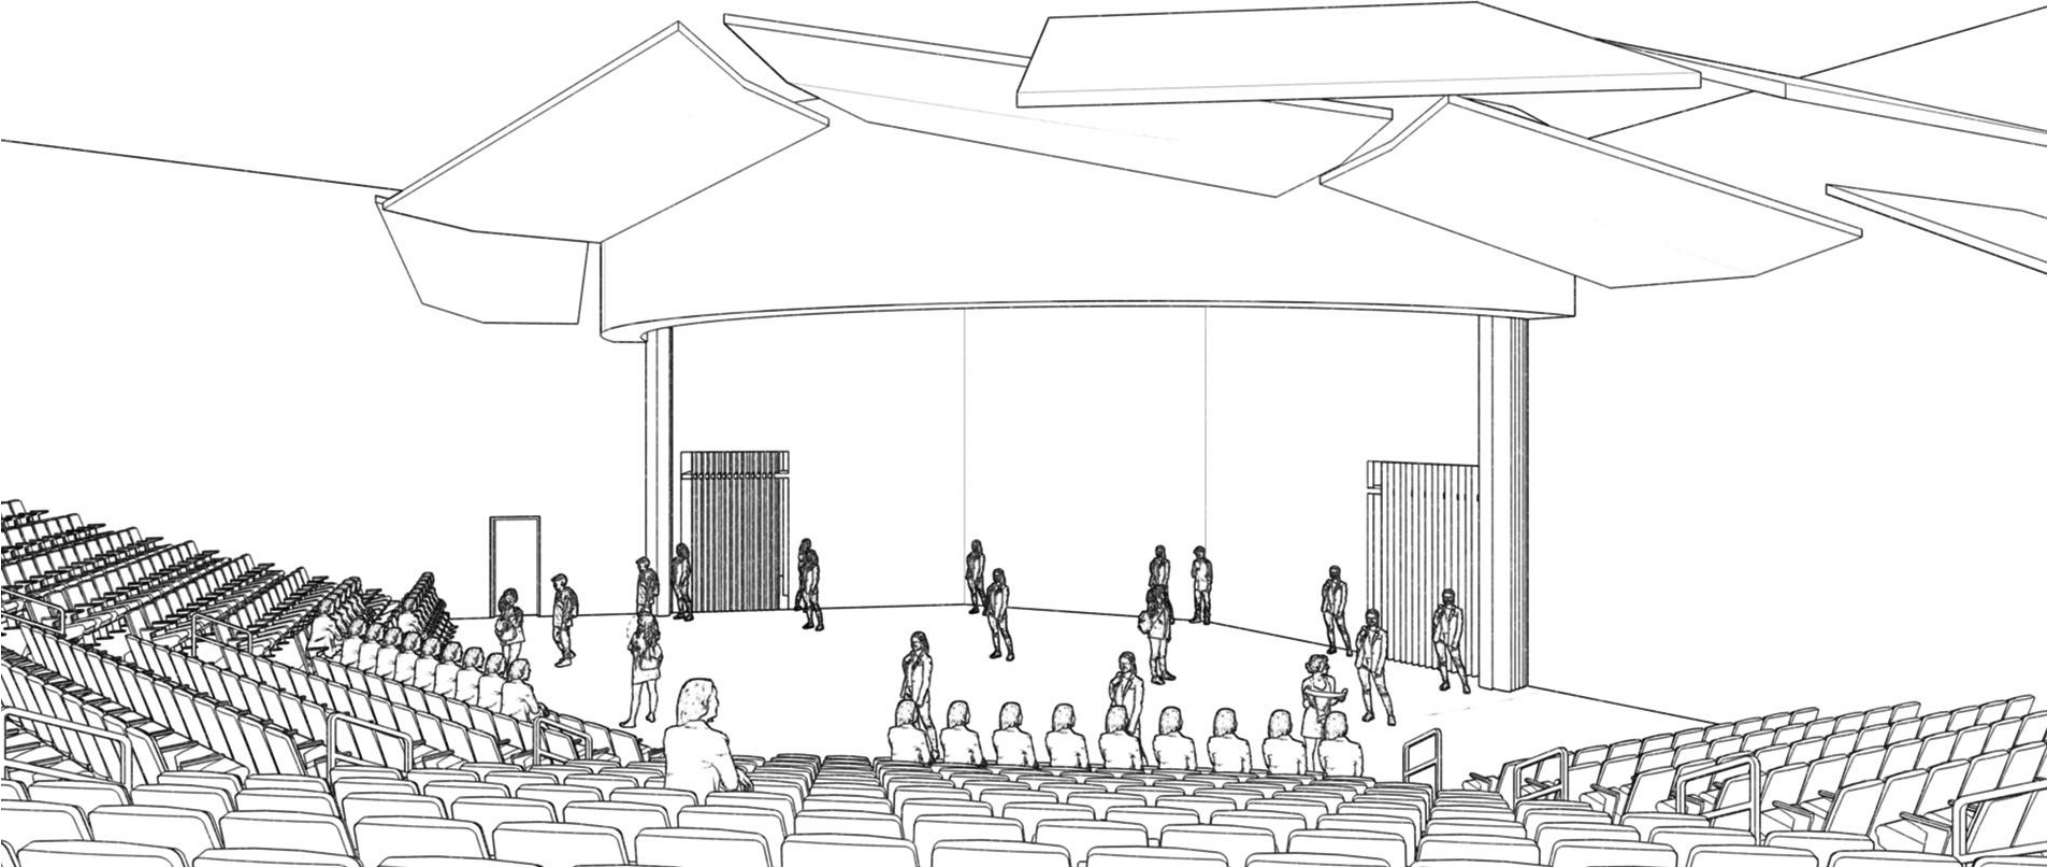

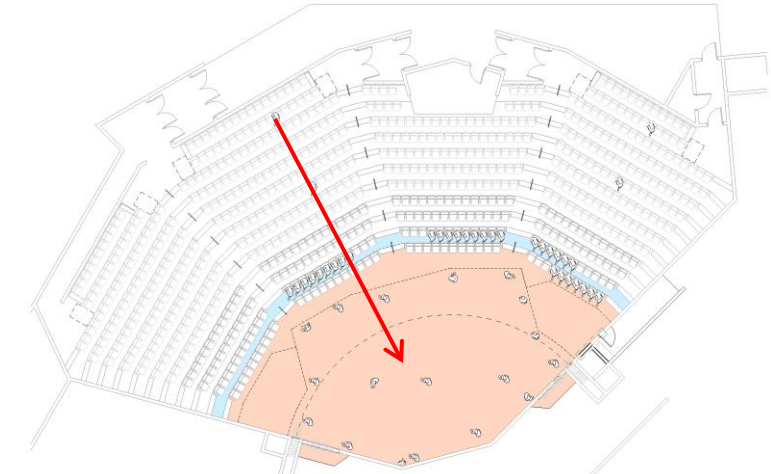

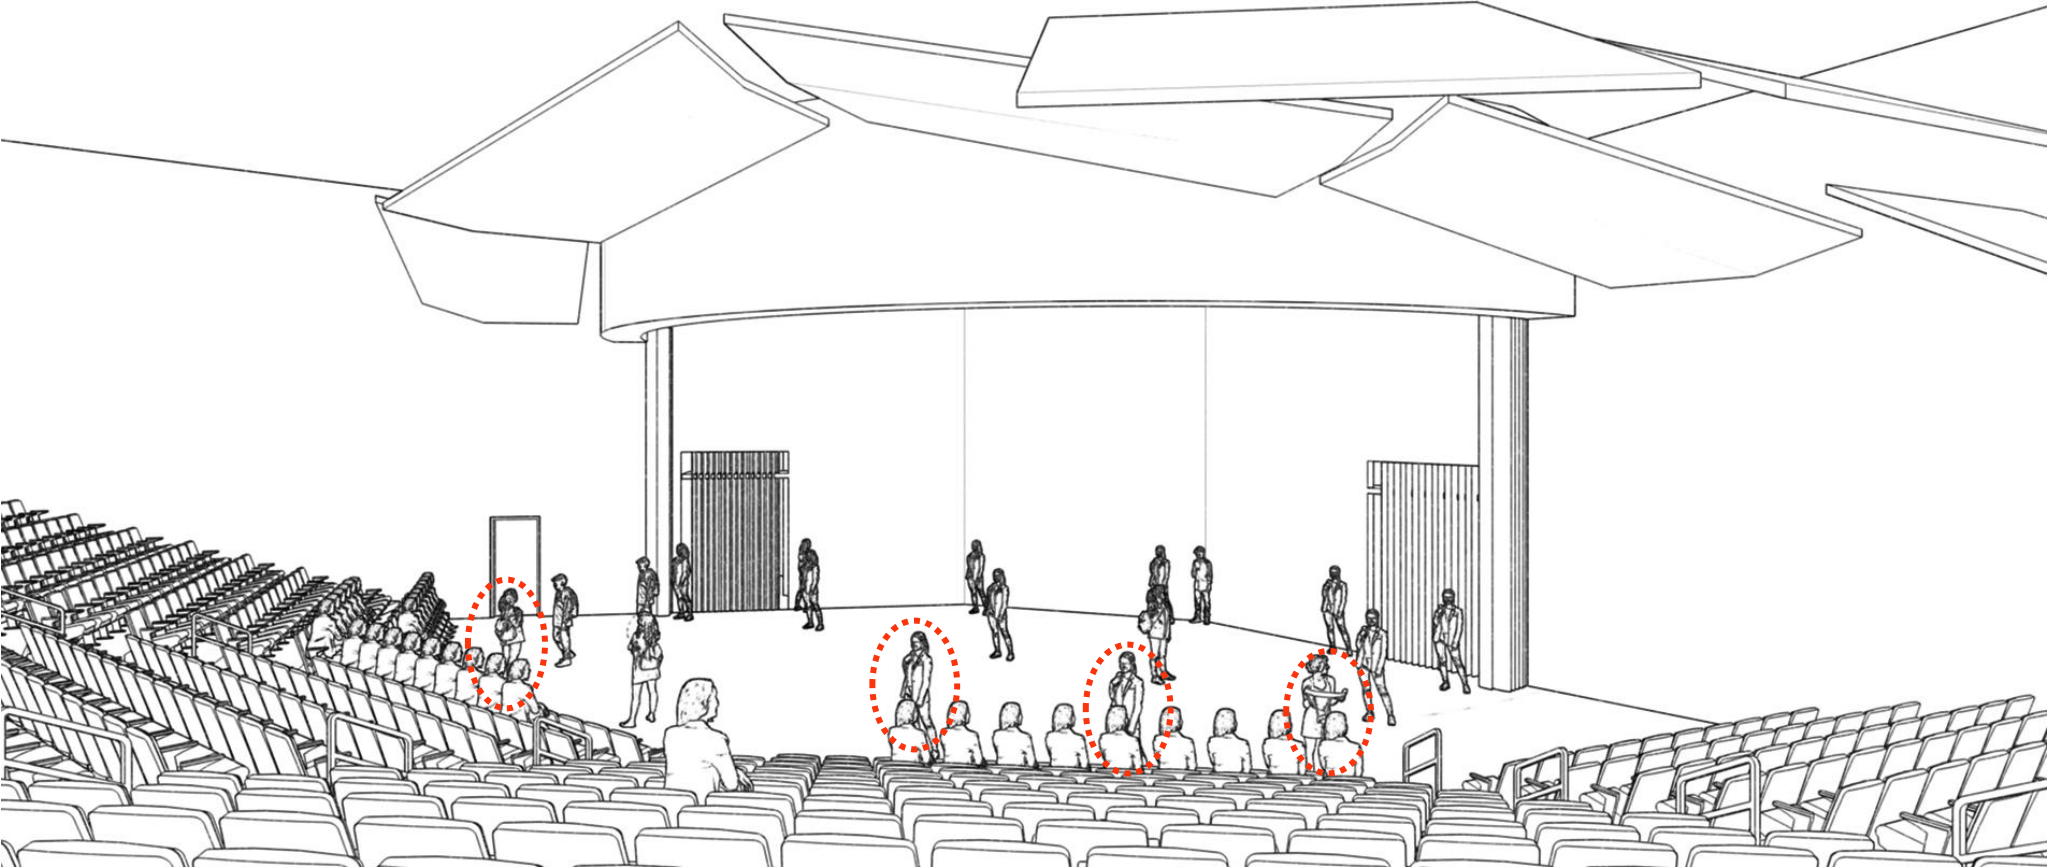

Option C

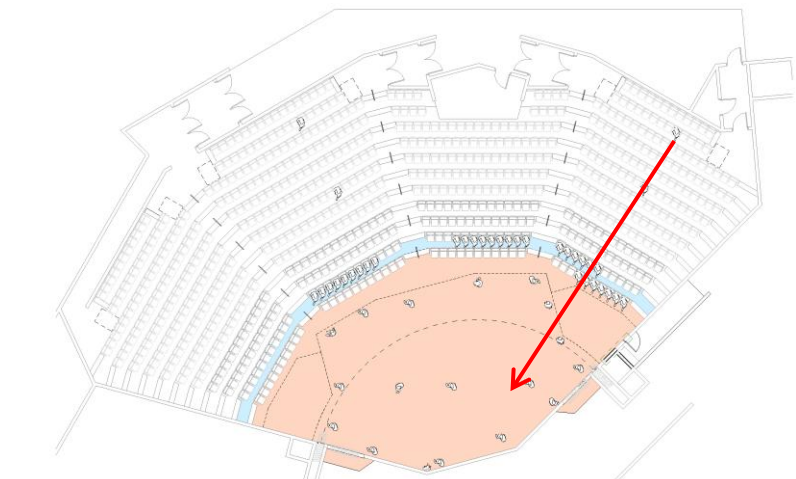

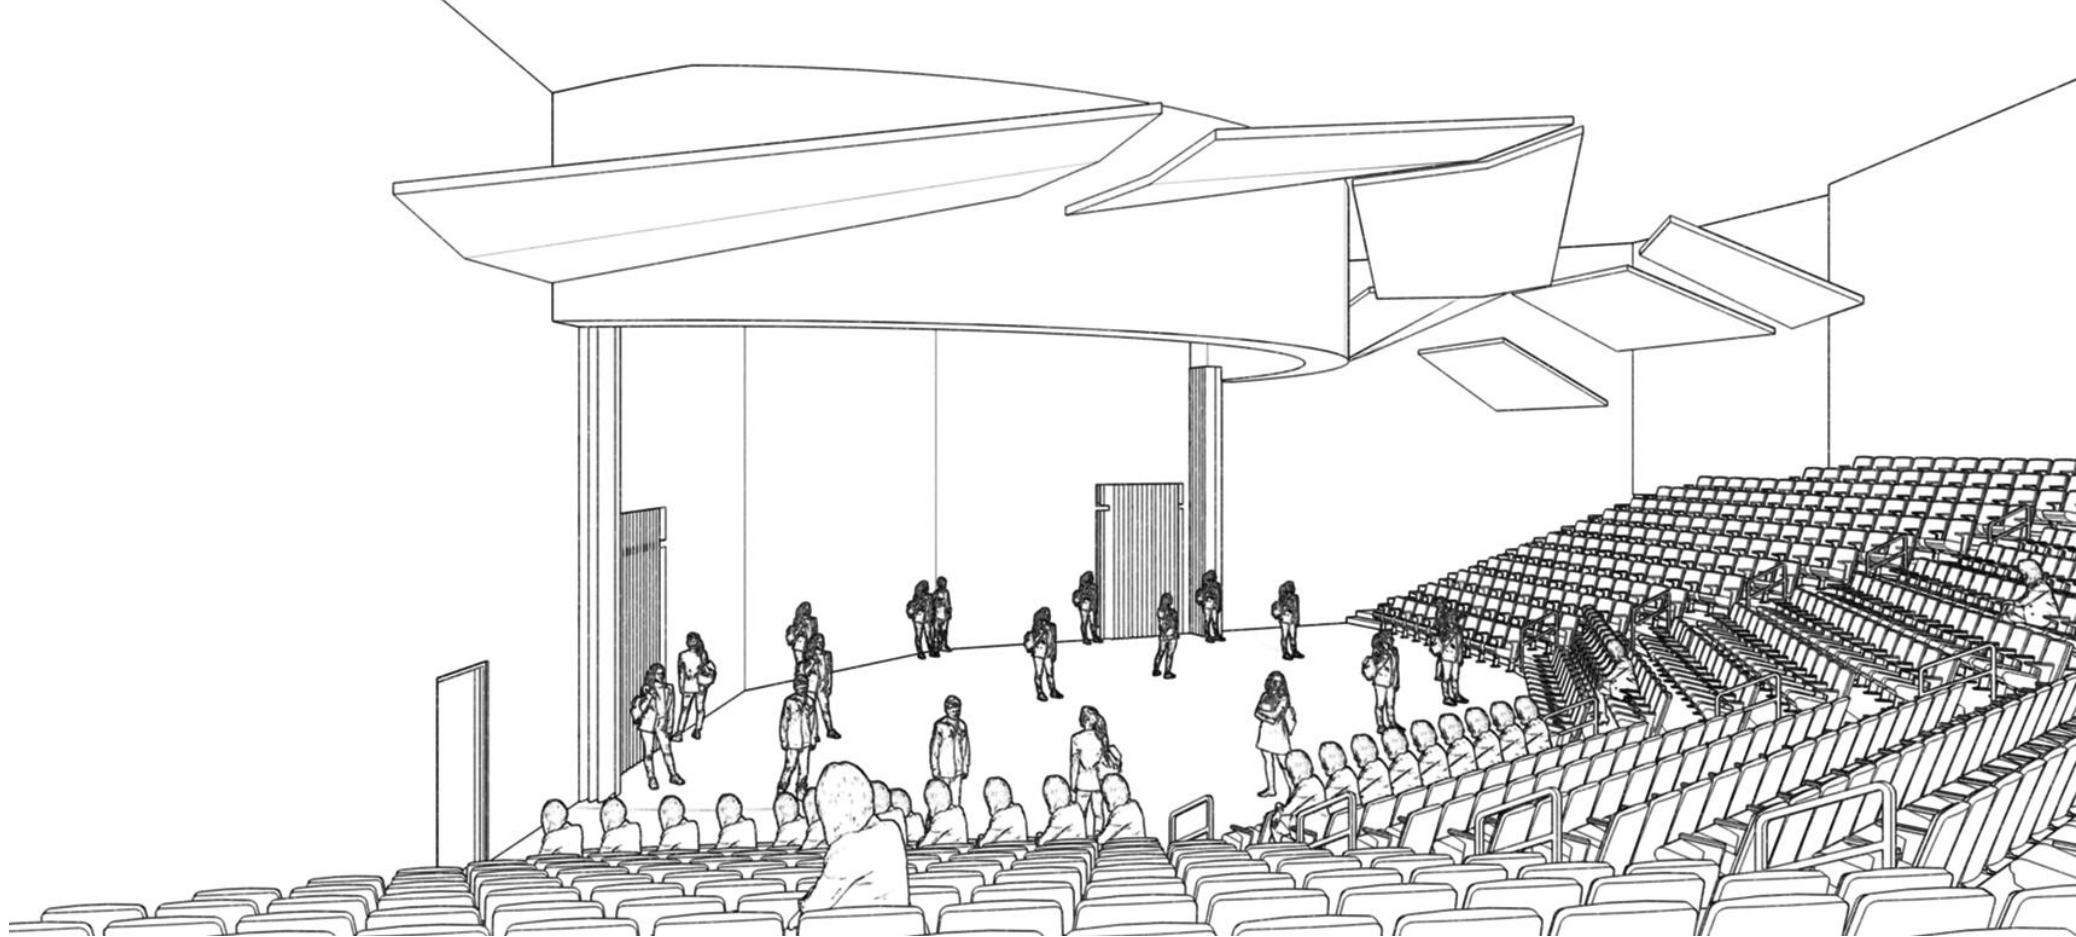

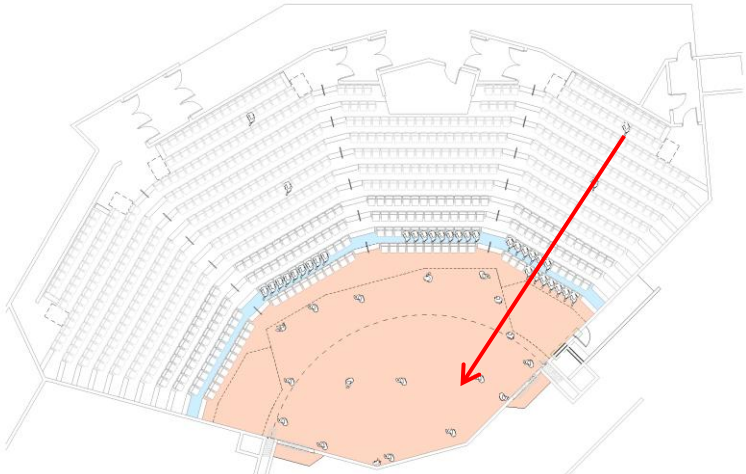

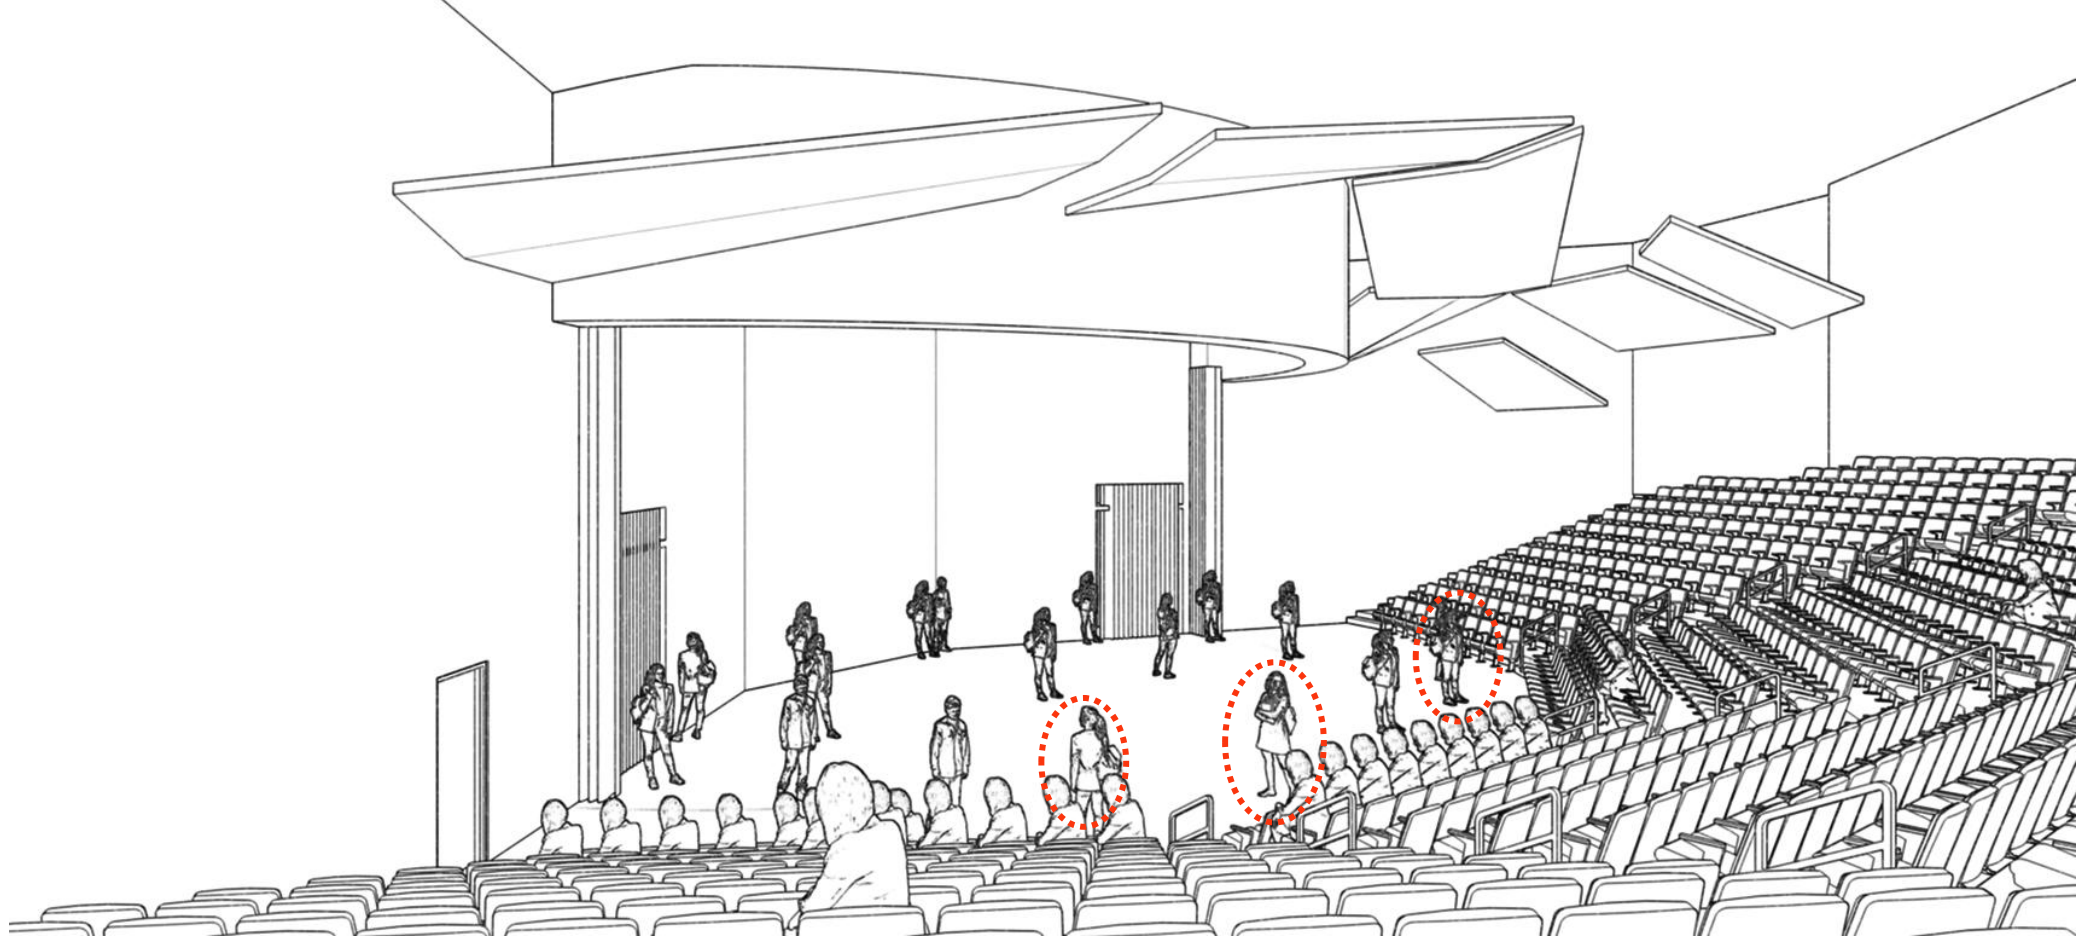

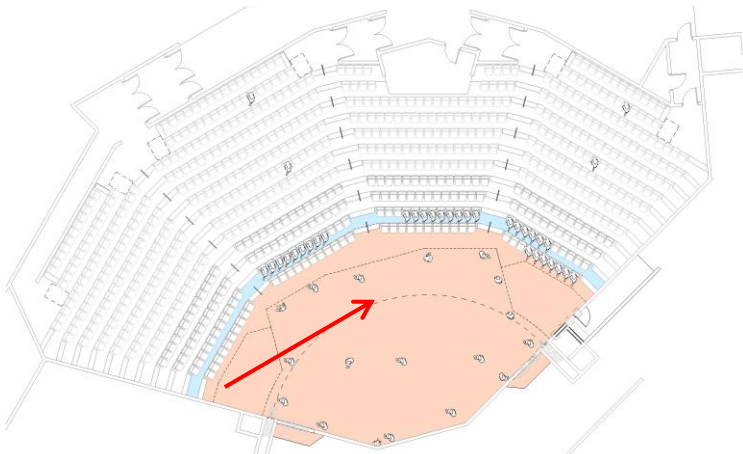

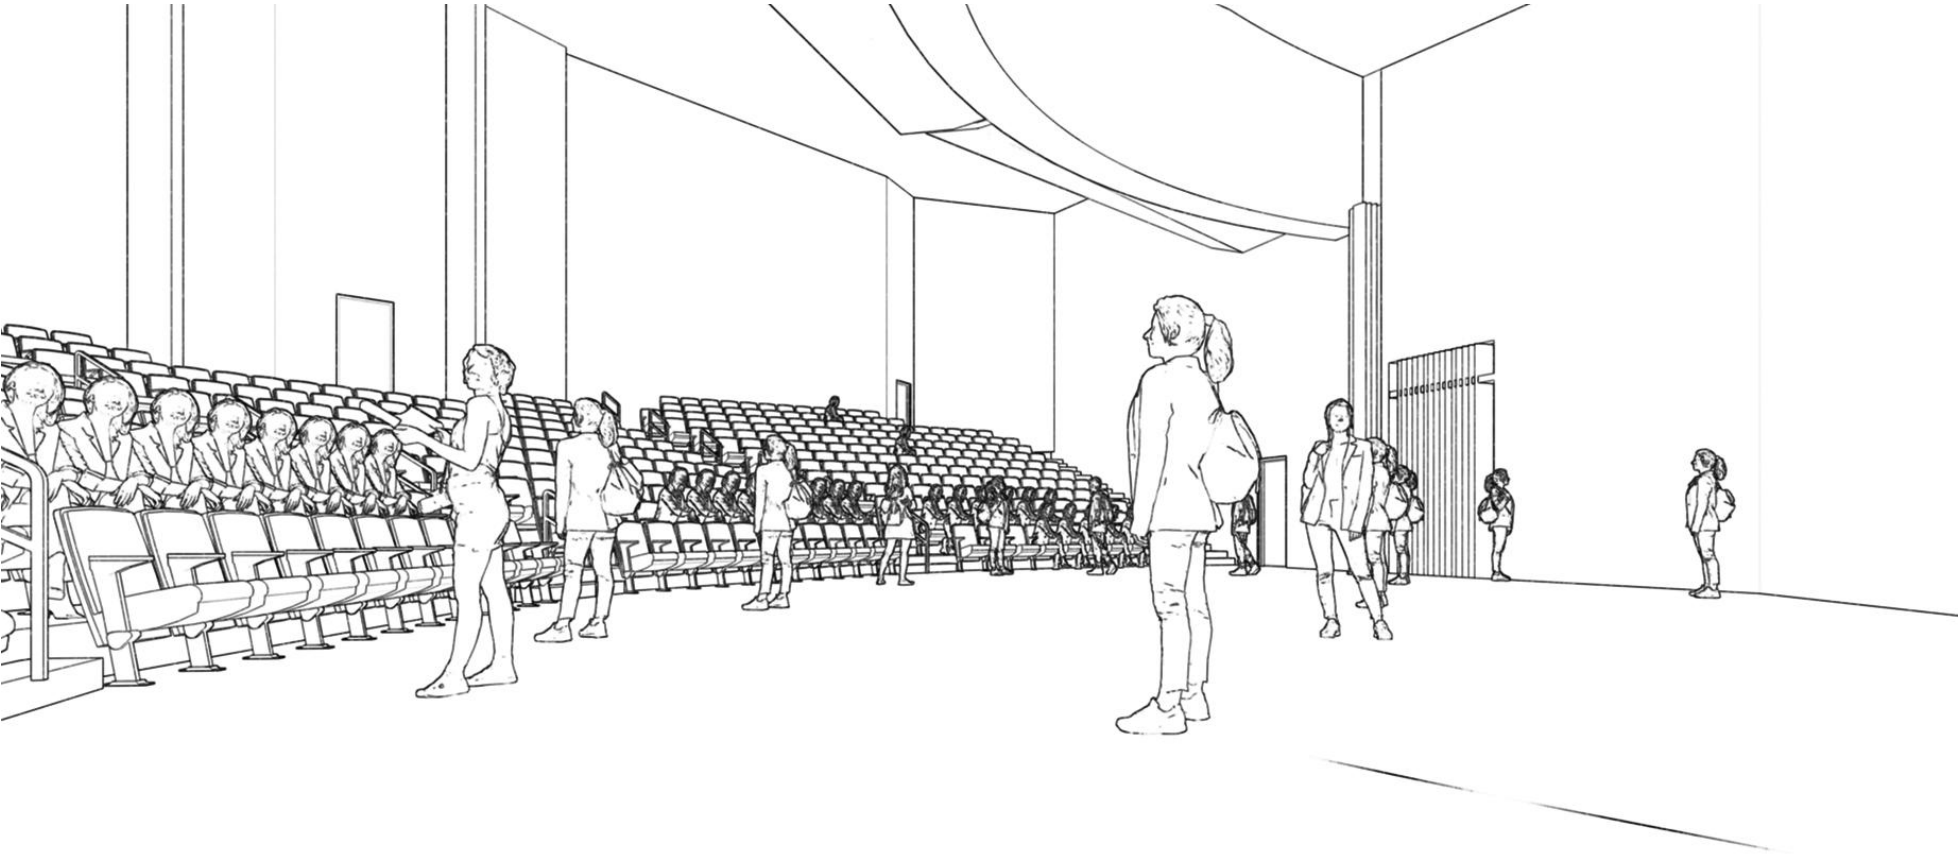

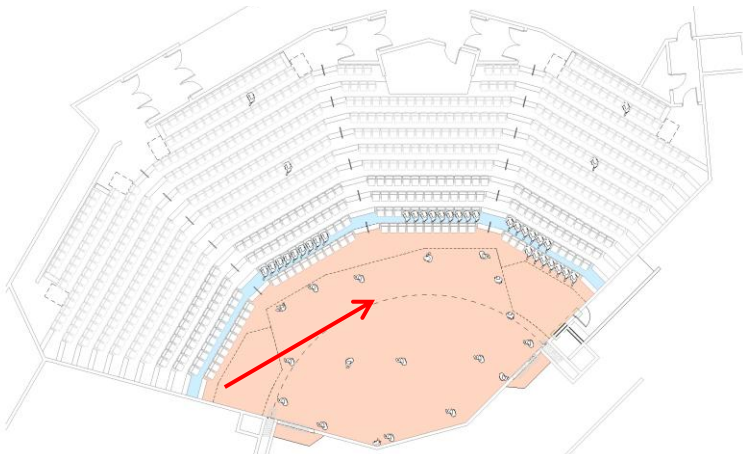

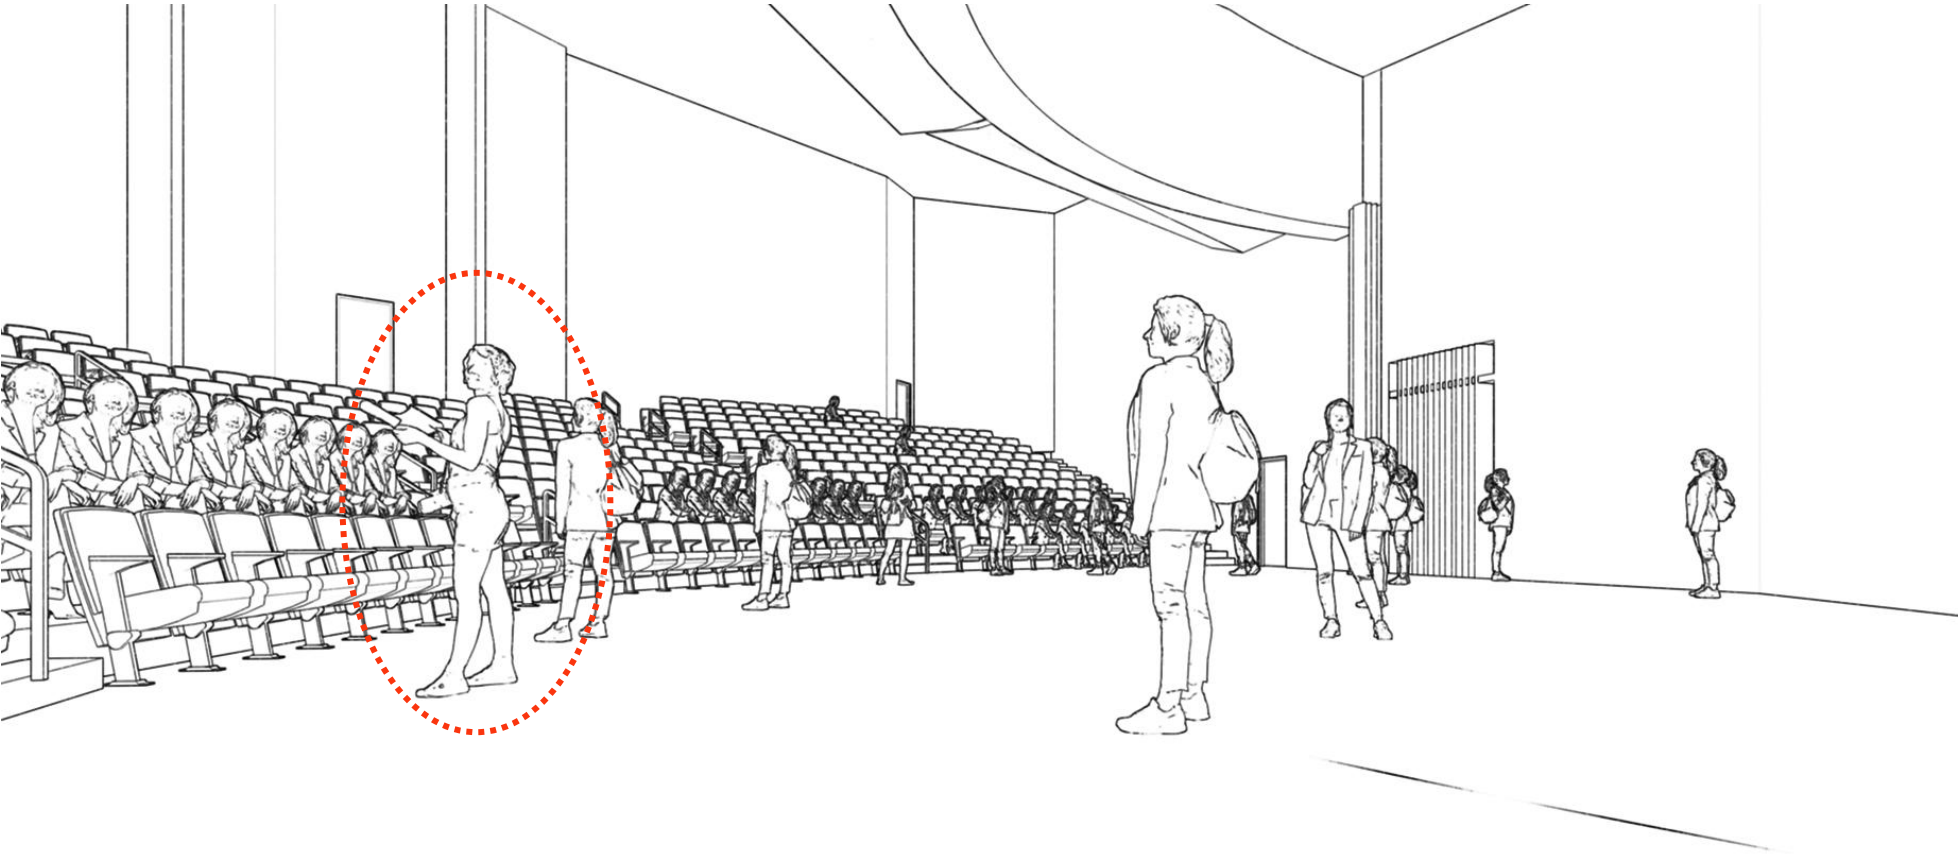

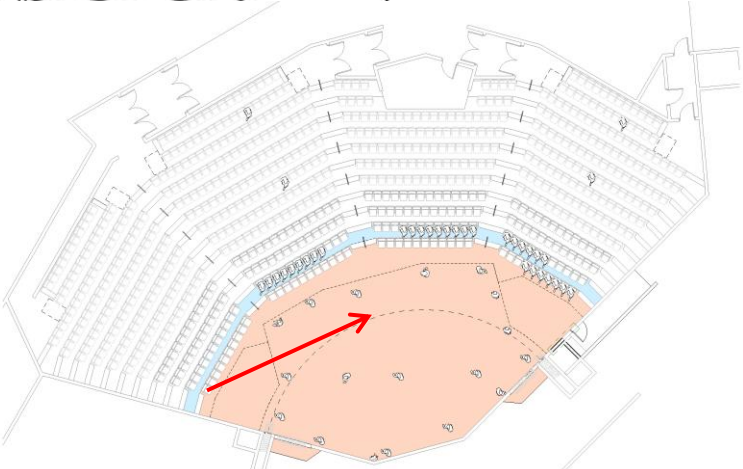

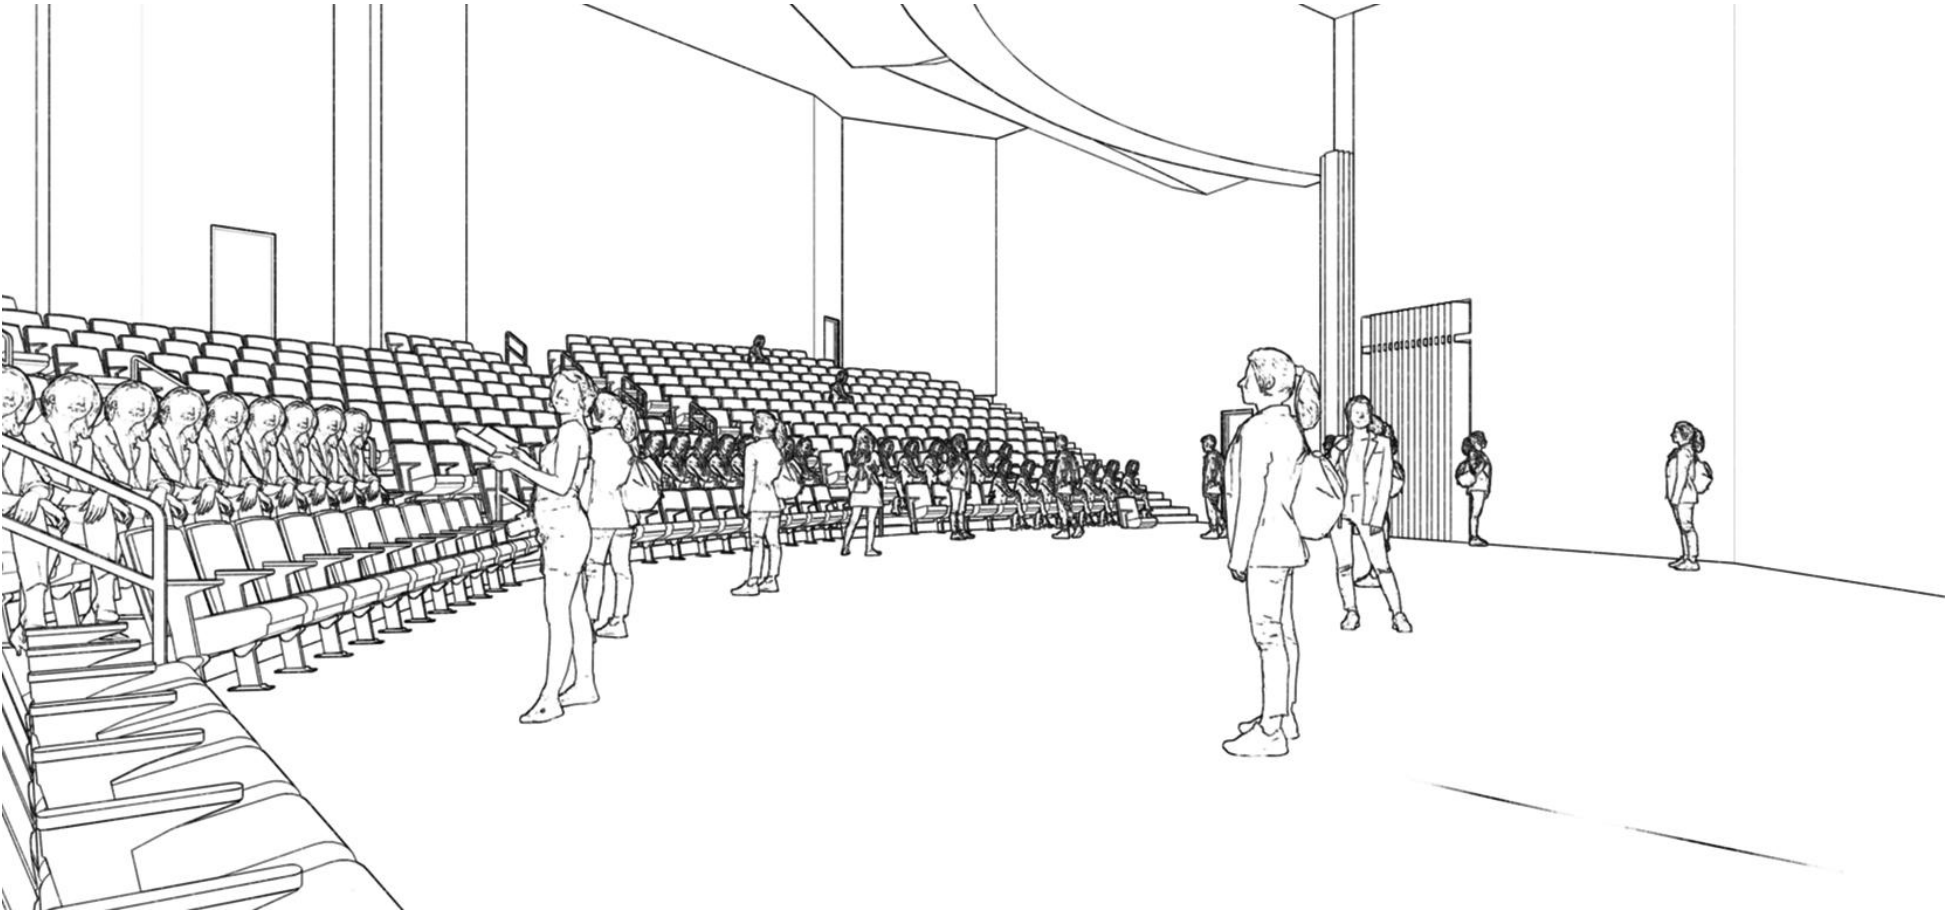

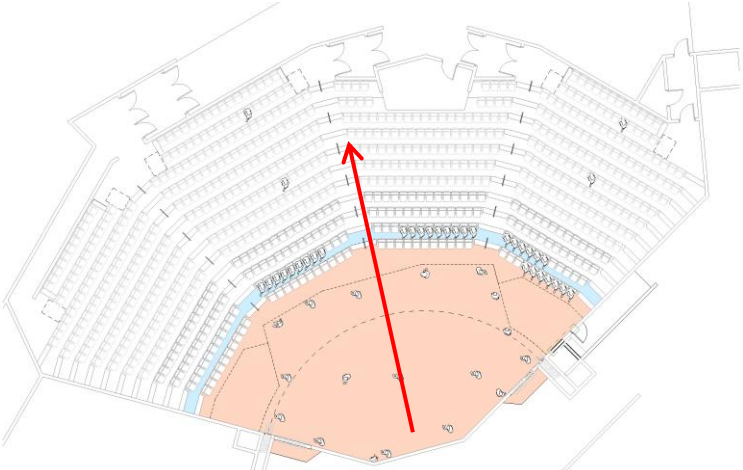

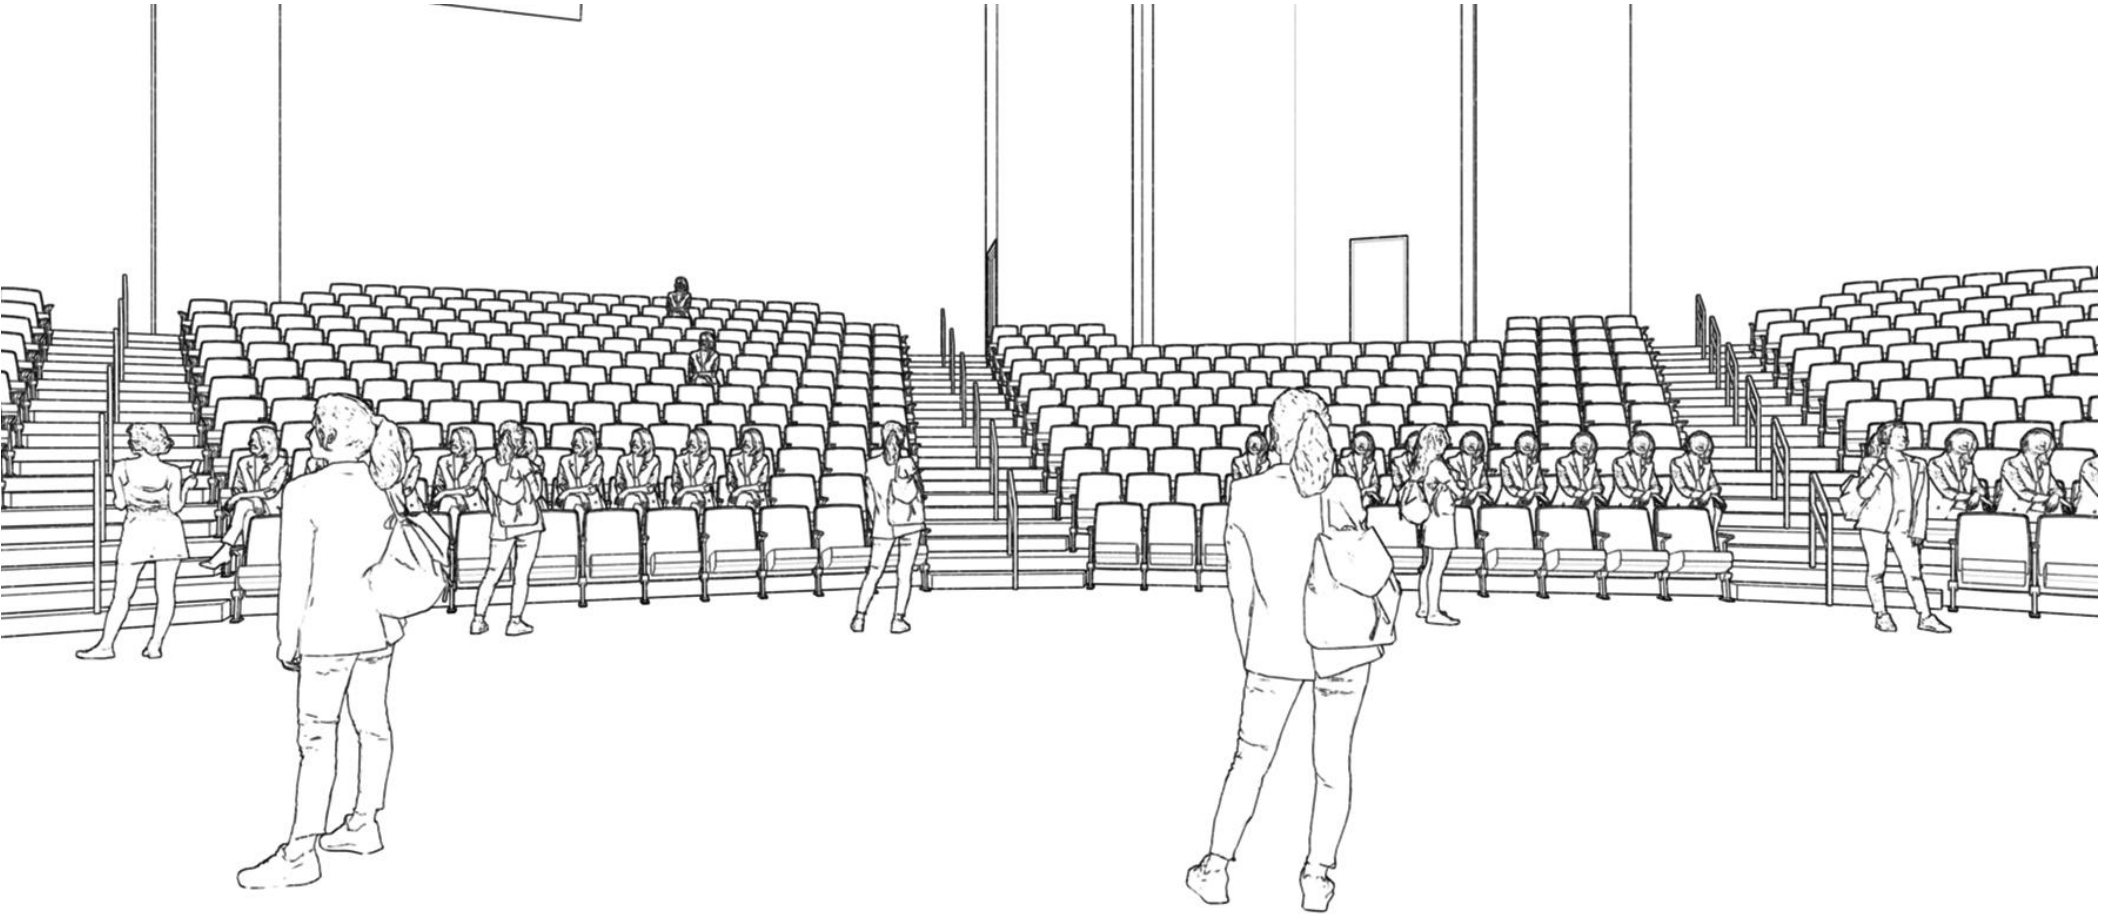

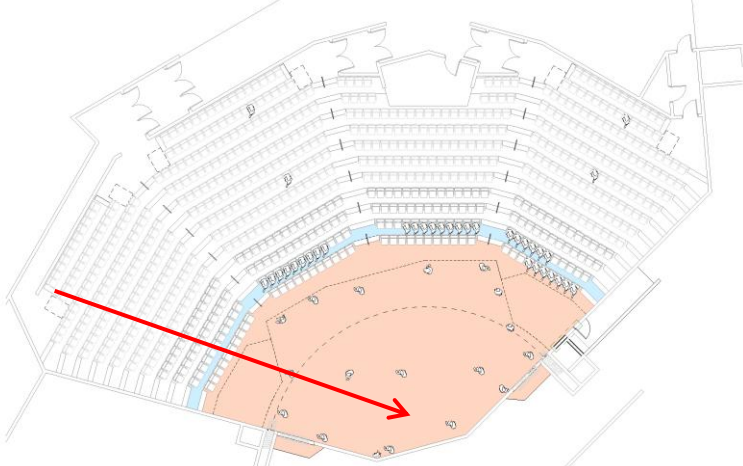

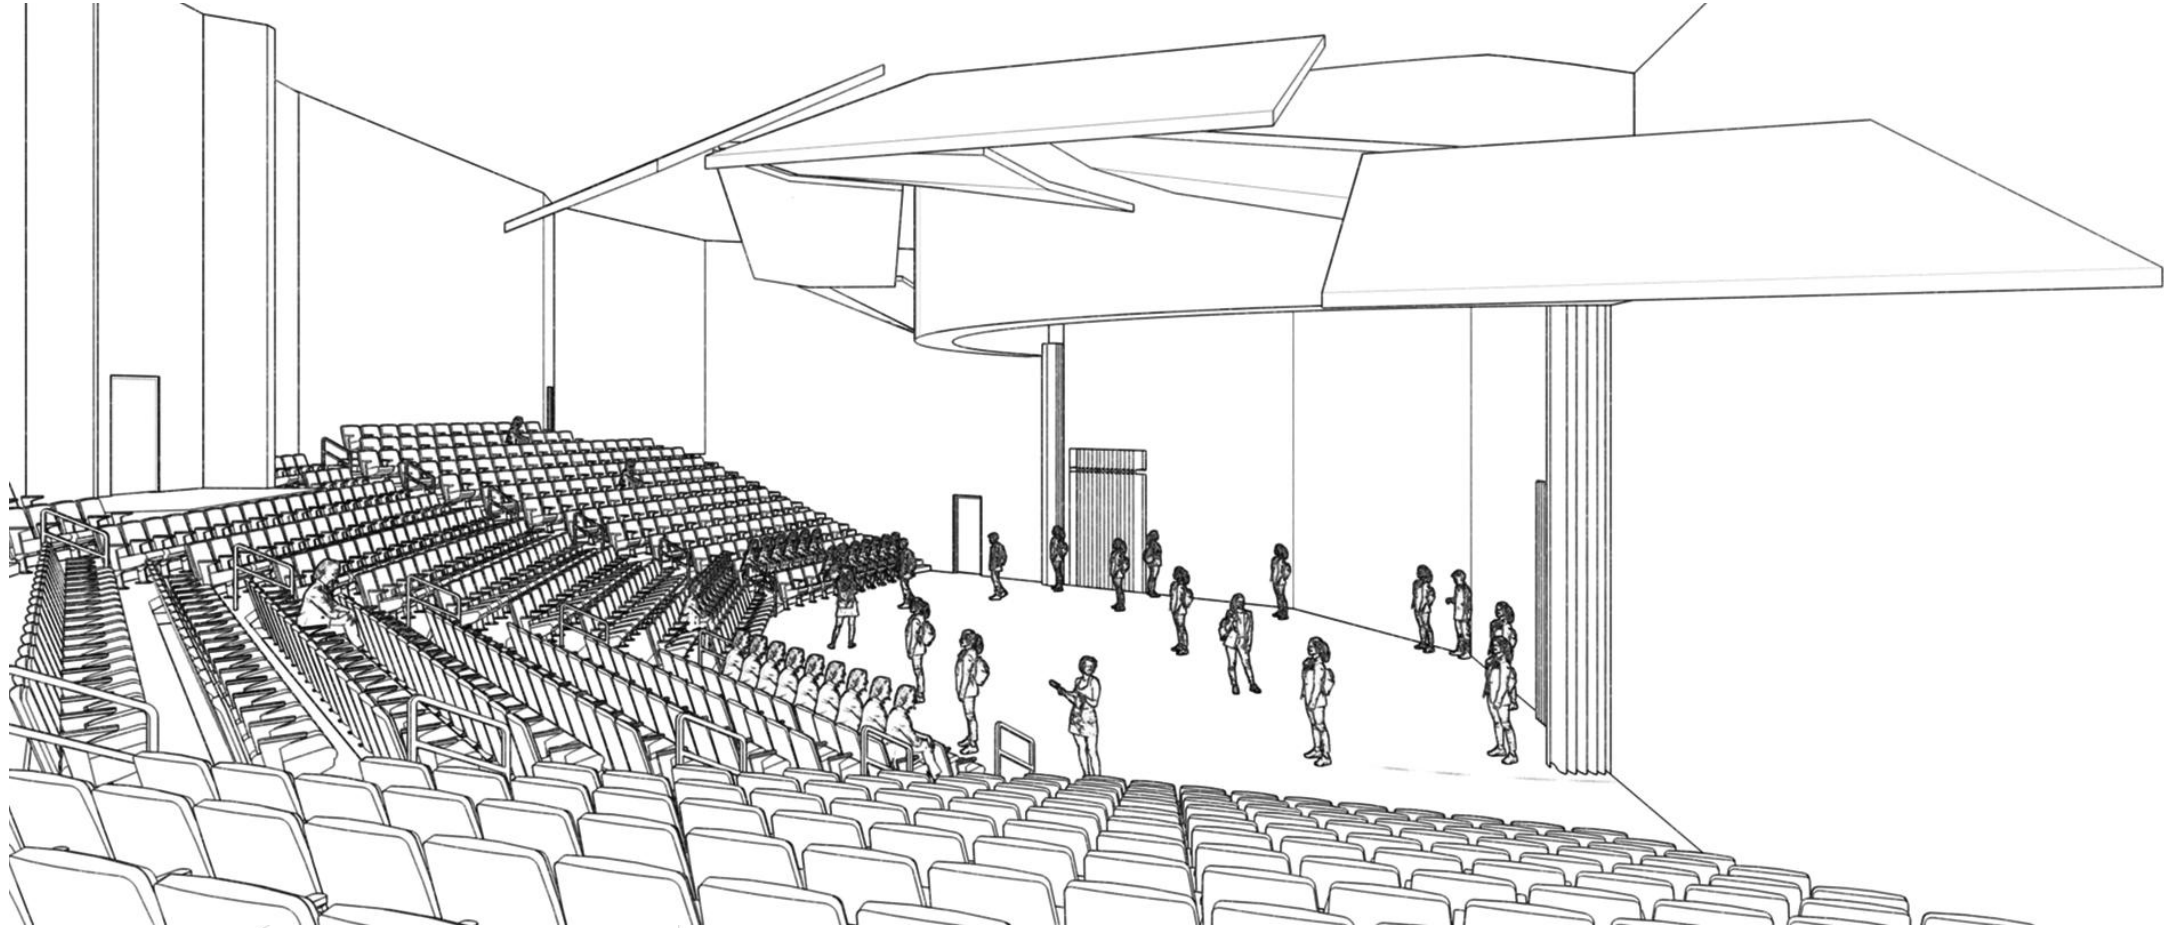

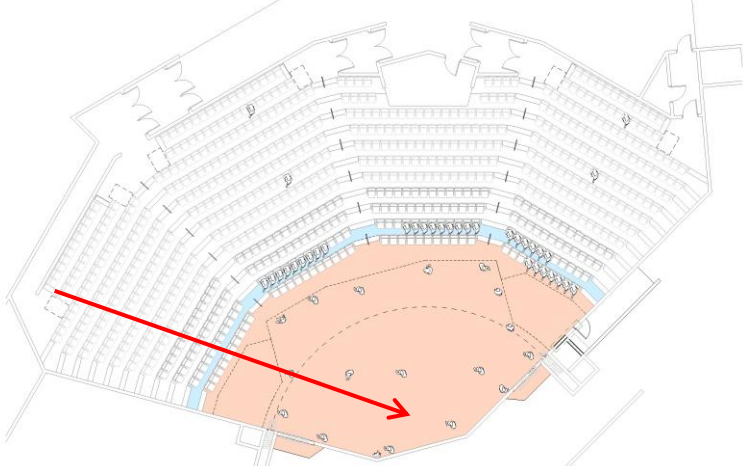

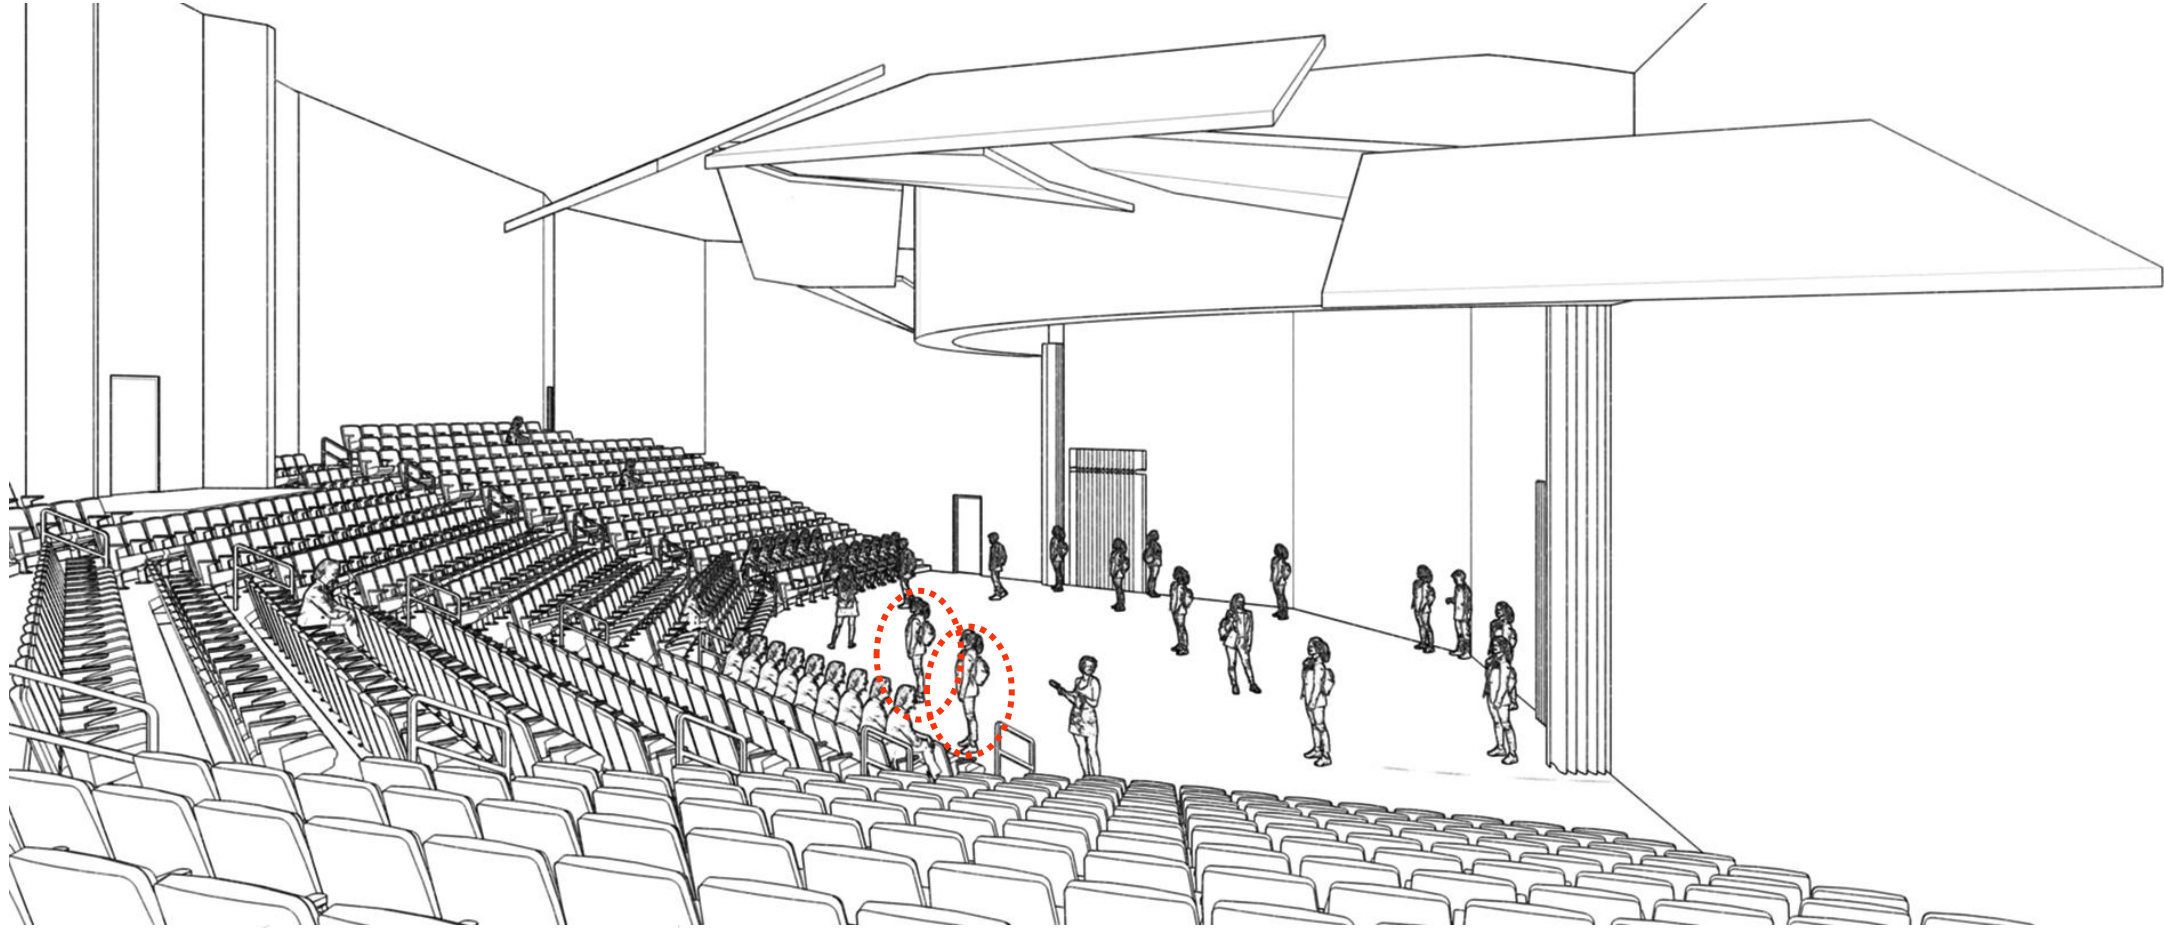

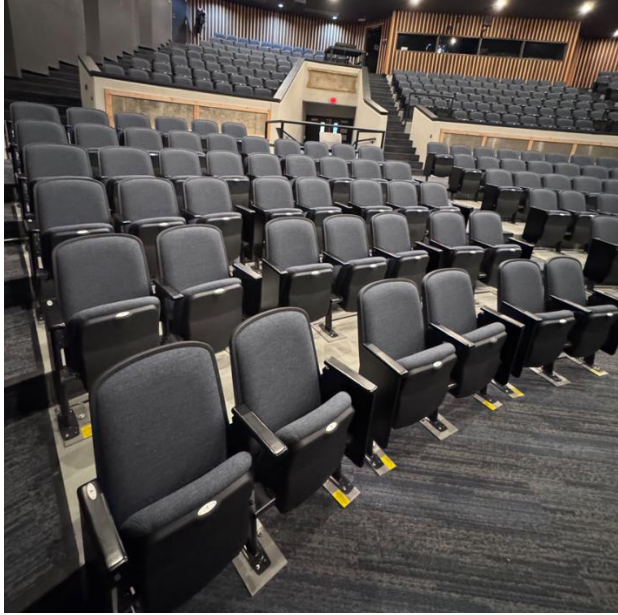

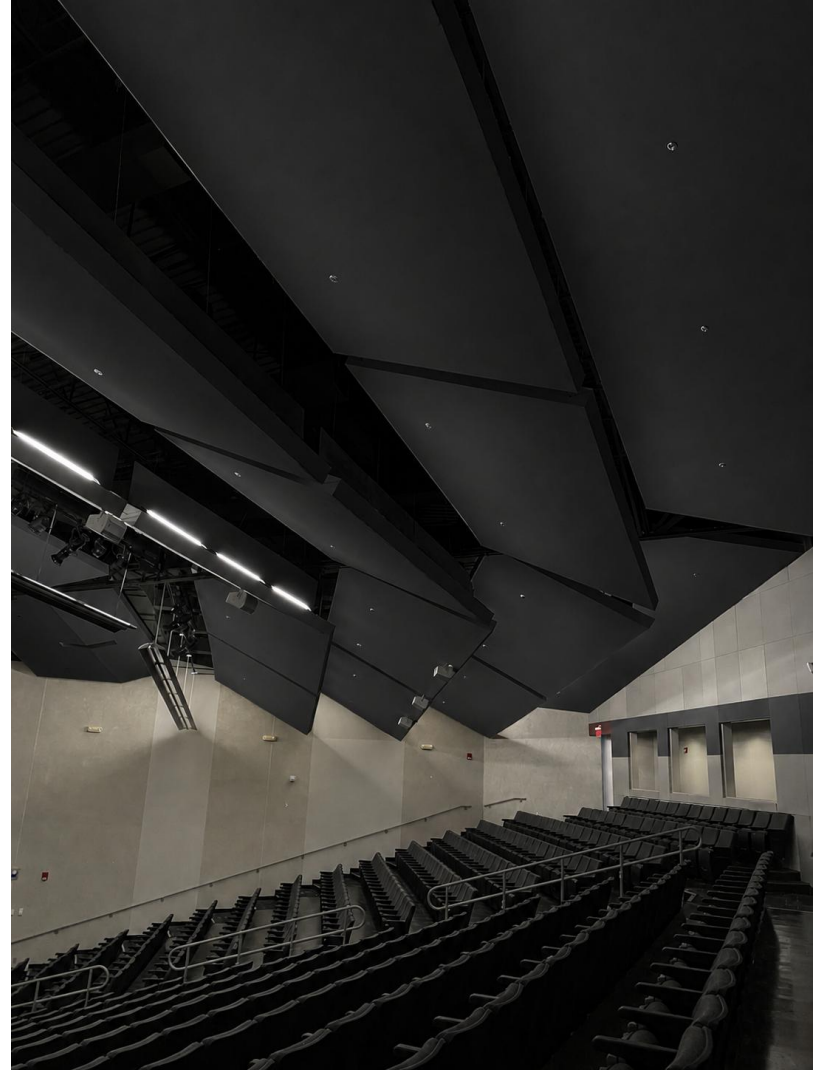

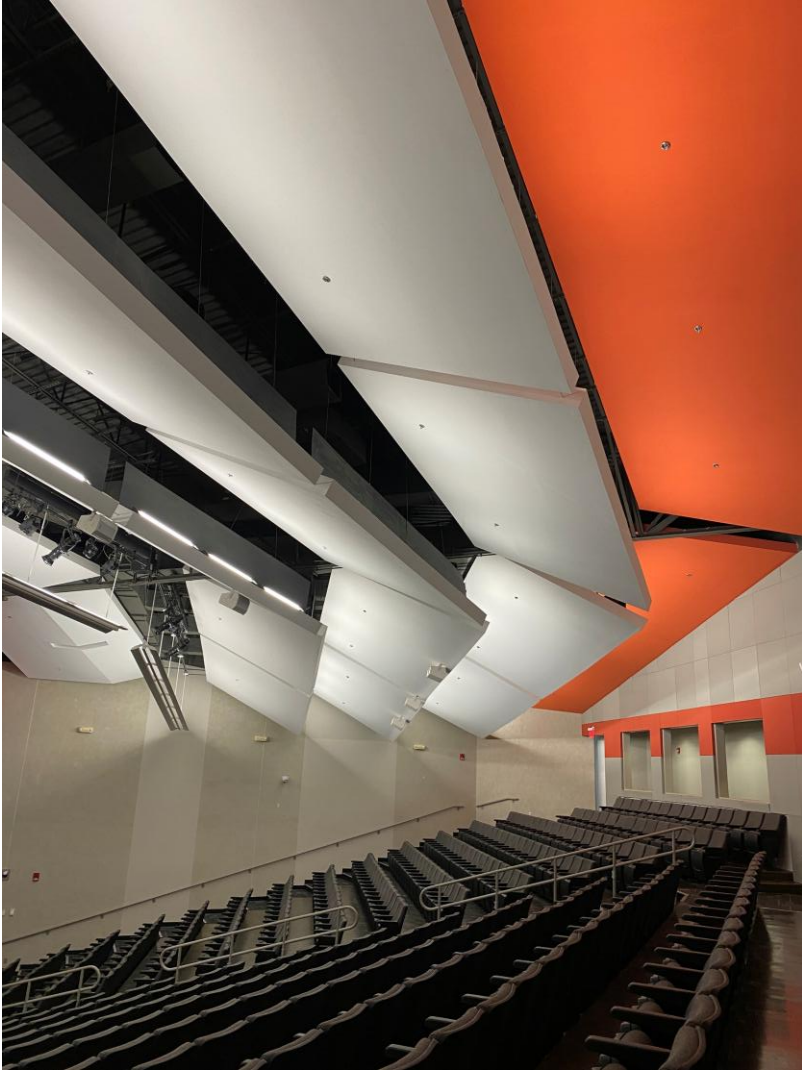

Though Starters - Seating

Thought Starters – Auditorium Paint

Thought Starters – Auditorium Paint
