Recommendation(s): Approval of the Schematic / Design Development plans presented by TACK Architects for the Westside Middle School Performing Arts Center renovation project.

Background: TACK Architects is contracted by Westside Community Schools to design improvements to the Westside Middle School Performing Arts Center. Project improvements include: expanding the stage; upgrading theatrical and LED lighting; modernizing the audio/video system; modifying the ceiling; replacing seating; and updating interior finishes.

Design is expected to be completed in November 2026, followed by competitive bidding in December 2026. Construction is scheduled to begin in May 2027 and be completed before the start of the 2027-28 school year.
