☐ Discussion/Action by Board of Education
☐ Presentation/Action Next Meeting

Recommendation: Approval of resolution establishing the formation of the Westside Educational Facilities Leasing Corporation.

Background: The formation of the Westside Educational Facilities Leasing Corporation will allow the District to continue plans to upgrade the middle school track and field area in the summer of 2027. The district has been working on potential plans for this project for over 15 months and this is the next step in this important process. Schematic designs for the project were presented at the August 24, 2026, Board of Education meeting. At tonight's meeting, Board approval will be sought from the project Design Development package.
