December 6, 9:00am–2:00pm

Seattle University Champion Hall
914 E Jefferson Street, Seattle, WA 98122

Register Online at ymcaearthservicecorps.org

These activities are not sponsored nor endorsed by the Northshore School District or any of its schools. The district assumes no responsibility for the conduct during or the safety of the activities. Northshore School District shall be held harmless from any cause of action, claim, or petition filed in any court or administrative tribunal arising out of the distribution of these materials including attorney's fees and judgment or awards.

Join us for the annual Environmental Leaders Summit!

We're inviting local teens and adults from around the Puget Sound to discuss the environmental issues facing our communities. Share ideas, talk with environmental professionals, and connect with your peers about the environmental topics you care about. Take action at the Summit's opportunity fair, where environmental organizations will share ways to get involved. Join community leaders and young environmentalists for a day of dialogue, discussion, and doing as we strive to create more sustainable schools and neighborhoods! This year, YMCA Earth Service Corps, North Cascades Institute, Mt. Baker Snoqualmie National Forest and the National Parks Service are teaming up to host the Summit. There is no cost for this event, but registration is required and space is limited.

NEED A RIDE? Transportation is available from select locations and is contingent on reaching a minimum number of riders. Seats are reserved on a first-come first-served basis. Contact us to see if there is a pickup location near you!
