**SB9 Contractor Certification Contractor Employees**

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district. The district may not obtain criminal histories for contractors: the law requires each contractor to obtain the criminal histories of its covered employees. For more information or to set up an account, contractor should contact the Texas Department of Public Safety's Crime Records Services at 512-424-2474

**Definitions:**

- c. Upon request, Contractor/Subcontractor/Independent Contractor will provide the District with the name and any other requested information of covered employee(s)'s criminal history record information, Contractor/Subcontractor/Independent Contractor agrees to discontinue using the covered employee(s) to provide services at the District.
