An insured employee.

General Information

What is your agreement with us?

You are insured under the group policy shown on the specifications page attached to this certificate. Your application as defined under this certificate is attached and is a part of this certificate. This certificate summarizes the principal provisions of the group policy that affect your life insurance coverage. The provisions summarized in this certificate are subject in every respect to the group policy.

Any statements made in your application as defined in this certificate will, in the absence of fraud, be considered representations and not warranties. Also, any statement made will not be used to void your insurance nor defend against a claim unless the statement is contained in the application attached to your certificate.

This certificate is issued in consideration of your application and the payment of the required premium.

Can this certificate be amended?

Yes. We retain the right to amend this certificate at any time without your consent. Any amendment will be without prejudice to any claim incurred for benefits prior to the date of the amendment.

Who is eligible for insurance?

You are eligible if you:

- (1) are a member of the group and of an eligible class as defined in the group policy; and
- (2) work for the employer for at least the number of hours per week shown as the minimum hours per week requirement on the specifications page attached to this certificate; and
- (3) have satisfied the waiting period as shown on the specifications page attached to this certificate; and
- (4) meet the actively at work requirement as shown in the section entitled "What is the actively at work requirement?".

Are retired employees eligible for insurance?

If the policyholder's plan of insurance, as reflected in the specifications page attached to this certificate, does not specifically provide insurance for retired employees, a retired employee shall not be eligible to become insured, nor have his or her insurance continued. If the policyholder's plan of insurance specifically provides insurance for retired employees, the minimum hours per week and actively at work requirements will not apply to such persons.

What is the actively at work requirement?

To be eligible to become insured or to receive an increase in the amount of insurance, you must be actively at work fully performing your customary duties for your regularly scheduled number of hours at the employer's normal place of business, or at other places the employer's business requires you to travel.

If you are not actively at work on the date coverage would otherwise begin, or on the date an increase in your amount of insurance would otherwise be effective, you will not be eligible for the coverage or increase until you return to active work. However, if the absence is on a non-work day, coverage will not be delayed provided you were actively at work on the work day immediately preceding the non-work day.

Except as otherwise provided for in this certificate, you are eligible to continue to be insured only while you remain actively at work.

When will we require evidence of insurability?

Evidence of insurability will be required if:

- (1) the specifications page attached to this certificate states that evidence of insurability is required; or
- (2) the insurance is contributory and you do not enroll within the enrollment period shown on the specifications page attached to this certificate; or
- (3) the insurance for which you previously enrolled did not go into effect or was terminated because you failed to make a required premium contribution; or

- (4) during a previous period of eligibility, you failed to submit required evidence of insurability or that which was submitted was not satisfactory to us; or
- (5) you are insured by an individual policy issued under the terms of the conversion right section.

When does insurance become effective?

Insurance becomes effective on the date that all of the following conditions have been met:

- (1) you meet all eligibility requirements; and
- (2) if required, you apply for the insurance on forms which are approved by us; and
- (3) we are satisfied with your evidence of insurability, if we require evidence; and
- (4) we receive the required premium.

Can your coverage be continued during sickness, injury, leave of absence or temporary layoff?

Yes. The employer may continue your noncontributory insurance or allow you to continue your contributory insurance when you are absent from work due to sickness, injury, leave of absence, or temporary layoff. Continuation of your insurance is subject to certain time limits and conditions as stated in the group policy. If you stop active work for any reason, you should discuss with the employer what arrangements may be made to continue your insurance.

Premiums

When and how often are your premium contributions due?

Unless the policyholder and we have agreed to some other premium payment procedure, any premium contributions you are required to make for contributory insurance are to be paid by you to the policyholder on a monthly basis. We apply premiums consecutively to keep the insurance in force.

How is the premium determined?

The premium will be the premium rate multiplied by the number of \$1,000 units of insurance in force on the date premiums are due. The premium may also be computed by any other method on which the policyholder and we agree.

We may change the premium rate:

- (1) on any premium due date following the expiration of any rate guarantee period, or following the date that the amount of insurance in force for any one coverage changes by more than 15% from that which was used to determine the current rates (active employee coverage and retiree coverage are considered separate coverages, as are basic life, supplemental life, spouse life, child life and AD&D) or

- (2) anytime, if the policy terms are amended or the total amount of insurance in force changes by 15% from the volume that was used to determine the current rates or more.

Death Benefit

What is the amount of the death benefit?

The amount of the death benefit is the amount of insurance shown on the specifications page attached to this certificate.

Can you request a change in the amount of your contributory insurance?

Yes. If the policyholder's plan of insurance, as reflected in the specifications page attached to the group policy, allows for a choice of amounts of insurance for your class, you can request an increase or a decrease in the amount of your contributory insurance within the limitations of the policyholder's plan of insurance, including any limitations on when and how often such requests may be made.

If you request an increase in the amount of your contributory insurance, we will require evidence of insurability, unless otherwise noted on the specifications page.

When will changes in your coverage amount be effective?

Requested increases in the amount of your contributory insurance, if approved, are effective on the date we approve the increase. Requested decreases in the amount of your contributory insurance are effective on the first day of the month following receipt of your request for a decrease, or if different, according to the administrative practices of the employer.

Requests for a change made during a special enrollment period offered by the employer will not become effective prior to the general effective date of elections made during that enrollment.

Increases and decreases in insurance amounts which result from a change in your eligible class or earnings will be effective as shown on the specifications page attached to this certificate.

All increases in the amount of insurance are subject to the actively at work requirement.

When will the death benefit be payable?

We will pay the death benefit within two months of receipt at our home office of written proof satisfactory to us that you died while insured under this certificate. All payments by us are payable from our home office.

If your amount of insurance is equal to or greater than \$15,000 alternative methods of payment other than a lump

sum payment are available at the request of your beneficiary or beneficiaries.

We will pay interest on the death benefit from the date of your death until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year compounded annually, or the minimum required by state law, whichever is greater.

Payment of the death benefit will extinguish our liability under the certificate for which the death benefit has been paid.

To whom will we pay the death benefit?

We will pay the death benefit to the beneficiary or beneficiaries. A beneficiary is named by you to receive the death benefit to be paid at your death. You may name one or more beneficiaries. You cannot name the policyholder or an associated company of the policyholder as a beneficiary.

You may also choose to name a beneficiary that you cannot change without the beneficiary's consent. This is called an irrevocable beneficiary.

If there is more than one beneficiary, each will receive an equal share, unless you have requested another method in writing. To receive the death benefit, a beneficiary must be living on the date of your death. In the event a beneficiary is not living on the date of your death, that beneficiary's portion of the death benefit shall be equally distributed to the remaining surviving beneficiaries. In the event of the simultaneous deaths of you and a beneficiary, the death benefit will be paid as if you survived the beneficiary.

If there is no eligible beneficiary, or if you do not name one, we will pay the death benefit to:

- (1) your lawful spouse if living, otherwise;
- (2) your natural or legally adopted child (children) in equal shares, if living, otherwise;
- (3) your parents in equal shares, if living, otherwise;
- (4) the personal representative of your estate.

Can you add or change beneficiaries?

Yes. You can add or change beneficiaries if all of the following are true:

- (1) your coverage is in force; and
- (2) we have written consent of all irrevocable beneficiaries; and
- (3) you have not assigned the ownership of your insurance.

A request to add or change a beneficiary must be made in writing. All requests are subject to our approval. A change will take effect as of the date it is signed, but will not affect any payment we make or action we take before receiving your notice.

Termination

When does your coverage terminate?

Your coverage ends on the earliest of the following:

- (1) the date the group policy ends; or
- (2) the date you no longer meet the eligibility requirements; or
- (3) the date the group policy is amended so you are no longer eligible; or
- (4) 31 days (the grace period) after the due date of any premium contribution which is not paid; or
- (5) the last day for which premium contributions have been paid following your written request to cease participation under this certificate.

If your coverage under the group policy terminates due to non-payment of premiums, your coverage may be reinstated if all premiums due are paid and received by us within 31 days of the date of termination and during your lifetime.

Can your insurance be reinstated after termination?

Yes. When your coverage terminates because you are no longer eligible, and you become eligible again within three months after the date your coverage under this certificate terminated, your coverage may be reinstated.

Provided you are not then covered by an individual policy issued under the terms of the conversion right section, your coverage under the group policy shall be reinstated automatically, without evidence of insurability or satisfaction of any waiting period. Your amount of insurance will be that which applies to the classification to which you then belong, on the date you again become eligible. If the policyholder's plan of insurance provides for contributory insurance under the group policy, your amount of contributory insurance will be limited to that for which you were insured immediately prior to the loss of coverage.

When does the group policy terminate?

The policyholder may terminate the group policy by giving us 31 days prior written notice. We reserve the right to terminate the group policy on the earliest of the following to occur:

- (1) 31 days (the grace period) after the due date of any premiums which are not paid; or
- (2) on any subsequent policy anniversary after the date the number of employees insured is less than any minimum established by us or as required by applicable state law; or
- (3) 31 days after we provide the policyholder with notice of our intent to terminate the group policy.

Unless the Minnesota Life group policy is being replaced by a substantially similar group term life policy, we will notify you 30 days in advance of any termination of the group policy by Minnesota Life. In no event shall the terms of this section extend coverage under the group

policy more than 120 days beyond the date coverage would otherwise terminate under the terms of the group policy.

Minnesota Continuation Right

What is the Minnesota continuation right?

If you reside in Minnesota and are laid off or you terminate employment, including retirement, you may elect to continue your insurance under the group policy, including any insurance you have on the lives of your spouse and dependent children, provided the group policy remains in force for any active employees. You are considered laid off from employment if there is a reduction in hours to such an extent that you are no longer eligible for insurance under the group policy. Termination does not include discharge for gross misconduct.

How do you continue your insurance under the group policy?

Upon layoff or termination of employment, the employer shall notify you of your rights under this section. You have 60 days from the later of the following to elect coverage:

- (1) the date your coverage would otherwise terminate; or
- (2) the date you receive written notice of the right to continue your insurance.

How will premium contributions for the continued insurance be paid?

Premiums for the continued insurance will be paid by you to your former employer. The amount of the premium charged shall not exceed 102% of the cost of the plan for such period of coverage for other similarly situated employees with respect to whom neither termination nor layoff has occurred, without respect to whether such cost is paid by the employee or the employer.

How long can your insurance be continued under the group policy?

You are eligible to continue your insurance under the group policy until the earlier of the following:

- (1) you obtain insurance under another group policy; or
- (2) 18 months after your termination or layoff from employment.

What happens to your insurance at the end of the continuation period?

When the continuation period ends, you, your insured spouse, or an insured dependent child may obtain from us, without evidence of insurability or interruption of coverage, an individual life insurance policy which provides the same or substantially similar benefits. A policy providing reduced benefits at a reduced premium rate may be accepted by you, your insured spouse, or any of your insured dependent children.

All provisions of the conversion right section shall apply to this type of conversion except the provision entitled "What is the conversion right?". References to you in all other provisions of the conversion right section shall mean you, your insured spouse, or any of your insured dependent children.

What happens if an insured dies during the 60-day period allowed for election of continuation?

If you, your insured spouse, or any of your insured dependent children dies during the 60-day election period and before election was made to continue or to reject continuation, you will be considered to have elected continuation of coverage under the group policy. We will pay a death benefit equal to the amount of insurance that could have been continued less any premium due as of the date of death.

Conversion Right

What is the conversion right?

You may convert this insurance to a new individual life insurance policy if all or part of your life insurance under the group policy terminates.

You may convert up to the full amount of terminated insurance if termination occurs because:

- (1) you move from one existing eligible class to another; or
- (2) you are no longer in an eligible class; or
- (3) the group policy is terminated; or
- (4) the group policy is changed to reduce or terminate your insurance.

The conversion right is not available if your coverage under the group policy terminates due to failure to make, when due, required premium contributions.

You may convert your insurance to any type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term insurance. The individual policy will not include any supplemental benefits, including, but not limited to, any disability benefits, accidental death and dismemberment benefits, or accelerated benefits.

How do you convert your insurance?

You convert your insurance by applying for an individual policy and paying the first premium within 31 days after your group insurance terminates. No evidence of insurability will be required.

How is the premium for the individual policy determined?

We base the premium for the individual policy on the plan of insurance, your age, and the class of risk to which you belong on the date of the conversion.

When is the individual policy effective?

The individual policy takes effect 31 days after the group insurance provided under the group policy terminates.

What happens if you die during the 31-day period allowed for conversion?

If you die during the 31-day period allowed for conversion, we will pay a death benefit regardless of whether or not an application for coverage under an individual policy has been submitted. The death benefit will be the amount of insurance you would have been eligible to convert under the terms of the conversion right section.

We will return any premium you paid for an individual policy to your beneficiary named under the group policy. In no event will we be liable under both the group policy and the individual policy.

Additional Information

What if your age has been misstated?

If your age has been misstated, the death benefit payable will be that amount to which you are entitled based on your correct age. A premium adjustment will be made so that the actual premium required at your correct age is paid.

Is there a suicide exclusion?

The specifications page attached to this certificate indicates what insurance, if any, is subject to the suicide exclusion outlined below.

When applicable, this suicide exclusion limits our liability to an amount equal to the premiums paid if you, whether sane or insane, die by suicide within two years of the effective date of your insurance.

If there has been an increase in your amount of insurance for which you were required to apply or for which we required evidence of insurability, and if you die by suicide within two years of the effective date of the increase, our liability with respect to that increase will be limited to the premiums paid and attributable to such increase.

When does your insurance become incontestable?

Except for fraud or the non-payment of premiums, after your insurance has been in force during your lifetime for two years from the effective date of your coverage, we cannot contest your coverage. However, if there has been an increase in the amount of insurance for which you were required to apply or for which we required evidence of insurability, then, to the extent of the increase, any loss which occurs within two years of the effective date of the increase will be contestable.

Any statements you make in your application as defined under this certificate will, in the absence of fraud, be considered representations and not warranties. Also, any

statement you make will not be used to void your insurance, nor defend against a claim, unless the statement is contained in the application attached to your certificate.

Can your insurance be assigned?

Yes. However, we will not be bound by an assignment of the certificate or of any interest in it unless it is made as a written instrument, and you file the original instrument or a certified copy with us at our home office, and we send you an acknowledged copy.

We are not responsible for the validity of any assignment. You are responsible for ensuring that the assignment is legal in your state and that it accomplishes your intended goals. If a claim is based on an assignment, we may require proof of interest of the claimant. A valid assignment will take precedence over any claim of a beneficiary.

Is the policyholder required to maintain records?

Yes. The policyholder is required to maintain adequate records of any information necessary for us to administer this certificate. We own the records relating to the insurance provided by this certificate, and can obtain them from the policyholder at any reasonable time.

If a clerical error is made in keeping records on the insurance under the group policy, it will not affect otherwise valid insurance. A clerical error does not continue insurance which is otherwise stopped. If an error causes a change in premium payment, we will make a fair adjustment.

Will the provisions of this certificate conform with state law?

Yes. If any provision in this certificate, or in the provisions of the group policy, is in conflict with the laws of the state governing the certificates or the group policy, the provision will be deemed to be amended to conform to such laws.

Accelerated Benefits Certificate Supplement

MINNESOTA LIFE

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

Benefits received under this Accelerated Benefits Certificate Supplement may be taxable. You should seek assistance from a personal tax advisor prior to requesting an accelerated payment of death benefits.

General Information

This certificate supplement is subject to every term, condition, exclusion, limitation, and provision of your certificate unless otherwise expressly provided for herein.

What does this supplement provide?

This supplement provides for the accelerated payment of either the full or a partial amount of an insured's death benefit provided under your certificate. If an insured has a terminal condition as defined in this supplement, you may request an accelerated payment of the applicable death benefit. This certificate supplement does not provide long-term care benefits meeting the requirements of Sections 62A.46 to 62A.56.

Minnesota law sets minimum requirements for life insurance contracts where the right to receive accelerated benefits is contingent upon the insured receiving long-term care services. This certificate supplement does not meet those minimum requirements.

Definitions

accelerated benefit

The amount of the death benefit we will pay if the insured is eligible under this supplement.

death benefit

The amount of the insured's life insurance as shown on the specifications page attached to your certificate.

immediate family

Your spouse, children, parents, grandparents, grandchildren, brothers and sisters, and their spouses.

insured

For purposes of this supplement, an insured employee, an insured spouse, or an insured dependent child.

physician

An individual who is licensed to practice medicine or treat illness in the state in which treatment is received. This does not include you or a member of your immediate family.

Terminal Condition

What is a terminal condition?

A terminal condition is a condition caused by sickness or accident which directly results in a life expectancy of twelve months or less.

What evidence do we require of the insured's terminal condition?

We must be given evidence that satisfies us that the insured's life expectancy, because of sickness or accident, is twelve months or less. That evidence must include certification by a physician.

Do we have the right to obtain independent medical verification?

Yes. We retain the right to have the insured medically examined at our own expense to verify the insured's medical condition. We may do this as often as reasonably required while accelerated benefits are being considered or paid.

Payment of Accelerated Benefit

How do we calculate the accelerated benefit?

We will multiply the death benefit by the accelerated benefit factor to determine the accelerated benefit available.

How do we calculate the accelerated benefit factor?

The accelerated benefit factor will be stated as a percentage of the insured's death benefit. When we calculate this factor, we will consider the insured's age and gender.

We will also base our calculation on certain assumptions, which we may change from time to time, including but not limited to assumptions about:

- (1) expected future premiums; and
- (2) the insured's life expectancy.

What are the conditions for the payment of an accelerated benefit?

We will consider the payment of an accelerated benefit, subject to all of the following conditions:

- (1) coverage must be in force and all premiums due must be fully paid; and

- (2) application must be made in writing and in a form which is satisfactory to us. We will tell you what form is required; and
- (3) you must be the sole owner of the certificate; and
- (4) the insured's insurance must not have an irrevocable beneficiary.

Who may request an accelerated payment of the death benefit?

You may request an accelerated payment of the insurance on your life or on the life of a spouse or dependent child insured under your certificate.

Is the request for an accelerated benefit voluntary?

Yes. An accelerated benefit will be made available on a voluntary basis only. An accelerated benefit under this supplement is not intended to cause an involuntary reduction of the death benefit ultimately payable to the named beneficiary. Therefore, payment of the death benefit cannot be accelerated under this supplement if the insured:

- (1) is required by law to use this option to meet the claims of creditors, whether in bankruptcy or otherwise; or
- (2) is required by a government agency to use this option in order to apply for, obtain, or keep a government benefit or entitlement.

Is there a minimum or maximum death benefit eligible for an accelerated benefit?

Yes. The minimum death benefit to be eligible for an accelerated benefit under this supplement is \$10,000. The maximum death benefit to be eligible for an accelerated benefit is \$1,000,000.

Do you have to take the entire accelerated benefit?

No. You may choose to receive a partial accelerated benefit. If you do so, the insured's remaining coverage will stay in force.

If you elect to receive only a partial accelerated benefit amount available under this supplement, the insured's remaining death benefit under the certificate must be at least \$25,000.

You may reapply for the payment of the remaining amount of insurance at any time. However, we may ask for further satisfactory evidence that the insured meets all requirements for the accelerated benefit.

What is the effect on an insured's coverage of the receipt of an accelerated benefit?

If you elect to accelerate the full amount of an insured's death benefit, the insured's coverage and all other benefits under the certificate and any certificate supplements for that insured will end. If such termination causes a certificate holder's covered spouse or dependent children to lose coverage, each of them will be allowed to convert any such insurance to a policy of individual life insurance according to the conversion right section of the certificate to which this supplement is attached.

If a partial accelerated benefit is chosen, coverage will remain in force and premiums will be reduced accordingly. The remaining amount of insurance under your certificate will be the full amount of insurance minus the amount of insurance that was accelerated.

How will we pay the accelerated benefit?

We will pay the accelerated benefit in one lump sum or in any other mutually agreeable manner.

To whom will we pay accelerated benefits?

All accelerated benefits will be paid to you unless you validly assign them otherwise. If you die before all payments have been made, we will pay the remainder to the beneficiary named under this certificate. Payment will be made in one lump sum which will be the present value of the payments that remain, using the interest rate we use to determine the payments.

Termination

When does an insured's coverage under this supplement terminate?

An insured's coverage ends on the date the insured is no longer covered for life insurance under the group policy.

When does this supplement terminate?

This supplement will terminate on the earlier of:

- (1) the date we receive a written request from the policyholder to cancel the Accelerated Benefits Policy Rider; or
- (2) the date the group policy is terminated.

- (2) for contributory coverage, application for the coverage is made on forms which are approved by us; and
- (3) we receive the required premium.

If a dependent is hospitalized or confined because of illness or disease on the date his or her insurance would otherwise become effective, his or her effective date shall be delayed until he or she is released from such hospitalization or confinement. This provision shall not apply to a newborn child. However, in no event will insurance on a dependent be effective before the insured employee's insurance under this rider is effective.

Accidental Death and Dismemberment (AD&D) Benefit

What does accidental death or dismemberment by accidental injury mean?

Accidental death or dismemberment by accidental injury as used in this supplement means that the insured's death or dismemberment results, directly and independently of

all other causes, from an accidental bodily injury which is unintended, unexpected, and unforeseen. The bodily injury must be evidenced by a visible contusion or wound, except in the case of accidental drowning. The bodily injury must be the sole cause of death or dismemberment.

The injury must occur while the insured's coverage under this supplement is in force. The insured's death or dismemberment must occur within 180 days after the date of the injury.

In no event will we pay the accidental death or dismemberment benefit where the insured's death or dismemberment is caused directly or indirectly by, results from, or where there is a contribution from, any of the following:

- (1) self-inflicted injury or self destruction, whether sane or insane; or
- (2) suicide or attempted suicide, whether sane or insane; or
- (3) the insured's commission of or attempt to commit a felony; or the insured's being engaged in an illegal occupation regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
- (4) bodily or mental infirmity, illness or disease; or
- (5) the use of alcohol, drugs, medications, poisons, gases, fumes or other substances taken, absorbed, inhaled, ingested or injected, unless taken upon the advice of a licensed physician in the verifiable prescribed manner and dosage; or
- (6) motor vehicle collision or accident where the insured is the operator of the motor vehicle and this insured's blood alcohol level meets or exceeds the level at which intoxication is defined in the state where the collision or accident occurred, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
- (7) infection, other than infection occurring simultaneously with, and as a direct result of, the accidental injury; or
- (8) medical or surgical treatment or diagnostic procedures or any resulting complications; or
- (9) travel in or descent from any aircraft, except as a fare-paying passenger on a regularly scheduled commercial flight on a licensed passenger aircraft; or
- (10) war or any act of war, whether declared or undeclared; or
- (11) service in the military of any nation.

What is the amount of the accidental death and dismemberment benefit?

The amount of the benefit shall be a percentage of the amount of insurance shown on the specifications page attached to the group policy. The percentage is

determined by the type of loss as shown in the following table:

FOR LOSS OF	AMOUNT OF BENEFIT
Life.....	Full Amount of AD&D Insurance
Both Hands or Both Feet..	Full Amount of AD&D Insurance
Sight of Both Eyes.....	Full Amount of AD&D Insurance
Speech and Hearing	Full Amount of AD&D Insurance
One Hand and One Foot..	Full Amount of AD&D Insurance
One Foot and Sight of One Eye	Full Amount of AD&D Insurance
One Hand and Sight of One Eye	Full Amount of AD&D Insurance
Quadruplegia.....	Full Amount of AD&D Insurance
Paraplegia	75% of Amount of AD&D Insurance
Sight of One Eye	50% of Amount of AD&D Insurance
Speech or Hearing	50% of Amount of AD&D Insurance
One Hand or One Foot	50% of Amount of AD&D Insurance
Hemiplegia	50% of Amount of AD&D Insurance
Thumb and Index Finger of One Hand.....	25% of Amount of AD&D Insurance

Loss of hands or feet means complete severance at or above the wrist or ankle joints. Loss of sight, speech, or hearing means the entire and irrecoverable loss of sight, speech, or hearing which cannot be corrected by medical or surgical treatment or by artificial means. Loss of thumb or finger means complete severance at or above the metacarpophalangeal joints (the joints closest to the palm of the hand).

Quadruplegia means total and permanent paralysis of both upper limbs (from the shoulder down including total paralysis of both hands) and both lower limbs (from the waist down including total paralysis of both feet). Paraplegia means total and permanent paralysis of both lower limbs (from the waist down including total paralysis of both feet). Hemiplegia means total and permanent paralysis of both the upper limb (from the shoulder down including total paralysis of the hand) and lower limb (from the waist down including total paralysis of the foot) on one side of the body.

A benefit is not payable for both loss of one hand and the loss of thumb and index finger of one hand for injury to the same hand as a result of any one accident. Under no circumstance will more than one payment be made for the loss or paralysis of the same limb, eye, finger, thumb, hand, foot, sight, speech, or hearing if one payment has already been made for that loss.

Benefits may be paid for more than one accidental loss but the total amount of AD&D insurance payable under this supplement for all of an insured's losses due to any one accident, not including any amount paid according to the terms of the Additional Benefits section of this supplement, will never exceed the full amount of AD&D insurance shown on the specifications page attached to the group policy.

When will the accidental death and dismemberment benefit be payable?

We will pay the AD&D benefit within two months upon receipt at our home office of written proof satisfactory to us that the insured died or suffered dismemberment as a result of an accidental injury. All payments by us are payable from our home office.

The benefit will be paid in a single sum. We will pay interest on the benefit from the date of the insured's death or dismemberment until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year compounded annually or the minimum required by state law, whichever is greater.

To whom do we pay the benefit?

In the case of your accidental death, we will pay the accidental death benefit to the person or persons entitled to receive your death benefit under the terms of the group policy. The benefit for other losses sustained by you will be paid to you, if living, otherwise to your estate.

A dependent's AD&D benefit will be paid to you, if living, otherwise to your estate.

Additional Benefits

Unless stated otherwise, additional benefits are payable to the same person or persons who receive the AD&D benefits. Additional benefits are paid in addition to any AD&D benefits described in the Accidental Death and Dismemberment section, unless otherwise stated. All provisions of this certificate supplement, including but not limited to the "What does accidental death or dismemberment by accidental injury mean?" section, shall apply to these additional benefits.

Air Bag Benefit

What is the air bag benefit?

If an insured dies as a result of a covered accident which occurs while he or she is driving or riding in a private passenger car, we will pay an additional AD&D benefit equal to the lesser of:

- (1) \$10,000; or
- (2) 10% of the insured's amount of AD&D insurance.

In order to be eligible for this benefit, the following must apply:

- (1) the seat in which the insured was seated was equipped with a properly installed airbag at the time of the accident; and
- (2) the private passenger car is equipped with seatbelts; and
- (3) a seatbelt was in proper use by the insured at the time of the accident as certified in the official accident report or by the investigating officer; and
- (4) at the time of the accident, the driver of the private passenger car, was a licensed driver and was not

intoxicated, impaired, or under the influence of alcohol or drugs, and did not meet or exceed the legal level at which intoxication is defined in the state where the collision or accident occurred.

Airbag means a passive restraint device in a vehicle which inflates upon collision to protect an individual from injury or death.

Seatbelt means a properly installed seatbelt (or child restraint if the insured is a child), lap and shoulder restraint, or other restraint approved by the National Highway Traffic Safety Administration or any successor governmental agency. A private passenger car means a validly registered four-wheeled private passenger car or policyholder-owned car, jeep, pickup truck or van, including a sport utility vehicle (SUV), that is not licensed commercially or being used for racing, or acrobatic or stunt driving.

Seatbelt Benefit

What is the seatbelt benefit?

If an insured dies as a result of a covered accident which occurs while he or she is driving or riding in a private passenger car, we will pay an additional AD&D benefit equal to the lesser of:

- (1) \$20,000; or
- (2) 20% of the insured's amount of AD&D insurance.

In order to be eligible for this benefit, the following must apply:

- (1) the private passenger car was equipped with seatbelts; and
- (2) a seatbelt was in proper use by the insured at the time of the accident as certified in the official accident report or by the investigating officer; and
- (3) at the time of the accident, the driver of the private passenger car was a licensed driver and was not intoxicated, impaired, or under the influence of alcohol or drugs, and did not meet or exceed the legal level at which intoxication is defined in the state where the collision or accident occurred.

An insured's coverage ends on the earlier of:

Term Life Waiver of Premium Certificate Supplement

MINNESOTA LIFE

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

General Information

This certificate supplement is issued in consideration of the required premium and is subject to every term, condition, exclusion, limitation, and provision of your certificate unless otherwise expressly provided for herein. The specifications page attached to your certificate indicates whether this supplement applies to contributory insurance or noncontributory insurance. Coverage under this supplement will not be included in any insurance issued under the conversion right section of your certificate.

What does this supplement provide?

This supplement provides for waiver of premium if you become totally and permanently disabled, as defined herein, while under age 60. Upon approval of proof of such disability, your insurance, including all supplements to your certificate, which were in force on the date of the onset of your disability will be continued in force without payment of premiums during the uninterrupted continuance of the total and permanent disability.

What is total disability?

Total disability is a disability which occurs while your insurance and the coverage under this supplement is in force and which results from an accidental injury or an illness that continuously prevents you from engaging in any occupation for which you are reasonably suited by education, training, or experience. You must be under the care of a licensed physician. The licensed physician cannot be you or a member of your immediate family. For purposes of this supplement, your immediate family consists of your spouse, children, parents, grandparents, grandchildren, brothers and sisters and their spouses.

What is permanent disability?

Permanent disability is a total disability which has existed continuously for at least nine months.

Are there any limitations?

Yes. Insurance will not be continued if your disability results from intentionally self-inflicted injury, participation in or any attempt to commit a felony, or war or any act of war, whether declared or undeclared.

Do premiums have to be paid after you become disabled?

Yes. Premiums have to be paid after you become disabled, but only until we approve your total and permanent disability claim. Continued payment prevents

the possible loss of your coverage and eligibility if your claim is not approved.

What if you convert your group life insurance to a policy of individual insurance prior to the approval of your disability claim?

If your coverage has been converted in accordance with the conversion right section of your certificate, benefits under this supplement will apply only if the converted policy is surrendered without claim, except for refund of premiums.

What will be considered due proof of total and permanent disability?

You must furnish evidence satisfactory to us that your disability:

- (1) commenced while your insurance under your certificate was in force; and
- (2) meets the definition of total disability; and
- (3) commenced before your 60th birthday; and
- (4) was continuous for nine months or more.

We will, from time to time, also require additional proof satisfactory to us that you continue to be totally and permanently disabled. We may also require that you submit to one or more medical examinations at our expense.

If you die within one year of the date of onset of your disability, your beneficiary may claim benefits under this supplement even if your premium payments were discontinued and you had not submitted due proof satisfactory to us of your total disability or you were continuously disabled for less than nine months. Your beneficiary must submit due proof satisfactory to us that your total disability, which began before premium payments on your behalf were discontinued and before your 60th birthday, continued without interruption until your death.

When must we be notified of your disability or death?

We must receive written notice at our home office of your total disability within one year of the date of onset of such disability. However, failure to give notice within the time provided will not invalidate the claim if it is shown that notice was given as soon as reasonably possible.

We must receive written notice at our home office within one year of death that you died during the period of continuance provided by this supplement. Proof must be furnished that you continued to be totally disabled during the entire period of continuance until death. If such notice and proof are not provided within the required time frame,

there shall be no liability for any payment under this supplement.

What is the amount of insurance to be continued without payment of premium under this supplement?

The amount of insurance continued without payment of premium shall be the amount of insurance that was in force on the date of onset of total disability.

If your certificate provides for reductions in amounts of insurance based on age or retirement, such reductions shall apply to your insurance being continued under this supplement.

How long will insurance be continued without payment of premium?

If you become totally and permanently disabled, insurance will be continued, without payment of premium, until the earliest of:

- (1) your 70th birthday; or
- (2) the date you recover so that you are no longer totally and permanently disabled; or
- (3) the date you fail to furnish proof of continued disability when requested or you refuse to submit to a required medical examination.

However, if you are an employee and your certificate provides for termination of insurance at retirement, insurance provided under this supplement will terminate when you retire, including normal or early retirement. Your retirement date shall be the earlier of:

- (1) the date you actually retire; or
- (2) your presumed normal retirement date as established by the employer's applicable retirement plan. If no such date has been established, your presumed retirement date shall be age 65.

What happens to your insurance when the waiver of premium benefit ends?

When the benefits under this supplement end according to the provisions of the section entitled "How long will insurance be continued without payment of premium?," the following will apply:

- (1) If you are then eligible for coverage under your certificate, your insurance may be continued under your certificate provided that premiums are paid. The first such premium payment must be made within 31 days of the date the waiver of premium benefit ends.
- (2) If you are no longer eligible for coverage under your certificate, you may convert coverage to an individual policy, as provided for under the conversion right section of your certificate.

Your insurance will end unless, within 31 days of the date benefits under this supplement end, premium payments on your behalf are resumed or you apply to convert your coverage.

When does this supplement terminate?

This supplement will terminate on the earlier of:

- (1) the date we receive a written request from the policyholder to terminate the Term Life Waiver of Premium Policy Rider; or
- (2) the date the group policy is terminated.

Insurance being continued without further payment of premiums in accordance with the provisions of this supplement will not end due solely to the termination of the Term Life Waiver of Premium Policy Rider or of the group policy.
