

# You've got this.

You may not realize it, but you have been preparing to take the ACT® test for years. The ACT has always been about what students learn in high school.

**There are many reasons to take the ACT test.**

## The ACT ...

- Is accepted by **all** US colleges and universities
- Has an optional writing test
- Is the nation's most taken college entrance exam
- Includes an educational and career planning component
- Provides four free score reports\*
- Is scored based on correct answers only

\*If ordered at time of registration
