

Silsbee ECHS Lottery Procedures

Lottery Procedures

Silsbee ISD administration determines the number of SECHS seats available each year. Should the number of applicants exceeds the number of seats available, then a performance-blind, open-access weighted lottery will be conducted to select the students for admission. ***Each applicant will be included once. Applicants identified as At Risk of not graduating will be included an additional three times. Applicants identified as male will be included two additional times. Applicants identified as African American, Hispanic, or Economically Disadvantaged will be included one additional time.***

The lottery process shall be conducted by the Director of Early College High School, the SHS Principal, and teacher representatives to be held at the Silsbee High School campus. All entries will be drawn and recorded in the order in which drawn for placement on a Wait List. A video of the lottery process will be recorded and made part of the documentation retained according to district procedures.

Applicants not selected for admission will be placed on a Wait List for admission consideration should a selected applicant withdraw and a seat becomes available. Students on a Wait List will participate in the Summer Bridge program to better enable them to begin ECHS should a selected student decide to withdraw from the program. Admission consideration for vacated seats ends on the first instructional day of school for whichever comes first, LIT or Silsbee ISD.
